appropriate subdivision plat for each Section placed of public record in the Office of the Clerk of Jefferson County, Kentucky (any such subdivision plat as filed in the aforesaid Clerk's Office being hereinafter referred to as a "Plat"). The Property evidenced thereby and denominated thereon shall be deemed subject to the rights, privileges, covenants, conditions, restrictions, easements, assessments, charges and liens hereinafter set forth in, and the other provisions of, this Declaration. The use of the term "Lot" herein shall mean only those Lots included within the Property expressly made subject to this Declaration.

Section 1.2 Additions To, and Withdrawal of Property.

(a) **The Subdivision.** Portions of the Subdivision property owned by Declarant, which have not yet been developed by Declarant as previous Sections of the Subdivision may be hereafter included from time to time by Declarant as a part of the Subdivision and be made subject to the terms of this Declaration (or a similar declaration of covenants, conditions and restrictions acceptable to Declarant in its sole discretion), pursuant to a statement to such effect made by Declarant on the subdivision plat for any such portion of the Subdivision which is filed in the aforesaid Clerk's Office and/or by filing of a declaration to such effect by Declarant in the aforesaid Clerk's Office. Upon the inclusion of any such subdivided section of the Subdivision subject to this Declaration, the recorded subdivision plat therefor shall be deemed a "Plat" under this Declaration and may include such information and matters as contemplated with respect to any Plat, and the phase or section of the Subdivision evidenced thereby shall be deemed a "Section" under this Declaration, and all residential lots and/or common area created pursuant thereto shall be deemed to be "Lots" and "Common Area," respectively, subject to this Declaration.

All such additions to the Subdivision shall be made by filing a Declaration of Annexation in the aforesaid Clerk's Office with respect to such additional real property, which shall declare the annexation and addition of such real property to the Subdivision and shall extend the scheme of this Declaration on, or impose the scheme of such other declaration of covenants, conditions and restrictions acceptable to Declarant on, such annexed real property. Upon the filing of any such Declaration of Annexation, the term "Property" as used in this Declaration shall be automatically deemed modified to include and be a reference to such additional real property, unless otherwise specified therein. Any such Declaration of Annexation extending the scheme of this Declaration to such annexed real property may contain additions and modifications of the provisions of this Declaration as Declarant may elect and/or as may be necessary to reflect the different character if any, of the annexed real property.

(c) **Withdrawal.** Declarant may from time to time elect in its discretion not to develop portions of the Subdivision for which a Plat has not been recorded, or, if a Plat has been recorded, in which Section evidenced thereby no Lots are then owned by other than Declarant, or any of its respective affiliates or related entities, and may withdraw such portions of the Subdivision from this Declaration, as applicable,

Any such withdrawal shall be accomplished by the filing in the aforesaid Clerk's Office of a Notice of Withdrawal executed by the Declarant, and describing by adequate legal description the portions of the Subdivision thereby withdrawn. Upon the filing of any such Notice of Withdrawal, the term "Property" as used in this Declaration shall be automatically deemed modified to exclude the real property thereby withdrawn.

Section 1.3 Supplemental Declarations.

(a) **Terms.** Declarant may from time to time elect in its discretion, and without need for the consent of any other person or entity, to record with respect to any Section a Supplemental Declaration of Covenants, Conditions and Restrictions (a "Supplemental Declaration") in the aforesaid Clerk's Office, pursuant to which Supplemental Declaration Declarant may impose on the Section subject thereto rights, privileges, covenants, conditions, restrictions, limitations, reservations, exceptions, equitable servitudes, easements, assessments, charges and liens, and provisions other than those set forth in this Declaration, which may be more or less restrictive than those set forth in their Declaration as Declarant may elect in its sole discretion and which shall control over the provisions of this Declaration, taking into account the unique and particular aspects of the proposed development of the Section covered thereby; provided that any of the same imposed by such Supplemental Declaration shall not materially and adversely affect the existing single-family residential nature of the other developed Sections of the Subdivision. Further, any such Supplemental Declaration may otherwise supplement the provisions of this Declaration with respect to the Section subject thereto, and may otherwise contain such additional information, specifications, and other matters with respect to the Section subject thereto as is contemplated by this Declaration. A Supplemental Declaration may further provide for a Sub association for such Section and for the right of such Sub association to assess Lot owners within such Section and to place liens upon the Lots therein for the purpose described in such Supplemental Declaration.

Section 1.4 Cross-Easements. Declarant reserves the right to create cross easements and to restrict all of the Property according to the terms of this Declaration. The "Common Area" initially covered by this Declaration and hereafter created pursuant to the Plat, or as otherwise provided herein, shall be subject to the provisions of this Declaration and shall inure to the benefit of the owners of Lots within the Subdivision which hereafter become subject to this Declaration, or to another declaration of covenants, conditions and restrictions as approved by Declarant in its sole discretion which so provides, and the Common Area allocable to the owners of all such Lots within the Property shall inure to the benefit of the owners of Lots within the Property created pursuant to Plats recorded earlier, each to enjoy the Common Area of the other and to have and to hold the same as if each such Lot had been developed subjected to this Declaration simultaneously.

(c) Indemnification By Lot Owner. Each Lot owner, by acceptance of a deed for the Lot, releases and shall indemnify and hold harmless Declarant from and against all losses or damages which may accrue to such Lot owner's Lot, and the vegetation hereon, arising from any activities of Declarant and/or any other party to maintain such Lot owner's Lot when such Lot owner fails, as noted above, to properly maintain his own Lot,

In the event any such residence or other structures on the Lot are not so repaired and maintained, the Lot owner shall, within thirty (30) days after written notice from Declarant or the Board (or such greater period as Declarant or the Board shall specify in such notice), cause the same to be fully repaired

and maintained to the satisfaction of the Declarant and the Board, or if the existing status of the residence or other structures on the Lot are such that the same cannot be reasonably repaired and maintained within such thirty (30) day period, the Lot owner shall immediately commence and proceed with all due diligence and best efforts toward the completion of such repair and maintenance, which shall in any case be completed within sixty (60) days of such notice from Declarant or the Board or within such other period as shall be reasonably specified by Declarant or the Board (which specification shall be deemed reasonable if confirmed in writing by at least two (2) Builders). Should such Lot owner fail to complete such repairs and maintenance within the applicable period provided above, Declarant or the Board may, in their respective sole discretion, elect to cause such repairs and maintenance to be so completed to their respective satisfaction, and Declarant and/or the Board, and their respective agents, employees and contractors, may enter upon the Lot and all improvements thereon during the period from 8:00 A.M. through 6:00 P.M. each weekday (Louisville, Kentucky time) in connection with such repairs and maintenance, and may, at all other times, store necessary materials on the Lot, without liability or obligation of any kind to such Lot owner or any resident or lessee of such Lot, and the Lot owner shall reimburse Declarant or the Board, as applicable, upon demand for all costs and expenses incurred in connection therewith, including, without limitation, reasonable attorneys' fees and court costs, and all such costs and expenses shall constitute a charge on the Lot, and Declarant or the Board, as applicable, shall have a lien on such Lot to secure the payment thereof of equal priority to the lien for assessments provided for in Article 4 below.

If all or any portion of a residence or other approved structure is damaged or destroyed by vandalism, fire or other casualty, then the Lot owner shall, with an due diligence, promptly (as acceptable to the Declarant and the Board) rebuild, repair or reconstruct such residence or structure in a manner which will substantially restore it to first class repair and condition consistent with the approval plans therefor. In the event any such residence or other structures on any Lot are not so rebuilt, repaired or reconstructed, the Lot owner shall, within thirty (30) days after written notice from Declarant or the Board (or such greater period as Declarant or the Board shall specify in such notice), cause the same to be fully rebuilt, repaired or reconstructed to the satisfaction of Declarant or the Board, or, if the existing status of the residence or other structures on the Lot are such that the same cannot be reasonably rebuilt, repaired or reconstructed within such thirty (30) day period, the Lot owner shall immediately commence and proceed with all due diligence and best efforts toward the completion of such residence or other structures, which shall in any case be completed within one hundred twenty (120) days of such notice and from Declarant or the Board, or within such other period as shall be reasonably specified by Declarant or the Board (which specification shall be deemed reasonable if confirmed in writing by at least two (2) Builders). Should such Lot owner fail to complete such rebuilding, repairs or reconstruction within the applicable period provided above, Declarant or the Board may, in their respective sole discretion, elect to cause such rebuilding, repairs or reconstruction to be so completed to their respective satisfaction in accordance with the approved plans for such structure, and Declarant and/or the by Board, and their respective agents, employees and contractors, may enter upon the Lot and all improvements thereon during

Any such portion or portions of the Common Area to be conveyed in fee shall be conveyed by quit claim deed from Declarant to the Community Association, and any such portion or portions of the Common Area so conveyed shall be quitclaimed free and clear of all liens except for the lien of ad valorem taxes not yet due and payable and for such liens as are contemplated by this Declaration, and subject to all other matters of record.

Declarant may dedicate access, utility, drainage, water facility, service and other easements, rights and licenses on or over the Common Area, and any recreational facilities and other amenities thereon, owned by the Community Association at Declarant's sole discretion for so long as Declarant, its successors or assigns, owns any Lot or any portion of the Subdivision.

(v) An easement in gross on and over the Common Area in favor of Declarant, its successors and assigns, for pedestrian access as shall be acceptable to Declarant in its sole discretion, and for temporary use and/or restriction, from time to time, of portions of the Common Area as shall be acceptable to Declarant in its sole discretion, including without limitation, for ingress, egress, access, parking along streets and roads and otherwise upon the Common Area;

(vi) Declarant shall be entitled to modify, restrict, and/or confine any of the foregoing rights and easements provided for in this Section 4.2(b), and/or to grant additional rights and easements on or over the Common Area in favor of Declarant, its successors and assigns.

(c) **Construction Mortgages.** Declarant may, from time to time, construct certain recreational facilities and/or amenities on portions of the Common Area owned or to be owned by the Community Association, and, in order to finance this construction and the development of the Subdivision in general, Declarant shall have the right to subject all or any portion of the Common Area and any improvements thereon to the lien of a mortgage on terms acceptable to Declarant in its sole discretion.

Section 4.3 Delegation of Use. Any Lot owner may delegate, in accordance with the Bylaws of the Community Association, his right of enjoyment to the Common Area, and facilities and amenities thereon, to the members of his family residing on the Lot or to (a) his tenant(s) actually occupying a residence on the Lot pursuant to a lease supplied to Declarant, and of which Declarant receives proper notice, pursuant to, and which otherwise complies with, Section 2.1 hereof, or (b) contract purchaser(s) who reside on the Lot, but membership in the Community Association cannot be shared with a tenant(s) or contract purchaser(s). Membership in the Community Association may not be conveyed separately from ownership of the Lot.

Section 4.4 Right of Entry. The officers, employees, agents and authorized representatives of Declarant, the Community Association and the Board shall be entitled to reasonable access to the individual Lots as may be required (a) in connection with the preservation of property on an individual Lot or in the event of an emergency or in connection with the maintenance, repairs or replacements within the Common Area or the remainder of the Subdivision, of any equipment, facilities or fixtures affecting or serving other Lots and/or the Common Area, or to make any alteration required by any governmental authority and (b) in connection with and related to the exercise and performance by Declarant, the Community Association or the Board of their respective rights and responsibilities pursuant to this Declaration, including, without limitation, the right of access to each Lot at reasonable times and intervals and in a manner which does not unreasonably interfere with the use thereof to inspect the Lot for purpose of verifying conformance with this Declaration, whether in connection with the construction of improvements thereon in accordance with Article 3 of this Declaration or otherwise.

Section 4.5 Assessments: Lien and Personal Obligation.

(a) **Payment.** Each Lot owner, except Declarant, by acceptance of a deed for the Lot, whether or not it shall be so expressed in such deed, covenants and agrees to observe and conform to, and to cause the residents of the Lot to observe and conform to, the provisions of this Declaration, and such Lot owner further covenants and agrees, and incurs an obligation, to pay to the Community Association, except as otherwise provided in this Declaration, (i) annual assessments or charges ("Annual Assessments"), and (ii) special assessments for capital improvements ("Special Assessments"), such assessments to be established and collected as provided in this Article 4. At the sole discretion and direction of Declarant or the Board, however, the Community Association may elect, from time to time, not to levy any assessment against one or more specific Lots conveyed to certain Builders (other than assessments with respect to such Builder's residence or sales office) until the first anniversary of such conveyance or the conveyance of the Lot by the Builder, whichever first occurs, or until such times as Declarant or the Board may elect.

(b) **Charge and Lien.** The Annual Assessments and Special Assessments, together with interest at the same rate prescribed or permitted under Section 2.6(b) hereof, or such other rate of interest as shall, from time to time, be determined by the Board not in excess of the maximum rate permitted by applicable law, and costs of collection and reasonable attorneys' fees (with such interest thereon), shall be a charge on the Lot and shall be a continuing lien upon the Lot against which each such assessment is made. Each such assessment, together with reasonable attorneys' fees, costs and such interest, shall also be the personal obligation of the person or entity which was the Lot owner of such Lot at the time when the assessment fell due, and the personal obligation for delinquent assessments shall pass jointly and severally on to such Lot owner's successor in title, regardless of whether expressly assumed by such successor, and such delinquent assessments shall remain a charge on and continuing lien against the Lot, which may be foreclosed by the Declarant or the Community Association in the manner prescribed by law.

Section 4.6 Purpose of Assessments.

(a) **Use.** The assessments levied by the Community Association shall be used as provided in this Declaration and otherwise to promote the recreation, health, safety and welfare of the residents and Lot owners in the Subdivision, and in particular for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose, and for the improvement, maintenance, use and enjoyment of the Common Area including, but not limited to, the cost of repairs, replacements and additions, the cost of utilities, labor, equipment, materials, management and supervision and other services, payment of taxes assessed against the Common Area, the procurement and maintenance of insurance in accordance with the Articles and/or Bylaws of the Community Association, the employment of attorneys to represent the Community Association when necessary and such other needs as may arise, and for the improvement and maintenance of the Common Area. The Community Association shall maintain, operate and repair, unless such obligations are assumed to the satisfaction of the Declarant by any municipal or governmental authority or agency

having jurisdiction thereof and are relinquished by the Community Association, the Common Area including all open spaces, landscaping, entranceways, streets, roadways, crosswalks, medians, storm drains, basins, lakes, recreational areas and facilities and amenities therein, if any;

(b) **Administration.** Until assignment of its rights hereunder to the Community Association, Declarant or its nominee shall administer the assessments and receipts therefrom, which may only be used for purposes permitted in this Declaration and/or the Articles and Bylaws of the Community Association.

Section 4.7 Initial Annual Assessment.

(a) **Initial.** For the calendar year 2007, the initial Annual Assessment shall be set at a rate of **\$480.00 per year- per Lot**, and shall be thereafter increased or reduced for each year as shall be determined by the Board. Four Hundred and Eighty Dollars (\$480.00) shall be due and payable upon the purchase of each Lot and shall be applied to the assessments due from such Lot owner.

(b) **Payment.** The Board may fix the amount of the Annual Assessment from time to time as provided above and shall determine when the Annual Assessments shall be paid.

Section 4.8 Special Assessments for Capital Improvements. In addition to the Annual Assessments, the Community Association may levy, in any assessment year, a Special Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area including personal property related thereto. Any such assessment shall have the assent of the members of the Community Association in accordance with the Bylaws of the Community Association.

Section 4.9 Uniform Rate of Assessment. Subject to Section 4.5 hereof, both Annual Assessments and Special Assessments shall be fixed at a uniform rate for all Lots, except (a) Lots located within an "Estate Section," if any, which may be assessed at a higher or lower rate than other Lots in the Subdivision, as provided on the Plat for such Section or in any Supplemental Declaration recorded with respect to such Section, and (b) Lots owned by Declarant or any of its affiliated persons or entities as determined by Declarant which shall be exempt from all such assessments. The Board and/or Declarant may at its respective discretion waive any assessment in whole or in part for any year or part of a year for any Lot not occupied as a residence.

Section 4.10 Date of Commencement of Annual Assessments: Due Dates. The Annual Assessments shall begin as to any Lot at the time the Lot is initially conveyed by Declarant to a person or entity other than any of Declarant's affiliated persons or entities as determined by Declarant, unless otherwise provided in the deed for such Lot. The first Annual Assessment for a Lot shall be adjusted according to the number of months remaining in the assessment year when the Lot is so first conveyed.

Section 4.11 Elect of Nonpayment of Assessments. Remedies of the Community Association. Any Annual Assessment or Special Assessment not paid by the due date shall bear interest from the due date at the same rate prescribed or permitted by Section 2.6(b) hereof. The Community Association may bring an action against the Lot owner(s) and/or persons personally obligated to pay such assessment, and/or may foreclose the lien against the Lot, and such interest, and costs and reasonable

attorneys' fees of such action and/or foreclosure shall be added to the amount of such assessments. No Lot owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of the Lot, or by claim of set-off.

Section 4.12 Subordination of the Lien to First Mortgage. Annual Assessments and Special Assessments shall constitute a charge upon each Lot, and the lien of such assessments shall be subordinate to the lien of any first mortgage encumbering a Lot in favor of a bona fide institutional lender, which mortgage encumbered the Lot prior to the due dates of any such assessments. Sale or transfer of any Lot shall not affect the assessment lien or other liens provided for in this Declaration.

Section 4.13 Membership, Power- of Attorney in Declarant. Declarant and every Lot owner of a Lot which is subject to an assessment shall be a member of the Community Association, as provided herein and in the Articles and Bylaws of the Community Association. Each such Lot owner and member shall abide by the Community Association's Articles of Incorporation recorded in the corporation records in the Office of the Clerk of Jefferson County, Kentucky ("Articles") and Bylaws, rules and regulations (as amended from time to time), shall pay the assessments provided for in this Declaration when due, and shall comply with decisions of the Board. Membership in the Community Association shall be appurtenant to and may not be separated from ownership of any Lot that is subject to assessment.

Section 4.14 Exempt Property. In addition to that property exempted above, the following property subject to this Declaration shall be exempt from the assessments, charges and liens created herein:

- (a) all easements or other interests therein dedicated and accepted by an applicable governmental authority or agency and devoted to public use; and
- (b) all of the Common Area.

Section 4.15 Lot Owner's Negligence. In the event that the need for maintenance, repair, or replacement of any property owned by Declarant, the Common Area, or any portion thereof is caused through or by the negligent or willful act or omission of any Lot owner, or by any member of a Lot owner's family, or by a Lot owner's tenants, guests, contractors, subcontractors, agents, or invitees, then same shall be a personal obligation of such Lot owner; and, if not repaid to the Declarant or Community Association, as the case may be, within thirty (30) days after the Declarant or Community Association gives notice to the Lot owner of the total amount or amounts due from time to time, then the sums due shall become a charge upon and lien against the Lot owner's Lot of equal priority to the lien for assessments provided for in this Article 4, and may be enforced in accordance with applicable law.

Section 4.16. Recorded Easements. The Common Area, and all portions thereof, shall be subject to any easements shown on any recorded Plat affecting the Common Area, or any portion thereof, and to any other easements of record, which shall include without limitation, use for construction, installation and repair of utilities, maintenance, encroachment, drainage, and ingress and egress as of the date of recordation hereof.

Section 4.17 Dedication. No common areas, open space, private roadways or islands in the right-of-way shall be dedicated to an unit of local government without the acceptance of the unit of local governmental involved and the approval of the Louisville Metro County Planning Commission. Anything to the contrary herein notwithstanding, the Community Association and the Lot owners shall be responsible for the maintenance of all open space, private roads (if applicable) and Common Areas, so long as the Property is used as a residential subdivision or until properly dedicated to a unit of local government. The Community Association cannot amend this Section 4.17 without approval from the Louisville Metro Planning Commission.

ARTICLE 5 - NO WARRANTIES

Section 5.1. "AS IS" Sales. All Lots within the Property are sold by Declarant in their "AS IS," "WHERE IS" condition. No warranty is made by Declarant of any kind, including, without limitation, any warranty regarding the market value of any Lot within the Subdivision or of any use of the Lot for any purpose. All Lots shall be offered and sold for future use in building a home and not as a business investment.

Section 5.2 Utilities. As of the recording of the Plat, certain of the utilities, including permanent electricity, water and sanitary sewer service may not be available.

ARTICLE 6 - SPECIAL PROVISIONS

Section 6.1 Shakes Run Recreation Association. Declarant and every owner of a lot in this Subdivision and which is subject to assessment shall be a member of a recreation association called the Shakes Run Recreation Association, Inc. ("Recreation Association"). Said owner and member shall abide by said Recreation Association's Articles of Incorporation, Bylaws and Rules and Regulations, shall pay the assessments provided for in this Declaration when due, and shall comply with decisions of the Recreation Association's Board of Directors. Conveyance of a lot (except a conveyance to a mortgagee) automatically transfers membership in the Recreation Association without necessity of further documentation. Membership shall be appurtenant to and may not be separated from ownership of any lot which is subject to assessment. The Recreation Association shall have two classes of voting membership as follows:

(a) Class A. Class A members shall be all owners of lots with the exception of Declarant and the declarant(s) or developer(s), as referred to in separate declarations, of the different residential subdivisions in the larger Shakes Run development.

(b) Class B. The Class B member shall include Declarant and the declarant(s) or developer(s), as referred to in separate declarations, of the different residential subdivisions in the larger Shakes Run development. The Class B membership of Declarant shall cease and be converted to Class A membership on the happening of any of the events specified in paragraph (c) below, whichever occurs earlier.

(c) Each member shall have one vote with respect to each lot owned by such member, but Class A membership shall not be entitled to exercise any vote until the earlier of

(i) when, in their discretion, all of the declarant/developer members so determine;

(ii) within 180 days following the date when percent (100%) of the lots which may be developed on the Property and in other residential subdivisions in the larger Shakes Run development have been sold by Declarant and the declarant(s) or developer(s) of the different residential subdivisions in the larger Shakes Run development; or

(iii) January 1, 2020.

The Recreation Association is separately created for the purpose of maintaining, operating and keeping in good repair the recreational facilities (clubhouse, swimming pool, etc.) that are or will be constructed on property located in a certain section of the overall Shakes Run development for the benefit of the owners of lots in several residential subdivisions of the overall Shakes Run development, including owners of lots in this Subdivision. The Recreation Association shall have all of the rights and obligations as further set forth in the Articles of Incorporation of the Recreation Association, especially with respect to the clubhouse, pool (if any) and other recreation facilities but also as respects signature entrance walls and related facilities for the benefit of the overall Shakes Run development, the location of which may be located elsewhere in the overall Shakes Run development on property either owned by the Recreation Association or on property to which the Recreation Association has been granted certain easement rights.

Each lot owner, except Declarant and the Recreation Association, by acceptance of a deed for a lot, whether or not it shall be so expressed in such deed, covenants and agrees to pay to the Recreation Association (i) annual assessments or charges and (ii) special assessments for capital improvements, such assessments to be established and collected as provided in this Article. The Declarant and declarants/developers of other subdivisions within the larger Shakes Run development shall be responsible for the maintenance costs of the Recreation Association incurred over and above assessed amounts payable to the Recreation Association by the lot owners, until Class B membership is converted to Class A membership pursuant to this Article. When Class B membership in the Recreation Association is converted to Class A membership, Declarant shall pay assessments to the Recreation Association for each lot Declarant owns in the same manner and amount as every other lot owner pays assessments. The annual and special assessments, together with interest, costs and reasonable attorney fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Such lien may be enforced by foreclosure in the manner that mortgages are foreclosed. Each such assessment, together with interest, costs and reasonable attorney fees shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due.

The personal obligation for delinquent assessments shall not pass to a successor in title unless expressly assumed by such successor.

The assessments levied by the Recreation Association shall be used exclusively to promote the recreation, health, safety and welfare of the members of the Recreation Association and, in particular, for the acquisition, improvement and maintenance of properties, services and facilities devoted to this purpose, including, but not limited to, signature entrance walls and the cost of repairs, replacements and additions, the cost of labor, equipment, materials, management and supervision, payment of taxes assessed against Recreation Association properties, the procurement and maintenance of insurance in accordance with the applicable Bylaws, the employment of attorneys, accountants and other professionals to represent the Recreation Association when necessary.

Until Class B membership ceases and is converted to Class A membership pursuant to this Article, the Recreation Association, and the assessments and receipts therefrom (which may only be used for permitted purposes) shall be administered by a Board of Directors comprised only of the Declarant and the declarants and developers of other residential subdivisions within the larger Shakes Run development. .

Until January 1, 2010, the initial annual assessment shall be set at a rate not to exceed \$175.00 per year for membership in the Recreation Association. From and after January 1, 2010, the maximum annual assessments may not be increased each year by more than twenty-five percent (35%) of the maximum annual assessments for the previous year without an affirmative vote of two-thirds of each class of members pursuant to the respective Bylaws.

The Board of Directors of the Recreation Association may fix the annual assessment at an amount not in excess of the maximum. The Board of Directors shall determine when the assessments shall be paid.

In addition to the annual assessments authorized above, the Recreation Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Recreation Association property, including signature entrance walls, fixtures and personal property related thereto. Any such assessment shall have the assent of the members of the Recreation Association in accordance with the Bylaws.

Both the annual and special assessments shall be fixed at uniform rates for all lots, except those owned by Declarant during the period when Class B membership exists in the Recreation Association, as provided in this Article. The Board of Directors of the Recreation Association may, at its discretion, waive an assessment for any year or part of a year for any lot not occupied as a residence.

The annual assessments provided for herein shall begin as to any lot subject to the assessment on the first day of the month next following the date on which title to the lot is conveyed to the owner, said annual assessment to be prorated for the number of months remaining in the year of closing. The Board of Directors of the Recreation Association shall determine the dates when assessments are due.

Any assessment not paid by the due date shall be subject to a late charge of ten (10) percent of the amount due for each month a payment is late or as otherwise determined by the Board of Directors of the Recreation Association. The Recreation Association may bring an action at law against the owner personally obligated to pay an assessment, or foreclose the lien against the property, and interest, costs and reasonable attorney fees of such action or foreclosure shall be added to the amount of such assessments. No owner may waive or otherwise escape liability for the assessment provided for herein by non-use of Recreation Association property or abandonment of such owner's lot.

The lien of the assessments provided for herein shall be subordinate to the lien of any first or second mortgage. Sale or transfer of any lot shall not affect the assessment lien or liens provided for in the preceding sections. However, the sale or transfer of any lot pursuant to a first or second mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer, and such sale or transfer shall not relieve a lot owner from liability for any assessments thereafter becoming due or relieve such owner of lot from the lien for any assessments thereafter becoming due.

Section 6.2 Maintenance of Trees along Property Lines. Trees located along the common property lines shall be maintained by the Lot Owner along whose lot such trees are located, except when said common property lines adjoin the Clubhouse and Pool in which case the trees shall be maintained by the Community Association.

Section 6.2 Entry Signage. Entry signage to the Subdivision shall be as located on the Plat and shall be maintained by the Community Association. No other signage, except as otherwise permitted in this Declaration, shall be allowed.

Section 6.3 Street Lights. Street lights as located throughout the Subdivision shall be of a "gas" coach lamp variety.

Section 6.4 Speed Control Devices. Declarant may install and the Community Association shall maintain speed humps or other pavement devices along the main Subdivision entrance road, as same may be permitted by law.

Section 6.5 Corner Lots. Houses constructed on corner lots, unless otherwise approved by the Declarant, shall be angled at 45%.

Section 6.6 Construction Period Trash Removal. During such time as a residence is under construction the Builder or lot owner shall continuously maintain a dumpster on the lot of purposes of maintaining control of debris and trash created onsite. Regular removal of debris shall take place throughout the construction period.

Section 6.7 Restriction on Sale of Lot. Each lot within the Subdivision has been sold to a Lot owner with the specific understanding that a singal

family residential home is to be constructed on the Lot within the time period set forth in Section 3(a)(iv) hereof. Accordingly, no Lot owner shall sell a Lot until such time as a house has been constructed or a contract to construct a house on said Lot has been entered into which necessarily includes the Lot..

Section 6.8 Mosquito Abatement program. In accordance with the approval of Docket No. 10-38-05 by the Louisville Metro Planning Commission and conditions of approval No. 19 imposed upon the approval of the subdivision, the Community Association shall, following release of the drainage bond, implement and maintain mosquito abatement techniques within the storm water detention and common areas of the subdivision. Accumulations of water in which mosquito larvae breed or have the potential to breed are required to be treated with mosquito larvacide approved by the Louisville Metro Health Department. Larvacides shall be administered in accordance with product labeling. The Community Association shall implement and maintain on an annual basis such measures as recommended by the Louisville Metro Health Department for the health and safety of its residents.

Section 6.9 Outer Buffer Zone. The Shakes Run Subdivision development plan provides for an "Outer Buffer Zone". In accordance with the approval of Docket No. 10-38-05 by the Louisville Metro Planning Commission and conditions of approval No. 14 imposed upon the approval of the subdivision, no permanent structures or impervious surface coverages of greater than 100 square feet are allowed in this zone as required in 4.8.6 of the Land Development Code.

Prior to seeking construction plan approval for lots 37 to 42, in Section 1, the Developer, builder, owner shall have representatives of LG&E field locate an existing underground gas transmission line. The lot owner shall grant LG&E an easement for the underground transmission line and work with LG&E to insure protection of the line or relocation, during site (lot) construction. Additional building setbacks will be provided to these lots in accordance with Chapter 5.3.1, C-4 of the Metro Land Development Code.

Section 6.11 Cemetary. There is a private cemetery located in Section 1. of Shakes Run Subdivision. It shall be the duty and responsibility of the developer and/or Community Association to maintain the cemetery as a private cemetery so long as it shall exist as a private cemetery.

Section 6.12 Adjoining Property Agricultural Use. That property adjoining the Shakes Run Subdivision identified as the "Heidi Sanner Property" as shown on Exhibit A attached hereto and made a part hereof, has been identified as having certain agricultural uses (bee keeping, and fowl raising) that may be objectionable to prospective buyers of lots within the Shakes Run development that abut said adjoining property. Lot owners are hereby put on notice of the existence and proximity of such use on said adjoining property. Prior to the sale of the lots that abut the "Heidi Sanner Property", Developer shall provide written notice to the prospective purchaser of such lots by providing them with a copy of these Declarations and a separate letter defining the use of the adjoining property.

ARTICLE 7-GENERAL PROVISIONS

Section 7.1 Enforcement.

(a) **Parties.** Enforcement of these restrictions shall be by proceeding at law and/or in equity, brought by Declarant and/or the Community Association, or, in the absence of any such action, by any Lot owner (although Declarant and/or the Community Association shall at all times have the superior right to bring and/or assume and control the course of, as applicable, any such proceeding) against any party violating or attempting to violate any covenant or restriction or other provision of this Declaration, either to restrain violation, to direct restoration and/or to recover damages. Failure of any Lot owner, Declarant or the Community Association to demand or insist upon observance of any of the provisions of this Declaration, or to proceed for restraint of violations, shall not be deemed a waiver of the violation, or of the right to seek enforcement of that provision in that or any other case. Any such Lot owner, Declarant and/or the Community Association enforcing this Declaration shall be entitled to recover all costs and expenses incurred in connection with such action, including, without limitation, court costs and reasonable attorney's fees. Any award of damages received by Declarant or the community Association in connection with any such action, and all costs and expenses incurred by Declarant or the Community Association in connection therewith, shall constitute a lien upon the Lot, of equal priority to the lien for assessments provided for in Article 4, and any award of damages received by any Lot owner in connection with any such action shall accrue to the sole benefit of the Community Association.

(b) **Liens.** All liens created and/or imposed against any Lot pursuant to the provisions of this Declaration may be enforced in accordance with the applicable provisions of Kentucky Law, including the judicial foreclosure thereof and sale of Lot encumbered thereby, with the Lot owner and any other persons responsible therefor remaining liable for any deficiency.

(c) **Owner Liability.** Each Lot owner (other than Declarant) shall be responsible and liable for any violations made or caused by such Lot Owner and every family member, agent, employee, contractor, material supplier, invitee, licensee, tenant, sub lessee and assignee of such Lot owner.

Failure of any party to demand or insist upon observance of any of these restrictions or covenants, or to proceed for a restraint of violations, shall not be deemed a waiver of the violation, or the right to seek enforcement of these restrictions.

Section 7.2 Severability. Invalidation of any provision of this Declaration by judgment or court order of a court of competent jurisdiction shall in no way affect any of the other provisions hereof, which shall remain in full force and effect, and such provision so invalidated shall remain in full force and effect in all permitted contexts.

Section 7.3 Declaration Runs With The Land.

(a) **Term; Amendment.** Unless cancelled, altered or amended under the provisions of this Section 7.3, the provisions of this Declaration shall run with the

land and shall be binding on the Lots, the owners of each Lot and all parties claiming under them, for a period of fifty (50) years from the date this Declaration is recorded. After such fifty (50) years, this Declaration shall be deemed extended automatically for successive periods of ten (10) years, unless and until an instrument signed by at least seventy-five percent (75%) of the Lot owners of the Lots subject to this Declaration has been recorded in the aforesaid Clerk's Office, agreeing to change this Declaration in whole or in part and the terms hereof, provided, however, that if Declarant, its designated successors or assigns then owns any Lot or any portion of the Subdivision, or if any portion of the Subdivision remains unplatted as a Section, this Declaration may not be so changed in whole or in part without the prior written consent of Declarant in its sole discretion. From the date of this Declaration and for so long hereafter as Declarant, its designated successors or assigns owns any Lot or any portion of the Property (i) this Declaration may hereafter be unilaterally amended by Declarant to bring the terms and provisions hereof in compliance with any applicable governmental law, rule, regulation, order, decree, judgment or ordinance, and (ii) Declarant may otherwise unilaterally amend this Declaration as Declarant may elect in its sole discretion, provided, that any such amendment under this subpart (ii) shall not materially adversely affect the then existing private single-family residential nature of the developed Sections of the Subdivision. At such time as neither Declarant nor its designated successors or assigns owns any Lot or any portion of the Subdivision, or upon such earlier date as Declarant may elect in its sole discretion by written notice given to the Board, this Declaration may thereafter be cancelled, altered or amended by the recordation of a document in the aforesaid Clerk's Office in which the Board certifies that such cancellation, alteration or amendment was executed by the owners of seventy-five percent (75%) of the Lots subject to this Declaration.

(b) Easements and Rights Unaffected. Notwithstanding any other provision of this Declaration, no cancellation, alteration or amendment of this Declaration shall in any event (i) affect or impair the rights, privileges or easements granted pursuant to this Declaration in favor of Declarant, its successors and assigns, the utilities mentioned, (e.g., LG&E, MSD and Bell) or any other person or entity other than the Lot owners, without express written consent of the foregoing entities and such other persons and entities benefited thereby, or (ii) change the method of assessment or the obligations or duties of the Community Association without the prior written consent of Declarant in its sole discretion.

(c) Assignment of Rights and Grant of Proxy. Until the Declarant or its successors or assigns, as the developer of the Subdivision, no longer owns any Lots or Sections of the Subdivision, and for so long as any portion of the Property remains unplatted as Sections by Declarant, or until Declarant shall otherwise declare, each Lot owner, by the acceptance for a deed for such Lot, does automatically and irrevocable appoint the Declarant as the attorney-in-fact and proxy for such Lot owner, in the name and stead of such Lot owner, (i) to act for such Lot owner in executing any document or taking any action to amend this Declaration and/or the Articles or Bylaws of the Community Association, as applicable, and (ii) otherwise to exclusively exercise all rights of such Lot owner to vote as a member of the Community Association on all matters coming before the members of the Community Association, and to cast such vote

as Declarant sees fit in its sole discretion. All actions so taken by the Declarant as such attorney-in-fact and proxy shall be fully binding upon the Lot owner as if taken by the Lot owner in its, his or her own name without acting through an attorney-in-fact and proxy. Such irrevocable appointment of Declarant as attorney-in-fact and proxy for each such Lot owner is a power coupled with an interest.

Section 7.4. Non-Liability of the Directors and Officers. Neither Declarant, its directors or officers, nor the directors or officers of the Community Association, shall be personally liable to any of the Lot owners for any mistake of judgment or fact or for any other acts or omissions of any nature whatsoever while acting in their official capacity, except for any acts or omissions found by a court of competent jurisdiction to constitute gross negligence or actual fraud. The Lot owner shall indemnify and hold harmless each of the directors and officers of the Community Association and their respective, heirs, executors, administrators, personal representatives, successors and assigns, for acts or omissions of any nature whatsoever while acting in their official capacity and otherwise in accordance with the Articles and/or Bylaws of the Community Association.

Section 7.5. Binding Determination. In the event of any dispute or disagreement with or between any Lot owner(s) relating to, or of any other disputes, disagreements or questions regarding, the interpretation or application of the provisions of this Declaration or the Articles or Bylaws of the Community Association, the determination thereof (a) by Declarant for so long as Declarant or any of its affiliated persons or entities owns any Lot or any portion of the Subdivision, and (b) thereafter by the Board shall be final and binding on each and all such Lot owners.

Section 7.6 Community Association Easements. Declarant hereby grants and conveys to the Community Association an easement in, on, under, over, above, across and through the entirety of the Property for the use and benefit of the Community Association in order to permit the Community Association in or upon such portions of the Property as are reasonably necessary to discharge the rights and obligations of the Community Association enumerated in this Declaration, which shall be exercised only to the extent reasonably necessary and appropriate to discharge those obligations.

Section 7.7 Incorporation by Reference on Resale. Upon the sale or other transfer of any Lot, any deed purporting to effect such transfer shall contain an provision incorporating by reference the covenants, conditions, restrictions, charges, liens, assessments and other provisions set forth in this Declaration; provided, however, that the failure of any such deed to contain such provision shall not be deemed to release the Lot conveyed thereby from the effect of this Declaration.

Section 7.8 Notices. Upon purchase of any Lot, the purchaser thereof shall notify Declarant and the Community Association in writing, sent to the address of Declaration set forth above (or to such other address or to such other entity as shall be designated by Declarant and/or the Community Association, whether by notice to Lot owners or by the filing of a statement and/or declaration in the aforesaid Clerk's office), of such purchase and shall set forth in writing the then existing address of such purchaser and the Lot purchased. Any notice required to be sent to any Lot owner pursuant to the provisions of this Declaration shall be deemed to have been properly given upon personal delivery, or when mailed, by ordinary mail, post-paid, to the last known address of the person or entity which appears as the Lot owner on the records of Declarant or of the

Community Association at the time of such mailing, or as specified on the deed of the Lot to such Lot owner.

Section 7.9 Exhibits. All exhibits attached to this Declaration and referred to herein as designated Exhibits are hereby incorporated herein above the signature lines hereof.

Section 7.10 Captions and Headlines. All captions and headings used in, and the title page and table of contents of, this Declaration are for convenience of reference only and shall not affect the interpretation of the provisions hereof.

Section 7.11. Additional Rights of Declarant. Notwithstanding any provisions contained in this Declaration to the contrary, so long as Declarant or any of its affiliated persons or entities owns any Lots or other portions of the Subdivision, it shall be expressly permissible for Declarant to maintain and carry on upon portions of the Common Area and facilities thereon, such activities, as, in the sole opinion of Declarant, may be reasonably required, convenient or incidental to the construction, development, improvement and marketing of Sections and Lots within the Subdivision, including, without limitation, business offices, signs and sales offices, and Declarant shall have an easement for access to such facilities. The right to maintain and carry on such activities shall include specifically the right to use any facility which may be owned by the Community Association or otherwise be located on the SHAKES RUN Common Area for such Purposes. Further, no person or entity shall be entitled to use the words "SHAKES RUN", "SHAKES RUN Subdivision", "SHAKES RUN Community Association," "SHAKES RUN Development," or any derivative of any of the foregoing, or logos used in connection therewith, in any printed, radio or television advertisements or programming, or other promotional materials, without prior written consent of Declarant and its sole discretion; provided, however, that the Lot owners may use the terms "SHAKES RUN ", "SHAKES RUN Subdivision" and the like in printed or promotional matter where such term is used solely to specify that that particular Lot is located within the Subdivision.

Section 7.12 Reservation of Easement. Declarant hereby reserves, grants and conveys unto itself, its successors and assigns, a perpetual easement five (5) feet in width within and along the boundaries of each Lot plus rights of ingress and egress and access on and over each Lot to such easement, for utility services, access, drainage, construction, grading and fill, and any other use as Declarant shall determine in its reasonable discretion, which easement is reserved granted and conveyed for the benefit of Declarant, its successors and assigns, and of any Lot or other portion of the Subdivision, and other persons or entities, selected by Declarant in its sole discretion; provided that sidewalks, driveways and other structures approved pursuant to Article 3 above, and utilities to serve such Lot, shall be permitted to cross such easement.

Section 7.13. Declarant's Rights to Complete Development. No provision of this Declaration shall be construed to prevent or limit Declarant's rights to complete the development, construction, promotion, marketing, sale and leasing of Lots developed from the Subdivision and other portions of the Subdivision; to construct or alter improvements on any real property owned by Declarant or any of its affiliated persons or entities as determined by Declarant, within the boundaries of the Subdivision; to maintain model homes, offices for construction, sales or leasing, purposes or similar facilities on

any property owned by Declarant or owned by the Community Association within the boundaries of the Subdivision; or to post signs incidental to the development, construction, promotion, marketing, sale and leasing of the Subdivision. Nothing contained in this Declaration shall limit the rights of Declarant or require Declarant to obtain approval for any matters whatsoever, including, without limitation, to: (a) excavate, cut, fill or grade any property owned by Declarant or to construct, alter, remodel, demolish or replace any improvements to any portion of the Common Area or any property owned by Declarant; or (b) use any structure on any portion of the Common Area or any property owned by Declarant as a construction, model home or real estate sales or leasing office. Nothing in this Section 7.13 shall limit or impair the reserved rights of Declarant as elsewhere provided in this Declaration, and Declarant and any successor or assign of Declarant acting in the same capacity as developer of the Subdivision shall be generally exempt from the application of the covenants, conditions and restrictions imposed by this Declaration except as it may from time to time elect in writing in its sole discretion.

Section 7.14 Declarant's Approval of Conveyances of Changes in Uses of Common Area. The Community Association shall not, without first obtaining the prior written consent of Declarant, convey, mortgage, change or alter the use of the Common Area.

Section 7.15 Reservation of Additional Easements, Exceptions, and Exclusions. Declarant reserves to itself and hereby grants to the Community Association the concurrent right to establish, from time to time, by declaration or otherwise, utility and other easements, permits, or licenses over the Common Area for purposes including, but not limited to, streets, paths, walkways, drainage, recreation areas, parking areas, ducts, shafts, flues, conduit installation areas, and to create other reservations, exceptions, and exclusions consistent with the ownership of the Subdivision and the Property for the best interests of Lot owners and the Community Association, in order to serve the Lot owners within the Subdivision as initially built and expanded. Declarant further reserves the right to establish from time to time, by dedication or otherwise, utility and other easements, and to create other reservations, exception, and exclusions convenient or necessary for the use and operation of any other property of the Declarant, as long as it does not unduly hamper the enjoyment of the Lots by the Lot owners.

Section 7.16 Drainage Easement. An easement is hereby reserved to the Declarant and granted to the Community Association and their respective officers, agents employees, successors, and assigns to enter upon, across, over, in, and under all Lots and any portion of the Common Area for the purpose of changing, correcting, or otherwise modifying the grade or drainage channels of the Common Area so as to improve the drainage of water on the Common Area. Reasonable efforts shall be made to use this easement so as to disturb as little as possible the uses of the Lot owners of their Lots, to prosecute such drainage work promptly and expeditiously, and to restore any areas affected by such work to a useable condition as soon as reasonably possible following such work.
