Section 2.04. Withdrawal. Declarant reserves the right to unilaterally amend this Declaration at any time and for any reason for the purpose of removing any portion of the Property (including, without limitation, Lots and Common Property) without notice and without the consent of any person or entity whatsoever, other than the owner of the portion of the Property to be withdrawn or the District, if consent by the District is required; provided, however, that no such withdrawal may impair vehicular or other access to any Lot as established by the applicable recorded Plat.

ARTICLE III

CONVEYANCE OF ASSOCIATION PROPERTY

Section 3.01. Title To The Association Property. To the extent herein provided, the Association Property is hereby dedicated to the joint and several use in common of the Owners of all Lots that may, from time to time, constitute part of the Property. Upon the completion of construction of a Home on each Lot located within the Property and any Additional Property to be added by Declarant, or at such earlier time determined by Declarant, in Declarant's sole discretion, the Declarant or its successors and assigns shall convey and transfer to the Association, by quit claim deed, the fee simple title to the Association Property free and clear of any liens, and the Association shall accept such conveyance, holding title for the Owners as aforementioned. Such conveyance shall be subject to any real estate taxes and assessments due with respect to such Association Property from and after the date of recording this Declaration; any covenants, conditions, restrictions, permits, reservations and limitations then of record; the easements herein set out; any zoning ordinances then applicable; and this Declaration, as the same may be amended from time to time.

Section 3.02. Acceptance of Association Property. At the time of conveyance of the Association Property or any portion thereof, the Association shall be required to accept such Property and the personal property, if any, and Improvements appurtenant thereto. The Association hereby agrees to accept the Association Property and the personal property and Improvements appurtenant thereto in "AS IS" "WHERE IS" condition, without any representation or warranty, expressed or implied, in fact or by law, as to the condition or fitness of the Association Property or any portion thereof, and the personal property and Improvements appurtenant thereto.

The Association shall accept any such conveyance of the Association Property and shall pay all costs of such conveyance including documentary stamps and other taxes of conveyance, recording charges, title insurance expenses and insurance fees. The conveyance shall not, however, impair in any way the Declarant's rights and easements as set forth in this Declaration.

The Owners (including Declarant as to Lots owned by it) shall have no personal liability for any damages for which the Association is legally liable or arising out of or connected with the existence or use of any Association Property or any other property required to be maintained by the Association.

Subject to the foregoing, the Declarant may mortgage any or all portions of the Association Property to finance construction and development expenses, provided that the mortgagee recognizes the rights of Owners under this Declaration and neither the Association nor any Owner is personally liable for paying the mortgage. In such event, neither the Association nor the Owners shall be required to join in or be entitled to consent to such mortgage. The Association Property shall be released from any such mortgage no later than the date of conveyance to the Association.

ARTICLE IV

PROPERTY RIGHTS IN THE COMMON PROPERTIES AND PROPERTY

Section 4.01. Easements. The Association, Declarant and each Owner shall each have a non-exclusive right and easement of use and enjoyment in and to the Common Property. Said right and easement shall be appurtenant to and pass with the title to each Lot, and shall include, without limitation, the following:

A. Right-of-way for ingress and egress by vehicles and on foot through and across any Streets or walks in the Common Property for all lawful purposes; and

B. Rights to connect to, maintain and make use of Utility Systems, wires, pipes, conduits, cable television lines, telephone lines and equipment, sewers and drainage lines, which may from time to time be in or within the vicinity of the Common Property, but only in accordance with all laws and the requirements of the applicable Governmental Authorities or entities which regulate said utilities; and

C. Every Owner and family member, guest, lessee, agent or invitee of an Owner shall, except as may otherwise be provided in this Declaration, have a permanent and perpetual, nonexclusive easement for ingress and egress over, enjoyment in, and use of the Common Area within the Property, except as may otherwise be specifically provided elsewhere in this Declaration, in common with all other Owners, their family members, guests, lessees, agents and invitees, located outside another Owner's Home which easement shall be appurtenant to, and shall pass with title to each Owner's Lot. The exercise of these rights and interests shall be subject to and subordinate to the terms and provisions of the Declaration, the Articles, the Bylaws, any recorded Plats, the Rules and Regulations, and applicable laws.

Section 4.02. County Easements. The County is hereby granted and shall have a perpetual non-exclusive easement over: (i) to the extent the Community includes private roads, the private roadway easement area for access thereto to operate, maintain, or repair any utilities located under said private roadway easement area; and (ii) Common Area tracts for access thereto to operate, maintain, or repair any utilities located under said Common Area. In addition to the foregoing, the County, as a granted perpetual non-exclusive easement, shall be entitled to access

and use any utility easements for maintenance and repair of any utilities on or about the Property. The granting of the foregoing easements or any others herein, or via the Plat, to the County does not impose any obligation, burden, responsibility or liability upon the County to enter upon the subject property and take any action to repair or maintain the system unless otherwise stated herein or thereon.

Section 4.03. Title to Common Property. In accordance with the requirements set forth in Section 4.03, Declarant shall convey to the Association or, if required by the local government incidental to the establishment of an MSTU/MSBU as described in Section 4.08, dedicate to the local government for the uses and purposes set forth in this Declaration or in any Plats, fee-simple title in and to the Common Property, free and clear of all encumbrances except current real estate taxes and assessments not yet due and payable, any Plats, this Declaration and any easements or matters recorded in the public records prior to such conveyances to the Association. Once conveyed to the Association, the Common Property may not be mortgaged, liened or further conveyed without the consent of at least two-thirds (2/3) of the Members (excluding Declarant).

Section 4.04. Limited Common Area. Certain portions of the Community may be designated by Declarant in its sole and absolute discretion as Limited Common Area and reserved for the exclusive use or primary benefit of the Owners, occupants and invitees of certain Lots. By way of illustration and not limitation, Limited Common Areas may include entry features, recreational facilities, landscaped medians and cul-de-sacs, and lakes. Except as otherwise provided herein, all costs associated with the maintenance, repair, replacement, and insurance of Limited Common Areas shall be Limited Common Expenses to be assessed against and paid by the Owners of those Lots to which the Limited Common Area is assigned. Declarant reserves the right in its sole discretion to designate any initial or additional Limited Common Areas and assign the exclusive use thereof in Supplemental Declaration(s), the deed conveying the Common Area to the Association, or on the Plat relating to such Common Area; provided, any such assignment shall not preclude the Declarant from later assigning use of the same Limited Common Area to additional Lots, so long as the Turnover Meeting has not occurred. Any matter arising under this Declaration and pertaining to the Limited Common Area and requiring a vote of Members, shall be decided by a vote of only those Members that have been identified by Declarant as being authorized and entitled to utilize and realize the benefits of the Limited Common Area. The Association may adopt Rules and Regulations which govern, among other things, the use of the Limited Common Area. Prior to the Turnover Meeting, the Declarant, shall have the right in its sole discretion to convey additional real estate, improved or unimproved and/or personal property as additional Limited Common Area which conveyance or dedication to the Association shall be accepted by the Association and thereafter shall (except as may otherwise be set forth herein) be maintained by the Association at Limited Common Expenses.

Section 4.05. Extent of Easements. The rights and easements in and around the Common Area created in this Article IV shall be governed by the following:

A. Subject to any rights of Declarant, Builders and the Owners set forth in this Declaration, except as to any part of the Common Property that is required to be conveyed to local government, the Association shall be responsible for the exclusive operation, management, administration, control, maintenance, repairing, replacing and insuring of the Common Property;

B. Declarant, until conveyance of fee-simple title to the Association, and the Association thereafter, may reserve unto itself or grant or dedicate to Declarant, any Owner, any Governmental Authority and/or to any utility companies, easements and rights-of-way, over, under, in or through the Common Property for installation, use, maintenance, repair, replacement, and inspection of utility lines and appurtenances for public or private utilities, surface water drainage improvements and areas, or for completion of the development of the Property. No Improvements or materials may be placed upon any such easements which may damage or interfere with the installation, maintenance, repairing or replacement of such utilities or the easement area or that may alter or impede the direction or flow of drainage, or that may interfere with completion of development of the Property;

C. The right of the Association to establish, amend and/or abolish from time to time, uniform rules and regulations pertaining to the use of the Common Area through an affirmative vote of two-thirds (2/3) of the Board of Directors at a Board of Directors meeting called for that purpose.

D. The right of the Association in accordance with its Articles, Bylaws, and this Declaration, with the affirmative vote of two-thirds (2/3) of the Board of Directors, to borrow money for the purpose of improving the Common Area and facilities thereon, and, in aid thereof, to mortgage, pledge, or hypothecate any or all of its real or personal property or pledge Assessments as security for money borrowed or debts incurred, provided that the rights of such mortgagee shall be subordinated to the use rights of the Owners.

E. The right of the Association to dedicate, release, alienate or transfer all or any part of the Common Area to any public agency, authority, or utility for such purposes and subject the Common Area to such conditions as may be agreed to by the Association. No such dedication, release, alienation or transfer shall be effective unless Members entitled to cast two-thirds (2/3) of the total voting interests agree to such dedication, release, alienation, or transfer.

F. The right of the Association to, without any vote of the Owners, grant easements and rights of way or strips of land, where necessary or desirable, for utilities, water and sewer facilities, cable television, and other services over the Common Area to serve the Common Area and other portions of the Property.

G. The right of Declarant, Declarant's affiliates, Builders and each of their respective officers, directors, partners, employees, agents, licensees, and invitees to the nonexclusive use of the Common Area within the Property and the facilities thereon, without charge, for sales, marketing, display, access, ingress, egress, construction, and exhibit purposes and to grant (without consent of the Association and/or vote of the Owners) easements and rights-of-way as provided in this Declaration.

H. The right of the Association and Declarant and their respective employees, agents, licensees, and invitees to come upon the Property (including, without limitation, Common Area as well as a Lot even after the same has been conveyed to an Owner) as may be necessary or convenient for the Association and/or the Declarant to carry on its respective duties, obligations, responsibilities under, and all other work referred to in, this Declaration (including, without

limitation, Declarant's and/or Builders' development and construction of the Community and Homes therein).

- I. Declarant's rights reserved in this Declaration;
- J. Matters shown in the Public Records or on any recorded Plats; and
- K. Applicable laws.

Section 4.06. Additional Easements over Common Property.

A. Declarant hereby creates, reserves and declares to exist, the following licenses, rights, privileges and easements over, under, in and through the Common Property, subject at all times to the terms and conditions of the Permit and subject to receiving prior written approval of the District as to any activities that may affect or may occur on or within the Stormwater Management System and the Conservation Area, including, but not limited to, any upland buffers: (i) rights-of-way and easements to install, maintain and use electric, lighting, telecommunications, cable television, telephone, gas, water, sewer, drainage and utility poles, wires, cables, conduits, fixtures, pipes, meters, equipment, facilities, ponds, swales, berms or ditches, and such other equipment and improvements necessary, convenient, or desirable for the completion, marketing, use and enjoyment of the Property; (ii) the right to cut trees, bushes or shrubbery, make any gradings of the soil, and take any similar action reasonably necessary to provide economical and safe utility and drainage installation or to maintain reasonable standards of health, convenience, safety and appearance; (iii) the right to locate thereon wells, pumping stations, lift stations and irrigation systems and lines; (iv) easements of ingress, egress and access for purposes of development, construction, (for the purposes of this Section the term "construction" shall be construed in the broadest terms to include all construction activities and related and ancillary activities necessary, desirable, economical, effective, or desirable for construction of Improvements within the Community), sales and marketing of the Property; and (v) such other rights as may be reasonably necessary, convenient or desirable to complete in an orderly and economic manner the development and sale of the Property including, without limitation, the maintenance of temporary signage and trailers used in such development and sales efforts; provided, however, that said reservation and right shall not be considered an obligation of Declarant to provide or maintain any such easements, utilities, equipment, improvements or services. Declarant also reserves the right to connect with and make use of the utility lines and drainage improvements which may from time to time be in or along the Streets or within the Common Property or any easements as shown on any recorded Plats or as otherwise properly established. The easements and rights-of-way herein reserved: (y) shall continue in existence in favor of Declarant after conveyance of the Common Property to the Association or dedication to the local government or appropriate Governmental Authority until such time as Declarant has sold all Lots in the Property; and (z) shall continue in favor of Declarant until such time as any lands separately developed by Declarant and located adjacent to the Property have been conveyed to unrelated third-parties; provided, however, that such unrelated third-party is not a Builder, contractor or other party who purchases or hold the title to property for the purpose of constructing a Home thereon for resale.

Section 4.07. Delegation. Any Owner (including Declarant) may grant the benefit of any easement, right or privilege to tenants and guests for the duration of their tenancies or visits, but the same shall not be construed to create any rights in the general public or any other party.

Section 4.08. MSTU/MSBU. Declarant or the local government may establish a municipal service taxing unit, municipal service benefit unit, or similar mechanism (referred to in this Declaration as “**MSTU/MSBU**”), which MSTUs/MSBUs will have responsibilities established in their enabling resolutions. By way of example, and not limitation, an MSTU/MSBU may be established to provide for any one or more of the following: (a) operation, management, administration, maintenance, repair, and replacement by the local government of any of the Common Property, and any recreational, drainage or other improvements whatsoever at any time located thereon, for the uses and purposes set forth in this Declaration or in any applicable recorded Plat, which may or may not include a requirement that ownership of the affected lands and Improvements be transferred to the local government; (b) construction, maintenance, repair, replacement, or improvement of recreation, drainage, sidewalk, wall, landscaping, open space, conservation, or other areas, improvements or facilities, in, on, under or within the Common Property or any easement areas for the use and benefit of the Property and the occupants thereof; and (c) construction, operation, maintenance, repair and replacement of street lighting or any other service or benefit to or for the Property authorized under the terms of this Declaration, the MSTU/MSBU, or by the applicable Governmental Authority. Notwithstanding the foregoing, the Association may elect, from time to time, to aesthetically maintain any property otherwise maintained or to be maintained by the MSTU/MSBU and if Association does so, no Owner or Member, as a result thereof, shall thereby receive or be entitled to a discount for any ad valorem taxes or Assessments assessed by or in connection with the MSTU/MSBU. If established, each Owner and Member acknowledges and agrees that the costs incurred by the MSTU/MSBU may be billed directly to the Owners or to the Association for subsequent Assessment to the Owners and Lots.

Section 4.09. Conservation Easement Area(s). Pursuant to and as and to the extent required by the Permit, the District, or any Governmental Authority, from time to time, Declarant will record in the Public Records, one or more conservation easements (collectively, “**Conservation Easement**”), in favor of the District or any applicable Governmental Authority over, across, and upon certain portions of the Property. The precise metes and bounds legal description of the portions of the Property encumbered by a Conservation Easement shall be as specifically set forth in the subject Conservation Easement (all such portions of the Property that are or become encumbered by a Conservation Easement shall hereinafter be referred to as “**Conservation Areas**”). Upon establishment of any Conservation Easement, the Conservation Areas shall be subjected to the restrictions set forth in the subject Conservation Easement. The Conservation Areas, or the Association’s interest therein, shall be Common Area and the Conservation Areas shall be the perpetual responsibility of the Association, and may in no way be altered from their natural state, except as specifically provided in the subject Conservation Easement. Furthermore, the use and development of the Conservation Areas shall be restricted as set forth in the subject Conservation Easement. Declarant hereby reserves for itself, its successors and assigns, and grants to the Association and its designees, a perpetual, nonexclusive easement over and across all areas of the Stormwater Management System for the drainage of stormwater from the Property. Portions of the Stormwater Management System may be located entirely within Lots.

Section 4.10. Conservation Easement Maintenance. The private access easements and private drainage easements encumbering any Common Areas, along with all private access and drainage easements encumbering any Common Areas or Lots, all as depicted and set forth on any recorded Plat, shall be perpetually maintained by the Association, at Common Expense, as Common Area pursuant to the terms hereof. The area of each Lot included within any private drainage easements encumbering said Lot, all as depicted and set forth on any recorded Plat, shall be maintained continuously by the Owner of the Lot, except as may be provided herein to the contrary. No structure, improvement, tree, landscaping, fence, or other material may be placed or permitted in any areas encumbered by any private access easements, private drainage easements, or private access and drainage easements, and no construction, clearing, grading or alteration to any such areas shall be permitted, that will or may interfere with or prevent the use of the subject easement for its express and intended purpose.

Section 4.11. Grant and Reservation of Easements. Declarant hereby reserves and grants the following perpetual, nonexclusive easements over and across the Property as covenants running with the Property for the benefit of the Owners, the Association and Declarant as hereinafter specified for the following purposes:

(1) **Utility and Services Easements.** All of the Property shall be subject to an easement or easements to provide for: (i) installation, service, repair and maintenance of the equipment required to provide utility services to the Property and the Lots and Homes, including, but not limited to, power, lights, telephone, cable television, gas, water, sewer, irrigation and drainage, and (ii) governmental services, including, but not limited to, police, fire, health, sanitation and other public service personnel, including reasonable rights of access for persons and equipment necessary for such purposes for the benefit of the appropriate utility companies, agencies, franchises or governmental agencies.

(2) **Easement for Encroachment.** All of the Property shall be subject to an easement or easements for encroachment in favor of each Owner in the event any portion of such Owner's Home or appurtenant Improvements installed by Declarant such as a fence, stucco, underground footer or sidewalk, now or hereafter encroaches upon any of the Lots as a result of minor inaccuracies in survey or construction, by design, or due to settlement or movement. Such encroaching Improvements installed by Declarant shall remain undisturbed for so long as the encroachment exists. Any easement for encroachment shall include an easement for the maintenance and use of the encroaching Improvements in favor of the Owner thereof or such Owner's designees. Such encroachment will likely constitute a violation of the County's regulations. The County does not expressly or by implication authorize such encroachment. This Section does not limit the County's ability to pursue all available remedies to prevent or remove such encroachments. The County will not permit or allow such encroachments into any easement of land dedicated to or owned by the public for utility, drainage or roadway purposes.

(3) **Easement to Enter Upon Lots and Homes.** An easement or easements for ingress and egress in favor of the Association, including the Board or the designee of the Board, to enter upon the Lots for the purposes of fulfilling its duties and

responsibilities of ownership, maintenance and/or repair in accordance with the Governing Documents, including, by way of example, the making of such repairs, maintenance or reconstruction as are necessary for the Common Area and to maintain any Lot in the event the Owner thereof fails to do so.

(4) **Easement for Roof Overhang.** An easement or easements, as shown on the Plat and Additional Plat, if any, to provide for the roof overhang of a Home in favor of the Owner thereof, including rights of access for persons or equipment necessary to maintain, repair and replace such roof overhang.

(5) **Irrigation Easement.** An easement for irrigation over, under and upon the Property, including each of the Lots, in favor of the Association and each Owner, including, but not limited to, reasonable rights of access for persons and equipment to construct, install, maintain, alter, inspect, remove, relocate and repair the irrigation pipes.

(6) **Plat Easement(s).** The Plat and/or Additional Plat, if any, may contain additional easements not discussed herein, granted in favor of the Association, Owners or others, for the specific purposes as described therein.

Section 4.12. Access Easement. Declarant hereby reserves perpetual, nonexclusive easements of ingress and egress over and across: (i) any and all streets dedicated to the public use, if any (as well as alcoves, cul de sacs, and other private, paved areas abutting or serving the same), and (ii) any private roads and driveways, if any, within or upon the Property and all other portions of the Property which are necessary or convenient for enabling Declarant to carry on the work referred to in this Declaration. All of the foregoing easements shall be for the use of Declarant, Builders, Declarant's employees, contractors and agents, Declarant's successors and assigns, the Owners, and the respective lessees, employees, agents, invitees, and licensees of Declarant and the Owners.

Section 4.13. Assignments. The easements reserved hereunder may be assigned by Declarant or the Association in whole or in part to any city, county or state government or agency thereof, or any water management district, or any duly licensed or franchised public utility, or any other designee of Declarant. Declarant shall have and hereby reserves the right to grant and/or reserve additional easements over, under and upon the Property or portions thereof (including the portion of Lots where no physical structure of the Home is located) which may be necessary or desirable by Declarant. The Owners hereby authorize Declarant and/or the Association to execute, on their behalf and without further authorization, such grants of easement or other instruments as may from time to time be necessary to grant easements over and upon the Property or portions thereof in accordance with the provisions of this Declaration.

Notwithstanding anything in this Declaration to the contrary, the easement rights granted or reserved by Declarant hereunder are not to be construed as creating an affirmative obligation to act on the part of Declarant.

Section 4.14. Declarant's Rights. Declarant, its successors and assigns shall have the unrestricted right, without approval or joinder of any other person or entity: (i) to designate the use of, alienate, release, or otherwise assign the easements shown on the Plat of the Property or

described herein, (ii) to plat or replat all or any part of the Property owned by Declarant, and (iii) to widen or extend any right of way shown on the Plat of the Property or convert a Lot to use as a right of way, provided that Declarant owns the lands affected by such change. Owner of Lots subject to easements shown on the Plat of the Property shall acquire no right, title, or interest in any of the cables, conduits, pipes, mains, lines, or other equipment or facilities placed on, over, or under the easement area. The Owners of Lots subject to any easements shall not construct any improvements on the subject easement areas, alter the flow of drainage, or landscape on such areas with hedges, trees, or other landscaping items that might interfere with the exercise of the easement rights. Any Owner who constructs any improvements or landscaping on such easement areas shall remove the improvements or landscape items upon written request of Declarant, the Association, or the grantee of the easement.

Section 4.15. Model Row. Declarant hereby reserves the right for Builders to construct and/or operate a “model row(s)” in the Community. The “model row(s)” may contain models for the Community or other communities, as Declarant and/or any of Declarant's affiliates may so determine, in their sole discretion. The “model row(s)” may also contain parking, landscaping and fencing across the roads within the Community as Declarant may determine in its sole discretion. In the event that Declarant or any Builders constructs a “model row(s)” in the Community, such “model row(s)” may be used for such period of time that Declarant or any Builder determine to be necessary, in their sole judgment. Builders may use any model home(s) for a sales office and/or a construction office. By the Owner's acceptance of a deed for a Lot and Home in the Community, such Owner agrees and acknowledges that: (i) Declarant and Builders have a right to construct and/or operate a “model row(s)”; (ii) Declarant and Builders have an easement over the Community for ingress and egress to and from the “model row(s)” and to use and show the models to prospective purchasers in the Community or other communities being developed by Declarant and Builders, as long as such “model row(s)” exists; and (iii) the Owner shall not interfere in any manner whatsoever in the sales process by Declarant or Builders, including, without limitation, the carrying of signs, the posting of signs on Lots or Homes or other types of demonstrations in the Community or any public right-of-way adjacent to the Property. Each Owner acknowledges and agrees that any such activities interfere with the quiet enjoyment of the Community by the other Owners, are detrimental to the value of the Homes within the Community, and interfere with Declarant's and/or its affiliates ability to conduct their respective business.

ARTICLE V

THE ASSOCIATION

Section 5.01. The Association; Directors; Officers; Meetings; Official Records.

A. **Association.** The Association is and shall remain a Florida nonprofit corporation. The Association shall have the power to do all lawful things which may be authorized, assigned, required or permitted to be done by the Association by virtue and authority of the Association Documents and applicable law, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the operation, maintenance, administration, repairing, replacing, insuring and improvement of the Property, the Community, the Common Property,

Limited Common Areas and all Areas of Common Responsibility. Neither the Articles, the Bylaws or any of the other Association Documents shall be amended or interpreted so as to be or become inconsistent with this Declaration. In the event of any such inconsistency, the provisions of this Declaration shall prevail. The Board, and such Officers as the Board may appoint from time to time, shall conduct the affairs of the Association.

B. Directors.

(1) **Number.** At all times, the Board shall consist of at least three (3) Directors, and shall always be an odd number. Prior to Turnover the Board shall consist of three (3) Directors unless Declarant, by written notice to the Association, increases the number of directors on the Board. The number of Directors may not be increased or decreased without Declarant's prior written consent, which consent may be granted or denied by Declarant in its sole and absolute discretion. The term of office of the initial Directors appointed herein by Declarant shall expire at the time of Turnover, unless otherwise required by Florida law. After Turnover, Directors shall be elected to the Board by a vote of the Members. Notwithstanding anything in the foregoing to the contrary, Declarant shall, without regard to the number of votes allocated to Declarant, be entitled to appoint one (1) Director for as long as Declarant is the Owner of at least five percent (5%) of the total number of Lots within the Property. Nothing contained in the foregoing, however, is intended, nor shall be deemed, to create any obligation upon Declarant to exercise such right to appoint such one (1) Director.

(2) **Appointment; Election.** Prior to Turnover, Declarant, as the Class B Member, shall have the sole and absolute right to appoint, remove, and recall all of the Directors; provided, however, that if at any time Declarant is not permitted under Florida law to appoint, remove, or recall such Directors, then the Class B Member shall have the sole and absolute right to elect, remove, and recall all such Directors, which election, removal or recall, to the fullest extent permitted under the Association Act, may be conducted via written consent of the Class B Member, in lieu of a meeting of the Class B Member. Notwithstanding the foregoing, Members other than Declarant are entitled to elect at least one (1) Director if fifty percent (50%) of the Lots in all phases of the Community, which will ultimately be operated by the Association, have been conveyed to Members other than Declarant. Any Directors appointed by Declarant or elected by the Class B Member prior to Turnover, or appointed or elected by Declarant pursuant to this Section, need not be Members and need not be residents of the State of Florida. All other Directors shall be Class A Members and residents of the State of Florida. After Turnover, (or Class "A" Member Directors prior to Turnover,) no Member or Owner may serve as a Director if: (i) such Member or Owner is more than ninety (90) days delinquent or deficit with regard to payment of any Monetary Obligation owed to the Association, or (ii) such Member or Owner has been convicted of any felony in the State of Florida or in a United States District, or has been convicted of any offense in another jurisdiction would be considered a felony in the State of Florida, unless such individual's civil rights have been restored for at least five (5) years as of the date such individual seeks election to the Board. Any Director charged by information or indictment with a felony theft or embezzlement offense involving the Association's funds or property shall immediately be deemed removed from office. The Board shall fill the vacancy according to the provision

of this Declaration until the end of the period of the suspension or the end of the Director's term of office, whichever occurs first. However, if the charges are resolved without a finding of guilt or without acceptance of a plea of guilty or nolo contendere, the Director shall be reinstated for any remainder of his or her term of office. A Member who has such criminal charges pending may not be appointed or elected to a position as a Director.

(3) **Meetings.** A meeting of the Board occurs whenever a quorum of the Board gathers to conduct Association business. All meetings of the Board shall be open to the Members, except for meetings between the Board and its attorney with respect to proposed or pending litigation where the contents of the discussion would otherwise be governed by the attorney-client privilege. Members have the right to attend all meetings of the Board. The right to attend such meetings includes the right to speak at such meetings with reference to all designated items. The Association may adopt written reasonable Rules and Regulations expanding the right of Members to speak and governing the frequency, duration, and other manner of Member statements, which Rules and Regulations may include a sign-up sheet for Members wishing to speak. Notwithstanding any other law, meetings between the Board or a committee and the Association's attorneys to discuss proposed or pending litigation or meetings of the Board held for the purpose of discussing personnel matters are not required to be open to the Members other than Directors.

C. **Officers.**

(1) **General.** The officers of the Association (the "**Officers**") shall be a President, who shall be selected from the Board, a Vice President, a Treasurer, and a Secretary. Prior to Turnover, all Officers shall be appointed/elected by the Declarant and may only be removed and replaced by Declarant pursuant to the terms hereof. After Turnover, all Officers shall be elected annually by the Board of Directors and each Officer may be removed by vote of the Directors at any meeting with or without cause. After Turnover, no Member or Owner may serve as an Officer if such Member or Owner is delinquent or deficit more than ninety (90) days with regard to payment of Assessments or any other any Monetary Obligation. Any person may hold two or more offices except that the President shall not also be the Vice President or the Secretary. The Board shall from time to time elect such other Officers and designate their powers and duties as the Board shall find necessary or convenient to manage properly the affairs of the Association. Officers shall serve without compensation or fees; provided, however, nothing herein shall be deemed to prevent reimbursement of out-of-pocket expenses approved by the Board and incurred on behalf of the Association.

(2) **President.** The "**President**" shall be the chief executive officer of the Association. He shall have all of the powers and duties which are usually vested in the office of a president of a Florida not for profit corporation and a Homeowners' Association. He shall serve as chairman of all Board and Members' meetings.

(3) **Vice President.** The "**Vice President**" shall, in the absence or disability of the President, exercise the powers and perform the duties of the President. He shall

also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed from time to time by the Board or the President.

(4) **Secretary**. The “**Secretary**” shall keep the minutes of all proceedings of the Directors and the Members. He shall attend to the giving and serving of all notices to the Members and Directors and other notices required by law. He shall keep the official records of the Association, except those of or to be maintained or kept by the Treasurer, and shall perform all other duties incident to the office of a secretary of a Florida not for profit corporation, to the office of a secretary of a Homeowners’ Association, and as may be required by the Directors or the President. From time to time, the duties of the Secretary may be fulfilled by a manager or management company employed by the Association.

(5) **Treasurer**. The “**Treasurer**” shall have custody of all funds, securities, and evidences of indebtedness regarding or concerning the Association. He shall keep the books of the Association in accordance with good accounting practices, and shall perform all other duties incident to the office of a treasurer of a Florida not for profit corporation and a Homeowners’ Association. From time to time, the duties of the Treasurer may be fulfilled by a manager or management company employed by the Association.

(6) **Removal**. Any Officer charged by information or indictment with a felony theft or embezzlement offense involving the Association’s funds or property shall immediately be deemed removed from office. As applicable, the Board shall fill the vacancy according to the provision of this Declaration until the end of the period of the suspension or the end of the Officer’s term of office, whichever occurs first. However, if the charges are resolved without a finding of guilt or without acceptance of a plea of guilty or nolo contendere, the Officer shall be reinstated for any remainder of his or her term of office. A Member who has such criminal charges pending may not be appointed or elected to a position as an Officer.

D. **Member Meetings**.

(1) **Annual Meetings**. The annual meeting of the Members of the Association shall be held at such place, at such time and on such date each year as is from time to time designated by the Board. Failure to hold an annual meeting timely shall in no way affect the terms of Officers or Directors or the validity of actions of the Directors, the Officers, or the Association.

(2) **Special Meetings**. Special meetings of the Members may be called by any one of the following persons or groups:

1. The President;
2. A majority of the Board of Directors;
3. Prior to Turnover, Members representing at least fifty percent (50%) of total voting interests of the Association;

4. After Turnover, Members representing at least ten percent (10%) of total voting interests of the Association; or

5. The Declarant, so long as Declarant has the right to elect a Director pursuant to Section 720.307 of the Association Act.

E. Official Records.

(1) Section 720.303(4) of the Association Act defines the “**official records**” of the Association. The official records shall be made available to an Owner for inspection within ten (10) business days after receipt by the Board or its designee of a written request. This subsection may be complied with by having a copy of the official records available for inspection or copying in the Community or, at the option of the Association, by making the records available to an Owner electronically via the internet or by allowing the records to be viewed in electronic format on a computer screen and printed upon request. From time to time, the Association may adopt reasonable Rules and Regulations governing the frequency, time, location, notice, official records to be inspected, and manner of inspections by the Owners, but may not require an Owner to demonstrate any proper purpose for the inspection, state any reason for the inspection, or limit an Owner’s right to inspect records to less than one 8-hour business day per month. From time to time, the Association may impose fees to cover the costs of providing copies of the official records, including the costs of copying and the costs required for personnel to retrieve and copy the records if the time spent retrieving and copying the records exceeds one-half hour and if the personnel costs do not exceed \$20 per hour.

Section 5.02. Membership. Each Owner (including Declarant) shall be a Member of the Association. The Association membership of each Owner (other than Declarant) shall be appurtenant to and inseparable from the Lot giving rise to such membership, and any transfer of title to a Lot shall automatically transfer to the new Owner the membership in the Association appurtenant to that Lot, without any further action required whatsoever of the Board, the Association, the old Owner or the new Owner.

Section 5.03. Voting Rights and Turnover of Association.

A. **Voting Rights.** The Association shall have two (2) classes of voting membership as follows:

(1) **Class “A”.** “Class ‘A’ Members” or “Class A Members” shall be all Owners, with the exception of Declarant for so long as Declarant retains Class “B” voting rights. Each Class “A” Member shall have one (1) vote for each Lot owned by that Member.

(2) **Class “B”.** The sole “Class ‘B’ Member” or “Class B Member” shall be Declarant, or its specifically designated (in writing) successor(s) or assign(s). The Class “B” Member shall be allocated the number of votes equal to the total number of Class “A” Member votes, plus one (1). Class “B” Membership shall cease and become converted to Class “A” membership upon Turnover.

B. **Termination of Class "B" Membership.** The Class "B" membership, in its entirety, shall terminate and become converted to Class "A" membership upon the earlier of the following events:

- (1) When Declarant, in its sole and absolute discretion, elects to convert the last of its Class "B" membership interests, to Class "A" membership interests; or
- (2) At the Turnover Meeting.

C. **Turnover of Association.** Any other provision of this Article V to the contrary notwithstanding, Members Other Than Declarant (as that term is defined below), shall be entitled to elect at least a majority of the members of the Board of Directors not later than Turnover, which shall be: (i) three (3) months after ninety percent (90%) of the Lots in all phases of the Development that will or may ultimately be operated by the Association have been conveyed to Class "A" Members, which Turnover shall occur at the Turnover Meeting; (ii) upon Declarant abandoning or deserting its responsibility to maintain and complete the amenities or infrastructure as disclosed in the Association Documents, with there being a rebuttable presumption that Declarant has abandoned and deserted the Property if Declarant has unpaid Assessments or guaranteed amounts under Florida Statutes, Section 720.308, for a period of more than 2 years; (iii) upon Declarant filing a petition seeking protection under Chapter 7 of the U.S. Federal Bankruptcy Code; (iv) upon Declarant losing title to the Property through a foreclosure action or the transfer of a deed in lieu of foreclosure, unless the successor owner has accepted an assignment of Declarant's rights and responsibilities hereunder first arising after the date of such assignment; or (v) upon a receiver for the Declarant being appointed by a circuit court and not being discharged within 30 day after such appointment, unless the court determines within 30 days after such appointment that transfer of control would be detrimental to the Association or the Members. For purposes of this Declaration, the term "**Member(s) Other Than Declarant**" shall not include Builders, contractors or other parties who purchases or holds the title to a Lot for the purpose of constructing a Home thereon for resale.

D. **Turnover of Documents.** No later than the Turnover Meeting, Declarant, at Declarant's expense, shall deliver to the Board the documents that Declarant is required to deliver pursuant Subsection 720.307(4) of the Association Act.

Section 5.04. Multiple Owners. When any Lot entitling an Owner to membership in the Association is owned of record in the name of more than one person, party, or entity, whether such persons or entities own said Lot as fiduciaries, joint tenants, tenants in common, tenants in partnership, partners, or in any other manner of joint or common ownership, or if two or more persons or entities aforesaid or otherwise shall have the same fiduciary relationship or rights respecting the same Lot, then unless the instrument, document, or order appointing them or creating the subject tenancy or relationship otherwise directs and it or a copy thereof is filed with the Secretary of the Association or has been recorded in the Public Records, such Owner shall: (i) select one official representative to represent such Lot ("**Representative**"), which Representative shall be the only person, or party, or entity with the right to exercise any rights of membership in the Association with respect to such Lot, including, but not limited to, voting with respect to such Lot; and (ii) shall notify the Secretary of the Association in writing of the Representative's name and of any change in same as it occurs. The vote of each Representative

shall be considered to represent the will of all the Owners of the subject Lot. In the circumstance of such common or joint ownership or rights, if the Owners fail to properly designate a Representative, then the Association may accept the person, party, or entity asserting the right to vote on behalf of the subject Lot as the voting Owner, until notified to the contrary by the other person(s), party(ies), or entity(ies) that also make up the Owner. Upon such notification no Owner of said Lot may vote until the Owner appoints its Representative pursuant to this paragraph.

ARTICLE VI

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 6.01. Lien and Personal Obligation Nonpayment.

A. **Personal Obligation.** Declarant, for each Lot owned by it on the Property, and each Owner other than Declarant, by acceptance of fee-simple title to any Lot, whether or not it shall be so expressed in any deed or other conveyance of title to such Lot, covenants and agrees to pay to the Association the Assessments, which Assessments shall be fixed, established, assessed, and enforced as herein provided and as permitted by the Association Act. Assessments shall be a charge and a continuing lien upon the Lot against which such Assessment is made, and upon any Home located on said Lot, from and after the date on which such Assessment is due. Each Assessment shall also be the personal obligation of each person or entity who was an Owner of the Lot at the time the Assessment fell due. Declarant will never be obligated to pay any Individual Assessment or Start-Up Assessment.

B. **Assessment Lien.** If any Assessment or installment thereon is not paid when due, then such Assessment shall be delinquent and the delinquent Assessment shall be secured by a continuing lien on the Lot as to which the Assessment accrued, and upon any Home located thereon. The Association may record a lien against any Lot to secure payment of Assessments that remain unpaid for a period of thirty (30) days or longer after becoming due (the “**Assessment Lien**”). Any Assessment Lien shall be prior to all other liens created except: (i) ad valorem real estate taxes and assessments levied by any Governmental Authority, (ii) the lien of any mortgage (expressly subject to the mortgagee’s compliance with Florida Statutes, Section 720.3085(2)(c), and said mortgagee’s payment of all unpaid Assessments resulting from said mortgagee’s compliance with, or failure to comply with, said statute), and (iii) other liens which by Law would be superior. To the fullest extent permitted by Law, any Assessment Lien shall be prior to and superior in dignity to the Owner’s homestead status. Any Assessment Lien shall bind the Lot and any Home located thereon in the hands of the then Owner and of each subsequent Owner. The personal obligation of the Owner to pay such delinquent Assessment shall remain that Owner’s personal obligation for the statutory limitations period and personal liability shall not pass to successors in title of the Lot unless expressly assumed by them.

C. **Interest on Assessments.** If the delinquent Assessment or installment thereon is not paid within thirty (30) days after the due date, the same shall bear interest from the date due at the highest lawful rate in Florida, or at such lesser rate as may be determined by the Board and uniformly applied, and the Association may bring an action for collection against the Owner personally obligated to pay the same and to foreclose the lien against the Lot and any Home

located thereon by judicial foreclosure in the same manner as foreclosure of a mortgage, and there shall be added to the amount of such delinquent Assessment the aforesaid interest, late charges, collection costs, expenses and attorneys' and paralegals' fees, and all of the foregoing shall be recoverable whether or not suit be brought. The Owner shall also be required to pay to the Association any Assessments against the Lot which become due during any period of foreclosure by the Association. The Association, acting on behalf of the Owners, shall have the right and power to bid for any Lot at any foreclosure sale and to acquire the same via foreclosure or a deed in lieu thereof and thereafter hold, lease, mortgage, and convey the same. During the period in which a Lot is owned by the Association following foreclosure or a deed in lieu thereof: (x) no right to vote shall be exercised on said Lot; (y) no Assessment shall be assessed or levied on said Lot; and (z) each other Lot shall be charged, in addition to its Assessments, its pro rata share of the Assessment that would have been charged the subject Lot had it not been acquired by the Association as a result of foreclosure or a deed in lieu thereof. Suit to recover a money judgment against an Owner or Lot for unpaid Common Expenses, Assessments, and all costs, expenses, and fees incurred by the Association in connection with such action, including, but not limited to, interest as provided herein, along with reasonable attorneys' and other legal fees to be fixed by the court, together with all other costs, expenses, and fees of the action, shall be maintainable by the Association without foreclosing or waiving the lien securing the same.

D. **Late Fees.** In addition to any other rights and remedies of the Association hereunder or under Florida law in connection with an Owner's or Member's failure to timely pay Assessments or any installments thereof, the Association may also charge an administrative late fee ("**Late Fee**") not to exceed the greater of Twenty-Five and no/100 Dollars (\$25.00) or five percent (5%) percent of the amount of each installment that is paid past the due date. If in the future, Section 720.3085(3)(a) is amended to permit the Association to charge a higher Late Fee, then the immediately preceding sentence shall be deemed automatically amended to permit the Association to charge such higher Late Fee.

E. **Exempt Property.** The following property shall be exempt from the Assessments, charges and liens created herein: (1) Common Property; (2) lands owned by Declarant which have not been annexed to the Property by this Declaration or any Supplemental Declaration; (3) lands conveyed or dedicated to the local government or other Governmental Authority, any public or quasi-public utility company, or the public; (4) to the fullest extent permitted by the Association Act, Lots owned by Declarant during the period of time that Declarant subsidizes the Common Expenses of the Association pursuant to Section 6.08 hereof, and to the fullest extent permitted by the Association Act, Lots owned by a Builder during the time period that the Declarant subsidizes the Common Expense of the Association pursuant to Section 6.08 hereof (subject to a maximum of three (3) years as set forth in Section 6.11 below). No other land or Improvements in the Property shall be exempt from the Assessments, charges or liens stated above. No Owner may avoid Assessment obligations by virtue of non-use or abandonment of the Common Property or any Area of Common Responsibility, as applicable.

Section 6.02. Purpose; Powers. The Assessments levied by the Association shall be used to promote the recreation, health, safety and welfare of the Owners, to perform the Association's duties and obligations hereunder and under the Association Act, to exercise the powers conferred on the Association hereunder and under the Association Act, to manage, improve, operate, administrate, insure, maintain, repair and replace the Common Property and the Areas of

Common Responsibility (as may be determined by the Board), and to pursue any other purpose deemed desirable, necessary, convenient or appropriate by the Board, including, without limitation, any one or more of the following, or as otherwise stated herein or as permitted by the Association Act: (a) payment Common Expenses; (b) lighting, irrigation, maintenance, improvement and beautification of the Streets and all easement areas benefiting the Association or the Property as shown on any recorded Plat, or otherwise properly established; (c) acquisition, maintenance, repair and replacement of community identification signs and traffic control devices, and control and regulation of traffic in the Property; (d) payment, contest or compromise of real and personal property taxes and assessments separately levied upon or assessed against the Association or the Common Property; (e) operation, management, insurance, replacement, maintenance, repair, beautification and improvement of the Common Property, Areas of Common Responsibility (as may be determined by the Board), and all easement areas benefiting the Association or the Property as shown on any recorded Plat, or otherwise properly established; (f) repayment of any deficits previously incurred by the Association; (g) funding of reserves for future Common Expenses; (h) procurement and maintenance of all insurance; (i) employment of accountants, attorneys and other professionals, administration, and experts to represent or advise the Association; (j) operation, maintenance and replacement of the Stormwater Management System for the Property in accordance with the terms of this Declaration and the requirements of the District including, but not limited to, work within retention areas, drainage structures and drainage easements; (k) monitoring and maintenance of protected wetlands and associated reporting as may be required by the District; and (l) doing anything necessary, desirable, or convenient in the judgment of the Board to keep the Property neat and attractive, to preserve or enhance the value thereof, to eliminate fire, health or safety hazards, or otherwise to benefit the Owners. At all times, the Association, acting by and through the Board, shall, in addition to those general and specific powers elsewhere referenced in the Association Documents or imposed upon it by law, have the following specific powers:

A. Except as may be limited by the terms of the Association Documents, to acquire, own, hold, control, administer, manage, operate, regulate, care for, maintain, repair, replace, restore, preserve, protect, insure, buy, sell, lease, transfer, convey, encumber or otherwise deal in or with real or personal property (or any interest therein, including easements) (i) which is, or upon its acquisition by the Association shall thereupon become, Common Area as defined in this Declaration, including the power to enter into any leases or other arrangements with appropriate governmental agencies necessary for the use of sovereignty lands associated with any of the Common Area, or (ii) the responsibility for which is delegated to the Association pursuant to the terms and provisions of this Declaration, and further including the power to direct, conduct, maintain or support activities within or upon the Property in order to limit or control access to said Common Area.

B. To establish, make, levy, impose, enforce and collect all Assessments and impose, foreclose and otherwise enforce all liens for Assessments for which provision is made in this Declaration in accordance with the terms and provisions of the Association Documents.

C. To establish, make, levy, impose, enforce and collect fines and temporarily suspend rights of use of Common Area against any Owner and Lot for any violation of the covenants, conditions and restrictions set forth in the Association Documents or in the Rules and Regulations, all in accordance with the terms hereof and of the Association Act.

D. To create, establish, maintain, and administer such capital expenditure reserves and other reserve funds or accounts as shall, in the discretion of the Board, be reasonably necessary to provide and assure the availability of funds necessary for the care, maintenance, repair, replacement, restoration, preservation, and protection of all Common Area, including all easements and facilities, and for such other purposes as the Board, in its reasonable discretion, shall deem necessary or appropriate.

E. To sue and be sued and to defend any suits brought against it.

F. Subject to any limitations set forth in the Association Documents or imposed by the Association Act, to borrow such money as may reasonably be required to discharge and perform the duties, responsibilities and obligations imposed upon the Association pursuant to the Association Documents or the Association Act.

G. To employ such persons or to contract with such independent contractors or managing agents as shall be reasonably required in order for the Association to carry out, perform and discharge all or any part of its duties, obligations and responsibilities pursuant to the Association Documents and the Association Act; provided, however, that any such employment contract or contract with any independent contractor or managing agent for a term of more than one (1) year shall, by its express terms, be terminable: (i) for cause at any time upon not more than thirty (30) days written notice by the Association; and (ii) without cause at any time after one (1) year upon not more than sixty (60) days written notice by either party; and, provided further, that any such contract shall otherwise be subject to the provisions of this Section.

H. To provide equipment, facilities and personnel or to contract with an independent contractor or independent contractors, for such public or quasi-public services as may be deemed by the Association to be reasonably necessary or desirable for the common health, safety and general welfare of the residents, including, without limitation, internal security and protection services, garbage and trash pickup and disposal services, cable television/Internet services and street lighting services.

I. To take such steps as may be necessary to enforce the provisions of the Association Documents and the Rules and Regulations, including, without limitation, the employment of counsel and the institution and prosecution of litigation to enforce said provisions including, without limitation, such litigation as may be necessary to collect Assessments and foreclose liens for which provisions are made in the Association Documents.

J. To encourage, cause, facilitate, assist and cooperate in the formation, establishment and operation of a Community Development District and/or MSBUs/MSTUs.

K. To establish, undertake, and promote, from time to time, social activities or programs; educational programs; cultural, artistic and environmental programs; charter and other similar services, activities or programs designed, intended, or implemented to further a sense of community among Owners and residents thereof. Nothing in this subsection shall ever be construed as a representation or promise by Declarant or the Association as to which, if any, of the foregoing may be established, undertaken, promoted, or (as applicable) continued by the Association from time to time.

Section 6.03. Determination of Annual Assessments.

A. **Budgets and Reserve Fund Contribution.** The Board shall annually prepare a budget that sets out the Association's annual operating expenses ("**Budget**"), which Budget must: (i) reflect the estimated revenues and expenses for that year and the estimated surplus or deficit as of the end of the current year; (ii) set out separately all fees or charges paid for by the Association for recreational amenities, whether owned by the Association, the Declarant, or another person or entity; (iii) include reserve accounts for capital expenditures and deferred maintenance for which the Association is responsible, including, but not limited to, the Common Property; and (iv) shall comply with Florida Statutes, Sections 720.303(6)(a) and (b), taking into account the number and nature of replaceable assets, the expected life of each asset, and the expected repair or replacement cost to be incurred by the Association, and shall establish a reserve fund for such anticipated expenditures. The Board shall set the required reserve fund, if any, in an amount sufficient to permit meeting the projected capital needs of the Association, as shown on the Budget, with respect both to amount and timing of Annual Assessments over the period of the Budget. The reserve funds required, if any, shall be fixed by the Board and included within and distributed with the Budget and any applicable notice of Annual Assessment. Any reserve funds established by the Board shall be held in an interest-bearing account or investments. The first Budget promulgated or adopted by the Declarant on behalf of the Association must designate therein the components for which reserve accounts and funds may be used.

B. **Adoption of Operating Budget.** The Association shall mail to each Member a copy of the Budget and projected Annual Assessments approved by the Board to be levied for the next fiscal year at least thirty (30) days prior to the end of the Association's current fiscal year. The Budget and Annual Assessments set forth therein shall become effective unless: (a) the annual assessments increase by at least fifteen percent (15%) over the previous year's assessments, exclusive of reserves, and (b) the Board approved budget is disapproved at a special meeting of the Members held not later than sixty (60) days after the proposed Budget and Annual Assessments are mailed to the Members. To be effective, the disapproval of the proposed Budget and Annual Assessments must be by an affirmative vote of two-thirds (2/3) of the membership of the Association, without regard to membership class. If the membership so disapproves the Budget for the succeeding year, or if the Board fails to propose a Budget or the Annual Assessments, then the Budget and Annual Assessments for the preceding year shall continue in effect until a new Budget with Annual Assessments is determined or adopted.

C. **Allocation of Annual Assessments Among Lots.** The Budget and Annual Assessments of the Association shall be assessed against all Owners and Lots within the Property in an equal amount per Lot. At the discretion of the Board, the Annual Assessments for any year may be paid by Owners in monthly installments, due and payable on the first (1st) day of each month; in bi-annual installments, due and payable by the first (1st) day of January and July of each year; or in quarterly installments, due and payable by the first (1st) day of January, the first (1st) day of April, the first (1st) day of July, and the first (1st) day of October of each year. In the event of such deferred payments, the Board may, but shall not be required to, charge a uniform, lawful rate of interest on the unpaid balance. The Board may accelerate the balance of any Annual Assessment upon default in the payment of any installment thereon or any other Assessment due hereunder. Absent any such determination by the Board permitting payment in

monthly, bi-annual, or quarterly installments, the Annual Assessment for any year shall be due and payable by January 1 of such year. Any Annual Assessment not paid by January 15, if payable in one lump sum, not paid by the fifteenth (15th) day of January and July, if allowed to be paid bi-annually, or paid by the fifteenth (15th) day of January, April, July, and October, if allowed to be paid quarterly, or on the fifth (5th) day of any month, if allowed to be paid monthly, shall be considered delinquent.

Section 6.04. Special Assessments and Individual Assessments.

A. **Special Assessments.** In addition to Annual Assessments, the Board may levy at any time a special assessment for the purpose of defraying the cost of any construction, maintenance, repair, replacement or insurance of any improvement on the Common Property, any Areas of Common Responsibility, or on any easement benefiting the Association or the Property as shown on any recorded Plat, or otherwise properly established, for the purpose of covering any budget deficits of the Association, or for any other purpose deemed necessary, desirable or appropriate by the Board (collectively, “**Special Assessment(s)**”).

B. **Individual Assessment.** The Board may levy an individual assessment against any Owner and that Owner’s Lot and, if applicable, any Home located thereon in order to cover any costs, expenses and fees whatsoever incurred by the Association due to: (i) that Owner’s failure to maintain its Lot or Home pursuant to the standards set forth in this Declaration or as otherwise established by the Board or the ARB, or (ii) to reimburse the Association for loss or damage to the Association or to any Common Property, Area of Common Responsibility or easement area benefiting the Association or the Property caused by that Owner or that Owner’s lessee, sublessee, licensee, agent, contractor, subcontractor, invitee, domestic help or guest, and not covered by insurance maintained by the Association, or (iii) to reimburse the Association for any pre-trial or trial legal fees, court costs, mediation fees, arbitration fees or other fees and expenses incurred by the Association in enforcing the provisions of the governing documents for violations against a member, member’s family invitees or guests, or member’s Lot, or (iv) for any other purpose expressly permitted by this Declaration or permitted under applicable Law (each assessment levied pursuant to (i), (ii), or (iii), above, an “**Individual Assessment**”).

Section 6.05. Start-Up Assessment; Capital Assessment; Due Dates.

A. At the closing of the sale of each Lot in the Property to a Third Party Purchaser, said purchaser shall pay to the Association: (i) a one-time Start-Up Assessment in the amount as established by the Board from time to time; and (ii) the entire Annual Assessment for the calendar year of closing, prorated on a per diem basis from the date of closing on the sale of, or the date of occupancy of the Lot, whichever is earlier, through the end of that calendar year. Thereafter, Annual Assessments shall be due, in advance, on or before the commencement of the Association fiscal year for which they are imposed; but the Board, as provided above, may elect to collect Annual Assessments in monthly, quarterly or semi-annual installments. Annual Assessments which commence to accrue as to any Lot other than on the first day of the year shall be prorated for the balance of that year. Notwithstanding the foregoing, the Start-Up Assessment shall be due from the first Third Party Purchaser that is not a Builder. After the one time Start-Up Assessment has been paid as to a Lot in the Property, subsequent purchasers of the same Lot shall not be required to pay said Start-Up Assessment.

B. On each subsequent conveyance of a Home following the initial sale of such Home to the first Third Party Purchaser thereof or to any party other than Declarant, the Association shall levy and impose on such Home a capital assessment as established by the Board from time to time (the “**Capital Assessment**”), which Capital Assessment shall be shown on any estoppel certificate issued by or on behalf of the Association in connection with the conveyance of the Lot to said purchaser or grantee; shall be nonrefundable; shall be in addition to, and not in lieu of, the Assessments levied on the Lot; shall not be considered an advance payment of any portion of Assessments; and shall be used by the Association exclusively for purposes which provide a direct benefit (as defined in 77 Fed. Reg. 15574 (Mar. 16, 2012)) to the Property. The Association may use the Capital Assessment for any of the purposes and services set forth in this Declaration, including the reduction of the Declarant’s deficit funding. The Capital Assessment shall not apply in instances of transfer of title of a Home to (a) a co-Owner of the Home; (b) the Owner’s estate, surviving spouse or child upon the death of the Owner; (c) an entity owned by the grantor of title and/or the grantor’s spouse; (d) to a mortgagee or Association pursuant to a Final Judgment of Foreclosure or deed in lieu of foreclosure. Prior to Turnover, Declarant may increase the Capital Assessment in subsequent fiscal years, provided that such increase shall not be greater than ten percent (10%) over the prior fiscal year. Subsequent to Turnover, Association may increase the Capital Assessment in subsequent fiscal years, provided that such increase shall not be greater than ten percent (10%) over the prior fiscal year. Neither Declarant nor Association makes any representation or warranty that, at Turnover, any portion of these Capital Assessment shall be in the accounts of the Association, as these monies may be used to offset Declarant’s deficit funding.

Section 6.06. Certificate. Upon request, the Association, pursuant to Florida Statutes, Section 720.30851, shall furnish to any Owner a certificate setting forth whether all required Assessments have been paid. Such certificate, subject to the limitations and terms of Florida Statutes, Section 720.30851, shall be conclusive evidence in favor of bona-fide third parties relying thereon of the payment of any Assessment therein stated to have been paid. The Association may charge a fee for the preparation of such certificate, and the amount of such fee must be stated on the certificate. Unless sold or conveyed by or to Declarant, no Lot or parcel may be sold or conveyed unless an estoppel certificate pursuant to Florida Statutes, Section 720.30851 is obtained and all amounts set forth therein are paid prior to the sale or conveyance.

Section 6.07. Subordination. Expressly subject to the mortgagee’s compliance with Florida Statutes, Section 720.3085(2)(c) and said mortgagee’s payment of all unpaid Assessments resulting from said mortgagee’s compliance with, or failure to comply with, said statute, all Assessment Liens shall be subordinate to the lien of any mortgage. Any mortgagee which obtains title to a Lot by lawful foreclosure of a mortgage or by lawful and proper voluntary conveyance by deed in lieu of such foreclosure, shall not be liable for the uncollected Assessments or interest, late charges or collection costs pertaining to such Lot or chargeable to the former Owner thereof which became due prior to the acquisition of title of the Lot by said mortgagee. Such unpaid Assessment amounts shall be deemed a Common Expense collectible from all Owners, including the acquiring mortgagee, on a pro-rata basis. Any such transfer to a mortgagee under this Section or otherwise shall not relieve the transferor of personal responsibility for any prior Assessments nor the Lot from the lien for Assessments thereafter falling due.

Section 6.08. Funding by Declarant. Notwithstanding anything contained in this Declaration to the contrary or otherwise, to the fullest extent permitted by the Association Act, Declarant shall not be obligated to pay any Assessment as to any Lot owned by it during any period of time that Declarant pays the Common Expense actually incurred over and above the income derived from the Assessments collectible from the Class "A" Members ("**Deficit Fund**"). For purposes of this subsidy arrangement, unless expressly required by applicable law, Declarant need not subsidize or pay any Assessment amounts levied for replacement reserves or capital expenditures. If Declarant elects to Deficit Fund as permitted herein and under the Association Act, then for purpose of complying with Florida Statutes, Section 720.308(3), the amount of the Annual Assessments, as such Annual Assessments may be increased per fiscal year, shall be the maximum obligation of the Class "A" Members. If Declarant elects to Deficit Fund, then for purpose of complying with Florida Statutes, Section 720.308(3), the amount above the Annual Assessments that is necessary to keep the Association operational shall be the amount of Declarant's guarantee of Common Expenses. It is the express intent of Declarant that this be an establishment of a guarantee pursuant to Florida Statutes, Section 720.308(2). Unless Declarant otherwise notifies the Board in writing at least thirty (30) days before the beginning of a fiscal year, Declarant shall continue paying on the same basis as during the previous fiscal year. Declarant, at its option, may elect by written notice delivered to the Association at any time to abandon the subsidy approach and commence payment of the Assessments thereafter falling due for the Lots then owned by Declarant, prorated as of the date that such notice is delivered to the Association. Notwithstanding the foregoing, Declarant shall never be obligated to pay any Individual Assessment or Start-Up Assessment.

Section 6.09. Waiver of Use. No Owner, other than Declarant, may exempt himself, herself or itself from personal liability for Assessments duly levied by the Association. No Owner may release the Owner's Home from the liens and charges hereof either by waiver of the use and enjoyment of the Property and the facilities thereon or by abandonment of such Owner's Home.

Section 6.10. Declarant's Right to Loan or Advance Funds. Declarant may (but is not obligated to) loan, advance or otherwise make payments to the Association to assist the Association in meeting its financial obligations. Notwithstanding anything to the contrary contained in this Section, if Declarant loans, advances or otherwise makes payments to the Association, other than as a voluntary subsidy, then any such sums shall be repaid to Declarant prior to the Turnover Date.

Section 6.11. Builder Exemption. Notwithstanding anything in this Declaration or the Articles and Bylaws to the contrary, except as provided herein, during the time that a Builder owns any Lot, the Builder shall not pay any Assessments with respect to the Lots owned by the Builder; provided however, Assessments shall commence and be payable as to a particular Lot owned by a Builder upon the earlier to occur of (i) the sale of the Lot by a Builder to an unaffiliated third party; or (ii) three (3) years from the date the Builder acquired the Lot from Declarant. Further, in the event that Declarant elects to pay Assessments applicable to the Lots owned by Declarant rather than pay the Deficit as provided in Section 6.08, Declarant covenants, agrees and shall be obligated to pay all Assessments with respect to Lots owned by a Builder for which the Builder is not required to pay Assessments pursuant to this Section 6.11. For the purpose of this Section 6.11, if there is more than one (1) Builder, each Builder, for the purposes of this Section, shall be treated individually and not collectively with other Builders.

ARCHITECTURAL CONTROL BOARD

Section 7.01. Architectural Control; ARB.

A. All Lots and Homes in the Property are subject to architectural review in accordance with this Article VII and any planning, construction, development, or other architectural criteria, guidelines, or procedures (collectively, “**Planning Criteria**”) adopted and revised from time to time by the Architectural Review Board (the “**ARB**”), which may also be referred to at times as the Architectural Review Committee (the “**ARC**”). The Planning Criteria shall be written and made available to all Builders and to all Owners or prospective Owners. The Planning Criteria may include any matters considered appropriate by the ARB not inconsistent with this Declaration, the other Association Documents or the Association Act.

B. No site work/development, landscaping, utility extension, drainage improvement, paving, driveway, swimming pool, pool enclosure, building, fence, wall, sidewalk, or any other physical or structural improvement, or change or alteration to the exterior of any existing structure or improvement, or to any existing landscaping, shall be commenced, constructed, erected, modified, changed, altered or maintained until the plans showing such details as the size, design, shape, finished grade elevation, height, materials and color of the same, together with a landscape plan and a plot plan showing the location relative to boundaries and adjacent improvements of such proposed improvements or changes (collectively, the “**Plans**”), have been approved in writing by the ARB. All such Improvements must further conform to the Planning Criteria and no Plans shall be approved by the ARB if they are not in conformity with same. All Improvements, construction, changes, modifications and alterations shall also comply with all laws. Until such time as any Improvements, construction, changes, modifications and/or alterations have been submitted to and approved by the ARB, no Owner (and/or designee thereof) shall make application for a building permit from the applicable Governmental Authority. Nothing herein shall limit the right of an Owner to finish or alter the interior of that Owner’s Home as that Owner desires.

Section 7.02. Membership of ARB. Prior to Turnover, Declarant shall be entitled to appoint all members of the ARB. The initial members of the ARB shall hold office until all Lots and Homes have been conveyed to Third Party Purchasers or such earlier time as the Declarant may, in its sole discretion, elect. Thereafter, the membership of the ARB shall be determined by the Board. The ARB shall consist of no less than three (3) members, none of whom shall be required, prior to Turnover, to be Owners or occupants of the Property. The ARB shall always consist of an odd number of members. No member of the ARB shall be entitled to compensation for services performed, but the ARB may employ professional advisors and pay reasonable compensation to such advisors at Common Expense. Members of the ARB (other than those appointed or designated by Declarant) may be removed by the Board at any time without cause. Members of the ARB appointed or designated by Declarant may only be removed by Declarant, which removal may be at any time without cause.

Section 7.03. Approvals. Decisions of the ARB shall be by majority action. Unless waived by the ARB, all Plans shall be prepared by an architect or engineer, said person to be employed by

and at the expense of the Owner. If for any reason, including purely aesthetic reasons, the ARB should determine that a proposed improvement, construction, modification or alteration is not consistent with the Planning Criteria or Declarant's development plan, or in the best interest of the Association and its Members, such improvement, construction, modification or alteration shall not be approved or made. Approval of Plans may be withheld not only because of noncompliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also by virtue of the dissatisfaction of the ARB with the location of the structure on the Lot, the elevation, color scheme, finish, design, proportions, architecture, drainage plan, shape, height, style and appropriateness of the proposed structures or altered structures, the materials used therein, the planting, landscaping, size, height or location of vegetation on the Lot, or because of its reasonable dissatisfaction with any other matter or thing which, in the judgment of the ARB, will render the proposed improvement or alteration inharmonious with Declarant's general development plan or the Planning Criteria. Two (2) sets of Plans and specifications shall be submitted to the ARB by the Owner prior to applying for a building permit from the applicable Governmental Authority. Submittals and re-submittals of Plans shall be approved or disapproved within thirty (30) days after receipt by the ARB of complete applications and plans. In the event the complete application and plans are not approved or disapproved within thirty (30) days after receipt by the ARB, such application and plans shall be deemed disapproved and must be resubmitted. The ARB approval or disapproval shall be written and shall be accompanied by one (1) copy of the Plans to be returned to the Owner. Whenever the ARB disapproves Plans, the ARB shall specify the reason or reasons for such disapproval. The Planning Criteria are not the exclusive basis for decisions of the ARB and compliance with the Planning Criteria does not guarantee approval of any application.

Section 7.04. Violations. The work approved by the ARB must be performed strictly in accordance with the Plans as approved by the ARB. If after Plans have been approved, the Improvements are altered, constructed, modified, erected, or maintained upon the Lot other than as approved, the same shall be deemed to have been undertaken without ARB approval. After one (1) year from completion of any improvement, addition, modification or alteration, said Improvement shall, in favor of purchasers in good faith and for value and mortgagees, be deemed to comply with the provisions hereof unless a notice of such noncompliance executed by any member of the ARB shall appear in the Public Records or legal proceedings shall have been instituted to enjoin the noncompliance or to enforce compliance with this Article VII.

Section 7.05. Variances. The ARB may grant variances from compliance with the architectural provisions of this Declaration or the Planning Criteria, including, without limitation, restrictions upon height, size or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may reasonably require. The granting of any variance shall not operate to waive any of the terms and provisions of this Declaration or the Planning Criteria for any purpose except as to the particular Lot and the particular provision covered by the variance, nor shall it affect the Owner's obligation to comply with all applicable laws. Such variances may only be granted when unique circumstances dictate and no variance shall (i) be effective unless in writing, (ii) be contrary to the restrictions set forth in this Declaration, or (iii) estop the ARB from denying a variance in other similar or dissimilar circumstances.

Section 7.06. Waiver of Liability. None of Declarant, the ARB, the Directors or the Association, or any agent, employee or officer thereof, shall be liable to anyone submitting Plans for approval or to any Owner, occupant, tenant, subtenant, invitee, licensee or guest of the Property by reason of or in connection with approval or disapproval of any Plans, or for any defect in any Plans submitted, reviewed, revised or approved in accordance with the requirements of the ARB, or for any structural or other defect in any work done according to or contrary to such Plans. Approval of Plans, or any other approvals, variances or consents by the ARB, are given solely to protect the aesthetics of the Property in the judgment of the ARB and shall not be deemed a warranty, representation or covenant that any action taken in reliance thereon complies with all applicable laws, nor shall ARB approval be deemed approval of any Plan or design from the standpoint of structural safety or conformity with building or other codes. Every person who submits Plans for approval agrees, by submission of such Plans, and every Owner or occupant, tenant and subtenant of any Lot agrees, by acquiring title thereto or an interest therein, that it will not bring any action, proceeding or suit to recover any such damages and shall be deemed to have automatically agreed to hold harmless and indemnify the Board, the ARB, the Declarant and the Association, and all of the foregoing's directors, officers, members, agents and employees from and for any loss, claim, liability, expenses, causes of action or damages connected with the aforesaid aspects of the Plans, Improvements or alterations.

Section 7.07. Enforcement. Declarant and the Association shall have standing and authority on behalf of the Association to enforce in courts of competent jurisdiction the Planning Criteria and the decisions of the ARB. Should Declarant or the Association be required to enforce the provisions hereof by legal action, the reasonable attorneys' and paralegals' fees and costs and expenses incurred, whether or not judicial proceedings are involved, including the attorneys' and paralegals' fees and costs, and expenses incurred on appeal from judicial proceedings, shall be collectible from the violating Owner and after thirty (30) days' written notice to the Owner, shall become a lienable assessment against the Owners' Lot. Should any Owner fail to comply with the requirements hereof after thirty (30) days' written notice, Declarant and the Association shall have the right, but not the obligation, to enter upon the Owner's Lot, make such corrections, alterations or modifications as are necessary, or remove anything in violation of the provisions hereof, the Rules and Regulations, or the Planning Criteria, and charge the costs and expenses thereof to the Owner as an Individual Assessment. Declarant, the Association the Board and the ARB and all of the foregoing's directors, officers, members, agents and employees, shall not be liable to the Owner or to any occupant or invitee of any Lot for any trespass or damages or injury to property or person for any action taken hereunder unless caused by gross negligence, intentional misconduct or intentional wrongdoing.

Section 7.08. Exemption. Declarant, before and after Turnover, shall be exempt from the Planning Criteria, the ARB Rules and the architectural control provisions of this Article VII. Declarant, before and after Turnover, shall be entitled to construct or install any new Improvement, and to alter or change or modify any existing Improvement, without submitting Plans to or obtaining the approval of the ARB. Further, Declarant may unilaterally (without vote, consideration, or approval of the ARB) approve Plans for a Home submitted by a Builder. Upon approval by the ARB or the Declarant of Plans for a Home design submitted by a Builder ("**Approved Builder Plans**") those Builder Plans shall be deemed approved for the construction of Homes throughout the Community, and the Approved Builder Plans (including modifications to the Approved Builder Plans necessary or desirable to facilitate construction of a Home on a

Lot in the Community), are exempt from further ARB review and approval on any other Lots within the Community. Additionally, Approved Builder Plans shall be deemed to meet the requirements of the Planning Criteria.

Section 7.09. No Waiver of Future Approvals. The approval of the ARB of any proposals or Plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the ARB, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, Plans, specifications, drawings or matters subsequently or additionally submitted for approval or consent.

Section 7.10. ARB Rules and Regulations. The ARB may adopt reasonable rules of procedure and standards for the submission and review of any matter to be brought before it and the inspection and final approval of any completed work done pursuant to an approval of the ARB (the “ARB Rules”). The ARB Rules shall be: (i) at the discretion of the Board, subject to the prior approval of the Board, (ii) consistent with the Planning Criteria, (iii) consistent with the covenants and restrictions set forth in this Declaration, and (iv) published or otherwise made available to all Owners, prospective Owners and their contractors, subcontractors and other appropriate designees. All ARB Rules shall be adopted and/or amended by a majority vote of the ARB.

ARTICLE VIII

MAINTENANCE AND REPAIR OBLIGATIONS

This Article sets forth the various maintenance and repair obligations of the Association and the Owners with respect to the Property and the Lots and Association Property located therein. Such maintenance and repair obligations may be different than those provided in any Supplemental Declarations.

Section 8.01. By The Association.

A. The Association, at its expense, shall be responsible for the maintenance, repair and replacement of all of the Improvements and facilities located upon the Association Property as otherwise provided herein. Should any incidental damage be caused to any Home by virtue of the Association’s failure to maintain the Association Property as herein required or by virtue of any work which may be performed or caused to be performed by the Association in the maintenance, repair or replacement of any Association Property, the Association shall, at its expense, repair such incidental damage. The Association shall not, however, be responsible for any loss of use, any hardship, an Owner’s time or any other consequential or punitive damages.

B. The Association is specifically empowered to own, operate and maintain Utility Systems as defined in this Declaration, and to make assessments as provided in this Declaration and the Articles and Bylaws to provide for ownership, maintenance and operation of the Utility Systems, including but not limited to assessments to provide for a reasonable reserve fund for operation and maintenance of such Utility Systems. The Association may sell, donate, or otherwise devise the Utility Systems to another entity authorized by law to own and operate the

Utility Systems, including but not limited to utilities certificated by the Florida Public Service Commission, any applicable Community Development District, or governmental entities.

C. The Association shall be responsible for the maintenance, repair and replacement of all private streets located upon the Association Property and there is hereby reserved in favor of the Association the right to enter upon any and all parts of the Association Property and Lots for such purpose. To the extent permitted by the appropriate governmental authority, the Association may, but shall not be obligated to, also provide maintenance of all County, district or municipal properties which are located within or in a reasonable proximity of the Property to the extent that their deterioration or unkempt appearance would adversely affect the appearance of the Property, including the right to enhance the landscaping in any public right of way.

D. The Association shall be responsible for the maintenance, repair and replacement of any street lights located in the Community and which are designated as the responsibility of the Association.

E. The Association has a reasonable right of entry upon any Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of the Property. The Board may establish rules and regulations regarding the Association's entry upon the Lots.

F. The Association may maintain other Property which it does not own, including, without limitation, Property dedicated to the public, (a) if such maintenance is required by this Declaration, (b) if the Board determines that such maintenance is necessary or desirable to maintain the standards for the Community promulgated by the ARB or to cause compliance with this Declaration, (c) if the maintenance is requested by an Owner, or (d) if the Board determines that maintenance to any privately-owned facility is necessary or desirable and the Board elects to perform such maintenance in lieu of enforcing the respective Owner(s)'s obligation to perform such maintenance, in which event the respective Owner(s) shall be assessed the costs incurred.

Section 8.02. By The Owners.

A. Except to the extent the Association is responsible therefore as provided in the Association Documents, the Owner of each Lot must keep and maintain his/her Lot and the Improvements thereon, including equipment, appurtenances, and landscaping, in good order, condition and repair, and must perform promptly all maintenance and repair work within his Home which, if omitted, would adversely affect the Community, the other Owners, or the Association and its Members. The Owner of each Lot shall be responsible for any damages caused by a failure to so maintain such Lot and Home. The Owners' responsibility for maintenance, repair and replacement shall include, but not be limited to, all of the physical structure constructed in, upon or below the Lot, physical items attached or connected to such structure that run beyond the boundary line of the Lot which exclusively service or benefit the Lot and Home which an Owner is obligated to perform pursuant to any separate instrument setting forth such responsibilities. The painting, caulking and maintenance of the exterior surface of the walls, doors, windows and roof of the physical structure of the Home shall be performed by the Owner, and the exterior surface of such walls, doors, windows and roof shall at all times be maintained in a good and serviceable condition with no damage or other defect

therein by the Owner. The Owner of a Lot further agrees to pay for all utilities, such as telephone, cable television, water (including water associated with irrigation if such water is not being provided by the Association), sewer, sanitation, electric, etc., that may be separately billed or charged to his/her Home. The Owner of each Lot shall be responsible for insect and pest control within the Lot and Home. Whenever the maintenance, repair and replacement of any items which an Owner is obligated to maintain, repair or replace at his own expense is occasioned by any loss or damage which may be covered by any insurance maintained in force by the Association, the proceeds of the insurance received by the Association shall be used for the purpose of making such maintenance, repair or replacement, except that the Owner shall be, in said instance, required to pay such portion of the costs of such maintenance, repair and replacement as shall, by reason of the applicability of any deductibility provision of such insurance or otherwise, reduce the amount of the insurance proceeds applicable to such maintenance, repair or replacement.

B. The Owner of each Lot shall maintain, repair and replace as needed any fencing on his/her Lot, clean, maintain and repair the driveway on his/her Lot, and keep the sidewalk located on his/her Lot clean and free from any impediments to pedestrian traffic.

C. The Declarant has constructed or may construct a drainage swale upon each Lot and other parcels for the purpose of managing and containing the flow of excess surface water, if any, found upon such Lot or parcel from time to time. Each Owner, including Builders, shall be responsible for the maintenance, operation and repair of the drainage swales on the Lot or parcel. Maintenance, operation and repair shall mean the exercise of practices, such as mowing and erosion repair which allow the drainage swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the District. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the drainage swales is prohibited. No alteration of drainage swales shall be authorized and any damage to any drainage swale, whether caused by natural or human-induced phenomena, shall be repaired and the drainage swale returned to its former condition as soon as possible by the Owner(s) of the Lot and parcel(s) upon which the drainage swale is located.

D. If a Home is damaged by fire or other casualty, its Owner shall properly and promptly restore it to at least as good a condition as it was before the casualty occurred. Any such work shall be in accordance with the original plans and specifications of the Home unless otherwise authorized by the ARB.

E. If an Owner fails to comply with the foregoing provisions, the Association may proceed in court of equity to enjoin compliance. Further, if the failure to comply relates to the Owner's obligations to maintain insurance, the Association shall be entitled, although not obligated, to obtain the required coverage itself and to levy on the offending Owner an Assessment equal to the cost of premiums, and any such Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as a lien for operating expenses.

F. If a failure to comply with the provisions of this Section relates to the Owner's obligation to maintain his/her Home or any other area required to be maintained by the Owner, then, in addition to the exercise of all other remedies, the Association or Declarant shall have the right, but not the obligation, upon fifteen (15) days written notice, to enter the Property of the

Owner for the purpose of performing the maintenance referred to, set forth and described in the notice. The determination of whether an Owner is failing to properly maintain and care for the Property for which he has the maintenance responsibility shall be determined in the sole discretion of the Association or Declarant. Further, the Association shall be entitled, but not obligated, to perform such maintenance and care itself and to levy on the offending Owner an Assessment equal to the cost of performing such maintenance and any such Assessment shall constitute a lien upon the applicable Lot and Home with the same force and effect as a lien for operating expenses.

Section 8.03. Damage To Buildings. The Owner of any Home which has suffered damage may apply to the ARB for approval for reconstruction, rebuilding, or repair of the Improvements therein. The ARB shall grant such approval only if, upon completion of the work, the exterior appearance will be substantially similar to that which existed prior to the date of the casualty; provided, however, nothing shall prohibit the ARB from approving reconstruction, rebuilding, or repair that would result in an exterior appearance not substantially similar to that which existed prior to the date of the casualty if an Owner pursues the complete ARB application, review and approval process set forth in Article VIII of this Declaration. If the obligation for repair falls upon the Association, the ARB approval will not be required prior to the commencement of such work, so long as the exterior appearance will be substantially similar to that which existed prior to the date of the casualty.

The Owner or Owners of any damaged building, the Association, and the ARB shall be obligated to proceed with all due diligence hereunder and the responsible parties shall commence reconstruction within three (3) months after the damage occurs and complete reconstruction within one (1) year after the damage occurs, unless prevented by causes beyond his or its reasonable control.

Declarant and any Builder shall be exempt from the provisions of this Section, provided that any such reconstruction, rebuilding or repairs made by the Declarant or Builder shall be reasonably consistent, as to the exterior appearance, with the Improvements as they existed prior to the damage or other casualty, unless otherwise approved by the ARB.

ARTICLE IX

STORMWATER MANAGEMENT

Section 9.01. Ownership/Control, Maintenance, and General Use of Stormwater Management System.

A. The Association owns the Stormwater Management System. The Stormwater Management System is located on land that is designated as Common Area, is located on land that is owned by the Association, or is located on land that is subject to a perpetual easement in favor of the Association and its successors such that the Association has the perpetual right to operate and maintain the Stormwater Management System.

B. The Association shall be responsible for the maintenance, operation and repair of the Stormwater Management System. It is the responsibility of the Association to operate and

maintain the Stormwater Management System. Maintenance of the Stormwater Management System(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the District. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified, as approved by the District. If monitoring and/or maintenance of wetland mitigation areas are required by the Permit, the Association, at Common Expense, shall be perpetually responsible for carrying out said monitoring and/or maintenance to complete any necessary or required tasks successfully, including meeting all conditions associated with said wetland mitigation, maintenance, and monitoring.

C. To the extent not included in the areas required to be maintained by the Association pursuant to Section 9.01(b) above, each Owner shall, at that Owner's expense, grass over, provide routine landscape maintenance, mow and keep free of trash and debris, on a routine basis, those portions of the Stormwater Management System located on or within that Owner's Lot (whether or not included in a platted drainage easement depicted on any recorded Plat), failing which the Association shall perform the required maintenance and may levy an Individual Assessment to cover the costs thereof. Each Owner shall be responsible for the "Maintenance, Operation and Repair" (as that term is defined below) of the swales, if any, on the Owner's Lot, failing which the Association shall perform the required maintenance and may levy an Individual Assessment to cover the costs thereof. The term "Maintenance, Operation and Repair", as used in this Declaration, shall mean the exercise of practices, such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted or required by the Permit or the District. Filling, excavation, or construction of fences, or the existence of anything else that interferes with drainage or otherwise obstructs the surface water flow in the swales is prohibited. No alteration of the swale shall be authorized and any damage to any swale, whether caused by natural or human-induced phenomena, shall be repaired and the swale returned to its former and proper condition as soon as possible by the Owner(s) of the Lot(s) upon which the swale is located, failing which the Association shall perform the required repair and may levy an Individual Assessment to cover the costs thereof.

D. Unless first approved by the ARB and the District, no Owner, including Declarant, may obstruct, alter or in any way modify the method and/or structures of drainage utilized or installed by Declarant or the Association from, on, or across any Lot, Common Area, Areas of Common Responsibility, or any easement area; nor shall any structure or material be erected, placed or maintained which shall in any way obstruct such drainage devices or facilities or impede their efficient operation. No elevation changes shall be permitted on any Lot which materially adversely affects the drainage of or to neighboring Lots or the Common Area, or any Areas of Common Responsibility.

E. It shall be the responsibility of each Owner, at the time of construction of Home or any other structure or building on that Owner's Lot, to comply with the approved construction plans for the Stormwater Management System on file with the District.

F. Fences may only be permitted within drainage easements on an Owner's Lot so long as the fence does not block or impede the flow of water through the drainage easement area.

With regard to any fences permitted within drainage easements pursuant to the terms hereof, the Owner of the subject Lot shall be responsible for removal/replacement of the fence or any portion thereof if removal of same is required in connection with any maintenance, repair, construction, or installations concerning the drainage easement area or the Stormwater Management System. Notwithstanding the foregoing, if the Owner of the subject Lot fails to timely remove any such fence or portion thereof, the Declarant, the Association, and any Governmental Authority (including, but not limited to, the District) may remove such fence or portion thereof, in its discretion, without any liability whatsoever to said Owner, whereupon the fence or portion thereof may be disposed of, and without the party removing the fence or any portion thereof being required to thereafter reinstall or replace said fence or portion thereof.

G. ALL OWNERS ARE HEREBY ADVISED THAT A PERMIT FROM THE DISTRICT WILL BE REQUIRED IF ANY OF THE FOLLOWING ITEMS ARE PROPOSED: (1) ANY ALTERATION TO THE STORMWATER MANAGEMENT SYSTEM; OR (2) ENCROACHMENT INTO THE WETLANDS, WETLAND BUFFERS, OR ADJACENT OFF-SITE PROPERTY LINE BUFFERS.

Section 9.02. Easements for Access and Drainage.

A. The Association shall have a perpetual non-exclusive easement over all areas of the Stormwater Management System for access thereto and to operate, maintain or repair the system. By virtue of said easement, the Association shall have the right to enter upon any portion of any Lot which is a part of the Stormwater Management System, at a reasonable time and in a reasonable manner, to operate, maintain or repair the Stormwater Management System as required by the Permit, subject to any maintenance responsibilities assumed by any Governmental Authorities. Additionally, the Association shall have a perpetual non-exclusive easement for drainage over the entire Stormwater Management System. No person shall alter the drainage flow of the Stormwater Management System, including buffer areas or swales, without the prior written approval of the Association and the District.

B. Each Owner (including Declarant) shall have a non-exclusive right and easement of use and enjoyment to drain across the Stormwater Management System in accordance with the Permit, District rules, and the Rules and Regulations.

Section 9.03. Amendment to Declaration. Any Amendment to this Declaration which alters the Stormwater Management System, beyond maintenance in its original condition, including mitigation or preservation areas and the water management portions of the Common Areas, must have the prior approval of the District. Any proposed Amendment to this Declaration affecting the Stormwater Management System (including environmental conservation areas and the water management portions of the Common Areas) shall be submitted to the District for a determination of whether the Amendment necessitates a modification of the Permit. If a modification is necessary, the District will so advise the Permit's permittee. The Amendment affecting the Stormwater Management System may not be finalized until any necessary Permit modification is approved by the District or the Association is advised that a modification is not necessary.

Section 9.04. Enforcement. The District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation, and repair of the Stormwater Management System. The District has the right to take enforcement action, including a civil action for an injunction and penalties, against the Association to compel it to correct any outstanding problems with the Stormwater Management System facilities or in mitigation or Conservation Areas under the responsibility or control of the Association.

Section 9.05. LIABILITY. NEITHER DECLARANT NOR THE ASSOCIATION SHALL HAVE ANY LIABILITY WHATSOEVER TO OWNERS, GUESTS, TENANTS, OR INVITEES IN CONNECTION WITH THE RETENTION LAKES (IF ANY) AND DRAINAGE FACILITIES OR ANY PART OF THE STORMWATER MANAGEMENT SYSTEM. EACH OWNER, FOR ITSELF AND ITS GUESTS, TENANTS, OR INVITEES, RELEASES DECLARANT AND THE ASSOCIATION FROM ANY LIABILITY IN CONNECTION THEREWITH.

Section 9.06. Rights of the District. Notwithstanding any other provisions contained elsewhere in this Declaration, the District shall have the rights and powers enumerated in this paragraph. The District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration that relate to the maintenance, operation, and repair of the Stormwater Management System. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified, as approved in writing by the District. No person shall alter the drainage flow of the Stormwater Management System, including any buffer areas, swales, treatment berms or swales, without prior written approval of the District. Any amendment to this Declaration that alters the Stormwater Management System, beyond maintenance in its original condition, including the water management portions of the Common Property, must have prior written approval of the District. In the event that the Association is dissolved, prior to such dissolution, all responsibility relating to the Stormwater Management System must be assigned to and accepted by an entity approved in writing by the District.

Section 9.07. Indemnity. Declarant may be required to assume certain duties and liabilities for the maintenance of the Stormwater Management System or drainage system within the Property under the Plat, permits, or certain agreements with governmental agencies. The Association further agrees that subsequent to the recording of this Declaration, it shall hold Declarant harmless from all suits, actions, damages, liabilities and expenses in connection with loss of life, bodily or personal injury or property damage arising out of any occurrence in, upon, at or from the maintenance of the Stormwater Management System occasioned in whole or in part by any action, omission of the Association or its agents, contractor, employees, servants, or licensees but not excluding any liability occasioned wholly or in part by the acts of the Declarant, its successors or assigns. Upon completion of construction of the Stormwater Management System or drainage system Declarant shall assign all its rights, obligations and duties thereunder to the Association. The Association shall assume all such rights, duties and liabilities and shall indemnify and hold Declarant harmless therefrom.

ARTICLE X

USE RESTRICTIONS

All of the Property shall be held, used, and enjoyed subject to the following limitations and restrictions, and any and all additional rules and regulations which may from time to time, be adopted by the Association:

Section 10.01. Nuisances. No obnoxious or offensive activity shall be carried on or about the Lots or in or about any Improvements, Homes, or on any portion of the Community nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any Owner. No use or practice shall be allowed in or around the Homes which is a source of annoyance to Owners or occupants of Homes or which interferes with the peaceful possession or proper use of the Homes or the surrounding areas. No loud noises or noxious odors shall be permitted in any Improvements, Homes or Lots. Without limiting the generality of any of the foregoing provisions, no horns, whistles, bells or other sound devices (other than security devices used exclusively for security purposes), noisy or smoky vehicles, unlicensed off-road motor vehicles or any items which may unreasonably interfere with television or radio reception of any Owner shall be located, used or placed on any Lot, or exposed to the view of other Owners without the prior written approval of the Board.

Section 10.02. Vehicles.

A. Unless express prior written approval is given by the Board, in the Board's sole and absolute discretion, no commercial vehicle (including, but not limited to, any vehicle operated for the transportation of persons or property in the furtherance of any business, commercial, manufacturing, or industrial enterprise, for-hire, not-for-hire, or otherwise), recreational vehicle (including, but not limited to, personal water craft, all-terrain vehicles, and two-wheeled dirt bike motorcycles), camper, mobile home, motor home, boat, house trailer, boat trailer, or trailer of any other kind or description (collectively, "**Prohibited Vehicle(s)**"), shall be permitted to be parked or to be stored at any place on the Property, unless Declarant designates specifically certain spaces for some or all of the above, in which case Declarant or the Association may change for the use of such spaces. The Board may, but is not required to, allow boats or other recreational vehicles or Prohibited Vehicles to be parked on a Lot behind an ARB-approved fence or wall which totally screens said boat or other recreational vehicle or Prohibited Vehicle from the view of all Streets and adjacent Homes. Provision for temporary visitation of Prohibited Vehicles may be established by the Board. The foregoing prohibition of parking shall not apply to temporary parking of commercial Prohibited Vehicles, such as for pick-up and delivery and other bona fide temporary commercial services being delivered or provided to a Lot or Home, nor to Prohibited Vehicles which are stored within a Home's closed garage, nor to any Prohibited Vehicles of Declarant or its affiliates, or to any Builder, or to building contractor designated by Declarant in writing from time to time. Marked or unmarked police cars and other municipal vehicles are specifically excluded from the definition of Prohibited Vehicles.

B. No vehicle, regardless of whether it would otherwise be permitted to be parked on any Lot or other part of the Property, shall be permitted to be parked on any Lot (unless permanently in a garage) or other part of the Property if such vehicle is not fully functioning and

operational, currently registered by the State of Florida or another U.S. state, and currently tagged (with a license plate affixed in the proper place(s) on said vehicle) by the State of Florida or such other U.S. state in which the vehicle is registered.

C. All vehicles must be parked on surfaces designed for vehicle parking (e.g. parking areas or lots and driveways) and shall not in any event be parked on individual lawns or the grass of any Common Areas. Vehicles shall not be parked in a manner which would block fire hydrants, dumpsters, sidewalks or pedestrian or bicycle paths.

D. No Owner or other occupant of the Community shall repair or restore any vehicle of any kind upon or within the Community, except for: (i) emergency repairs and then only to the extent necessary to enable the movement thereof to a proper repair facility; or (ii) repairs completed within the garage (in which case no garage doors shall be left open overnight or at any other time when the subject vehicle is not actually being worked on or repaired).

E. Inoperable vehicles (e.g. missing major components such as engines and/or transmissions, one or more flat tires, etc.), or derelict vehicles (e.g. broken glass, severely damaged body panels, unpainted body panels, etc.) must be fully enclosed within a closed garage at all times, and in any case may not be parked in plain view.

F. As long as the provisions of Florida Statutes, Section 715.07, are complied with, any vehicles parked in violation of the aforementioned or other restrictions contained herein, or in violation of any Rules and Regulations, may be towed by the Association at the sole cost and expense of the owner of such vehicle, if such vehicle remains in violation for a period of twenty-four (24) hours from the time a notice of violation is placed on the vehicle or the owner thereof is otherwise notified, or as otherwise set forth in the rules and regulations promulgated by the Association. The Association shall not be liable to the owner of such vehicle for trespass, conversion, or otherwise, nor guilty of any criminal or civil act, by reason of such towing and once the notice is posted, neither its removal, nor failure of the owner thereof to receive it for any other reasons, shall be grounds for relief of any kind. An affidavit of the person posting such notice on any vehicle stating that it was properly posted shall be conclusive evidence of proper posting.

G. All powered vehicles capable of exceeding five (5) miles per hour are prohibited from use on Property unless they are licensed, registered, and insured. Specifically, any motorcycle, moped, or motorized scooter used in the Community may only be driven by a licensed driver, and must be registered and insured in accordance with Florida law. Specifically exempted from this regulation are electric personal assistive mobility devices as defined under Florida Statutes, Section 316.003(83); and any other bona-fide "assistive technology devices" as defined in Florida Statutes, Section 427.802(1); and any special mobile equipment as defined under Florida Statutes, Section 316.003(48) provided that such equipment may not be operated in a manner that creates a traffic hazard, or which poses a threat of harm to the user of such equipment.

H. No person, firm or corporation shall maintain or repair any vehicle (including, but not limited to, four wheel passenger automobiles) upon any portion of the Property except within a closed garage and totally isolated from public view; provided, however, Declarant its

successors, nominees or assigns and the Association may make, or cause to be made, such repairs if necessary in regard to vehicles used in connection with construction, sales or management at the Community. Vehicles which are missing one or more wheels, have one or more deflated tires, are not in an operating condition, or do not have current valid license plates shall not remain upon any portion of the Property, except within a wholly enclosed garage fully shielded from view, for more than two (2) consecutive days. No Owner or his or her family members, guests, invitees or lessees or their family members, guests, or invitees shall be permitted to keep any vehicle on the Property which is deemed to be a nuisance by the Association or Declarant.

Section 10.03. No Improper Use. No improper, offensive, hazardous or unlawful use shall be made of any Home nor shall anything be done thereon tending to cause embarrassment, discomfort, annoyance or nuisance to any person using any portion of the Property. No activity shall be conducted in any Home that involves the production or distribution by any means, whether electronic or otherwise, of pornographic, adult, nude or sexually oriented or explicit materials, content or entertainment. All valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction thereover shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereover relating to any Home or Lot shall be corrected by, and at the sole expense of, the Home's or Lot's Owner.

Section 10.04. Flags. An Owner may display one portable, removable United States flag in a respectful manner, and one portable, removable official flag in a respectful manner, not larger than 4½ feet by 6 feet, that represents the United States Army, Navy, Air Force, Marine Corps, or Coast Guard, or a POW-MIA flag. An Owner may erect a freestanding flagpole no more than 20 feet high on any portion of the Owner's Lot if the flagpole does not obstruct sightlines at intersections and is not erected within or upon an easement. The Owner may further display in a respectful manner from that flagpole, one official United States flag, not larger than 4½ feet by 6 feet, and may additionally display one official flag of the State of Florida or the United States Army, Navy, Air Force, Marines, or Coast Guard, or a POW-MIA flag. Such additional flag must be equal in size to or smaller than the United States flag. The flagpole and display are subject to all building codes, zoning setbacks, and other applicable governmental regulations, including, but not limited to, noise and lighting ordinances in the County and all setback and locational criteria contained in this Declaration.

Section 10.05. Window Decor. No newspaper, aluminum foil, sheets or other temporary window treatments shall be permitted, except for periods not exceeding two (2) weeks after an Owner or a lessee first moves into a Home or when permanent window treatments are being cleaned or repaired. Window tinting is permitted provided that the type and method of tinting is first approved by the ARB.

Section 10.06. Animals and Pets. Only common domesticated household pets may be kept on any Lot or in a Home, but in no event for the purpose of breeding or for any commercial purposes whatsoever. No other animals, livestock, reptiles or poultry of any kind shall be kept, raised, bred or maintained on any portion of the Property. Permitted pets shall only be kept subject to and in accordance with such rules and regulations as shall be promulgated from time to time by the Board. Under no circumstances may a pet that is dangerous or has been known to

cause strict liability to the owner be permitted on the Property. Any pet must be carried or kept on a leash when outside of a Home or fenced-in area. No pet shall be kept tied up outside of a Home or in any screened porch or patio, unless someone is present in the Home. An Owner shall immediately pick up and remove any solid animal waste deposited by his or her pet on the Property. An Owner is responsible for the cost of repair or replacement of any Association Property damaged by his or her pet. Each Owner who determines to keep a pet thereby agrees to indemnify the Association and Declarant and hold them harmless against any loss or liability of any kind or character whatsoever arising from or growing out of his or her having any animal on the Property.

NO OWNERS, RESIDENTS, OR THEIR GUESTS SHALL HARASS, HARM, PURSUE, HUNT, SHOOT, WOUND, KILL, TRAP, FEED, CAPTURE, OR COLLECT ANY WILDLIFE WITHIN THE COMMUNITY. FISHING ACTIVITIES UNDERTAKEN CONSISTENT WITH THIS DECLARATION SHALL BE EXEMPT FROM THIS PARAGRAPH.

Section 10.08. On-Site Fuel Storage. No on-site storage of gasoline or other fuels shall be permitted on any Lot, except that up to five (5) gallons fuel may be stored on each Lot for emergency purposes and operation of lawn mowers and similar tools or equipment. Propane tanks normally associated with outdoor barbecue grills are permitted above-ground. This restriction is designed to reduce environmental risks associated with fuel storage and to minimize the hazards associated with on-site fuel storage.

Section 10.09. Ground Water Restriction. No individual water supply system or well shall be permitted on any of the Property or on any Lot. No ground water shall be used any purpose, including without limitation irrigation of landscaping. Specifically, no water well, nor any other mechanical device that accesses or draws groundwater, may be installed or used on the Property or on any Lot.

Section 10.10. Additions and Alterations. No Home shall be enlarged by any addition thereto or to any part thereof, and no Owner shall make any improvement, addition, or alteration to the exterior of his Home, including, without limitation, the painting, staining, or varnishing of the exterior of the Home, including doors, garage doors, driveways and walkways, without the prior written approval of (i) the ARB as set forth in Article VII of this Declaration, which approval may be withheld for purely aesthetic reasons, and (ii) all applicable governmental entities.

Section 10.11. Weapons. The use and discharge of weapons within the Community is prohibited. The term “weapons” includes bows and arrows, slingshots, “B-B” guns, pellet guns, and other firearms of all types, regardless of size.

Section 10.13. Slopes and Trees. No Owner may engage in any activity which will change the slope or drainage of a Lot. No additional trees are permitted to be planted on the Property without the prior written consent of Declarant for as long as Declarant owns a Lot, and thereafter without the prior written consent of the ARB.

Section 10.14. Signs. No sign of any kind shall be displayed to the public view from any Lot or improvement thereon, except any sign used by Declarant to advertise Declarant's or Builder(s)' Company, project, sales or other matters during the construction and sales period. No sign, except Security signs, of any kind shall be permitted to be placed inside a Home or on the outside walls of a Home so as to be visible from the exterior of such Building, nor on any Common Area, nor on any dedicated streets, drainage easement areas, or any other dedicated areas, nor in any entryways, nor on or within any vehicles within the Property, except such as are placed by Declarant. Notwithstanding the foregoing, an Owner may display a sign of reasonable and customary size provided by a security services contractor within ten (10) feet of any entrance to the Owner's residence.

Section 10.15. Trash and Other Materials. No rubbish, trash, garbage, refuse, or other waste material shall be kept or permitted on the Lots and/or Association Property, or other portions of the Property, except in sanitary, self-locking containers located in appropriate areas not visible from the street, and no odor shall be permitted to arise therefrom so as to render the Property or any portion thereof unsanitary, offensive, detrimental or a nuisance to Owners or to any other Property in the vicinity thereof or to its occupants. No clothing or other household items shall be hung, dried, or aired in such a way as to be visible from the Association Property or another Lot. No stripped vehicles, lumber or other building materials, grass, tree clippings, metals, scrap, automobile pieces or parts, refuse, or trash shall be stored or allowed to accumulate on any portion of the Property (except when accumulated during construction by Declarant, during construction approved by the ARB, or when accumulated by the Association for imminent pick-up and discard).

Section 10.16. Clotheslines. Unless otherwise permitted by applicable law and only to the extent permitted therein, no clothesline or clothes drying which is visible from outside a Lot shall be undertaken or permitted on any portion of the Community.

Section 10.17. Garages. No garage shall be permanently enclosed so as to make such garage unusable by an automobile, and no portion of a garage originally intended for the parking of an automobile shall be converted into a living space or storage space and no garage opening shall have a screen covering without the consent of the Association. All garage doors shall remain closed when vehicles are not entering or leaving the garage. Garage entry ways shall not be screened.

Section 10.18. Temporary Structures. No tent, shack, shed or other temporary building or Improvement, other than separate construction and sales trailers to be used by Declarant, its agents and contractors, for the construction, service and sale of the Community or other

communities, shall be placed upon any portion of the Property, either temporarily or permanently. No trailer, motor home or recreational vehicle shall be: (i) used as a residence, either temporarily or permanently, or (ii) parked upon the Property.

Section 10.19. Oil and Mining Operations. No oil drilling, oil development operations, oil refining, boning or mining operations of any kind shall be permitted upon or on any Lot nor shall oil wells, tanks, tunnels, mineral excavations or shafts be permitted upon or in any Lot. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted upon any Lot.

Section 10.20. Subdivision and Partition. No Lot on the Property shall be subdivided without the ARB's prior written consent except by Declarant.

Section 10.21. Sewage Disposal. No individual sewage disposal system shall be permitted on any part of the Property, provided that a central sewage disposal system is being operated in accordance with the requirements of the governmental regulatory body having jurisdiction over said central system.

Section 10.22. Fences. Any fence placed upon any Lot must be approved by the ARB, as provided in Article VII hereof, prior to installation. Specific fencing materials may be required by the ARB for any Lot located on or adjacent to a water or Conservation Area. In no event may a fence be placed in the area between the front of a Home and the Street at the front of the Lot on which the Home is situated. The Owner assumes complete responsibility to maintain the fence, including, but not limited to, trimming any grass, ivy or other plants from the fence. In the event the ARB approves the installation of a fence, it shall also have the right to require installation of landscaping, also subject to the ARB's approval, at the time the fence is installed.

Notwithstanding that an Owner has obtained the approval of the ARB to install a fence or landscape materials, as provided hereinabove, such installation shall be at the Owner's sole risk so long as Declarant has not yet begun or is engaged in the construction of a Home on an adjacent Lot. In the event such construction activity on an adjacent Lot causes damage to or destruction of such Owner's fence or landscape materials or any part thereof, the Owner on whose Lot the fence and/or landscaping has been damaged shall be required, at the Owner's expense, to repair or replace such fence and/or landscape materials in conformance with the requirements of the ARB's approval of the initial installation of the fence and/or landscape materials and Declarant shall have no liability for any such damage or destruction. Such repair or replacement shall commence as soon as construction on the adjacent Lot has been completed and shall be pursued with due diligence. For purposes of this paragraph, the term "**landscape materials**" shall include landscape materials located on or adjacent to any Property line of a Lot, including, by way of example and not of limitation, hedges, shrubs and trees, whether or not associated with a fence.

In addition, the installation of any fence placed upon any Lot is subject to easements which run with the land. In the event the grantee of any such easement which runs with the land (e.g. a utility provider), its successors and/or assigns, requires the removal of any fence upon the Lot, then the Owner of said Lot shall, at the Owner's sole cost and expense, immediately remove the fence. The Owner of a Lot in installing any fence upon the Lot shall comply with all valid

laws, zoning ordinances and regulations of the city and County governmental bodies, as applicable, in addition to the ARB approval required by Article VII hereof.

Section 10.23. Exterior Electronic or Electric Devices; Solar Panels.

A. No exterior antennas and no citizen band or short wave antennas or satellite dishes in excess of one meter in diameter shall be permitted on any Lot or Improvement thereon, except that Declarant and its affiliates shall have the right to install and maintain community antenna, microwave antenna, dishes, satellite antenna and radio, television and security lines. The location of any approved satellite dish must be approved by the ARC, which may require appropriate screening; provided, however, that the satellite dish shall be allowed in the least obtrusive location where the satellite signal may be received.

B. No solar heating equipment, panels, collectors, or devices ("**Solar Equipment**") is permitted on or outside of any enclosed structure on any Lot, except such Solar Equipment whose installation and use is protected by U.S. federal or Florida law including, but not limited, by Florida Statutes, Section 163.04. Notwithstanding such protection, for aesthetic purposes, and to the maximum extent permitted by Florida Statutes, Section 163.04, the location, type, and design of all Solar Equipment must be approved by the ARC prior to installation and use of same, which approval, if granted, may require landscape or other screening, in the ARB's determination and reasonable discretion. An application for use and installation of such Solar Equipment must be submitted for approval to the ARC prior to installation and approval and will be granted only if: (i) such Solar Equipment is designed for minimal visual intrusion when installed (i.e., is located in a manner which minimizes visibility from all Streets and adjacent Lots); and (ii) the Solar Equipment complies to the maximum extent feasible with the ARB's requirements and the Planning Criteria. Without limiting, and in addition to the foregoing, Declarant or the ARB may determine the specific location where solar collectors may be installed on the roof of any Home or building within an orientation to the south or within forty five (45) degrees east or west of due south if such determination does not impair the effective operation of the solar collectors.

Section 10.24. Excavation. No clearing or excavation shall be made except incident to construction, maintenance or repair of an ARB approved Improvement (or by Declarant or in connection with development of the Property) and must be in accordance with the Permit; and upon completion thereof exposed openings shall be back-filled, and disturbed ground shall be leveled, graded and covered with sod or seeded in accordance with the approved Plans and the Permit.

Section 10.25. Yard Accessories and Play Structures. Except as otherwise required by Law, all yard accessories and play structures, including basketball hoops or backboards and any other fixed games, shall be located at the side or rear of the Home, except that, in the case of Home(s) on corner Lots, such accessories and structures shall be restricted to the side yard furthest from the side Street and to that portion of the rear yard which is no closer to the side Street than a fence would be permitted to be located by the Governmental Authorities. The location of any play structure shall be approved by the ARB prior to location of the structure on a Lot. No permanent basketball structures are permitted. Temporary basketball structures are allowed only when in use, and must be stored in an area not subject to public view. All yard art is subject to

limitation as to the number, type and location as set for the in the Association Rules and Regulations promulgated from time to time.

Section 10.26. Pools. Swimming pools may not be located in the front or side yard of any Lot, nor nearer than Home to any side Street lot line. Swimming pools, spas, hot tubs, decks, screens, screen enclosures, lanais, etc. (collectively, "**Pool Improvements**"), shall be designed to be compatible and "tie in" with the architecture and material of the subject Home. Screen enclosures and lanais shall be a maximum of one (1) story in height (unless building architecture, as determined by the ARB, requires two (2) stories in height). Tree protection barricades shall remain throughout construction of all Pool Improvements. All swimming pools shall be constructed and built at existing grade unless otherwise expressly approved by the ARB. All Pool Improvements construction shall, at all times, be in accordance with all applicable laws. In no event shall any above-ground swimming pool be permitted within the Community. All swimming pool materials, equipment, and play toys stored on any Lot shall be screened from view from outside the Lot. Swimming pool security fencing and screen enclosures shall be installed subject to applicable hurricane standards within the Florida Building Code or other applicable jurisdictional codes. No Pool Improvements may be constructed, erected, or maintained upon any Lot without the prior written approval of the ARC.

Section 10.27. Use; Rentals; Timesharing.

A. Lots shall be used for single family residential purposes only. No trade, business, profession, occupation or other commercial activity or use shall be conducted on any Lot or within any Home, provided, however, that an Owner or lawful tenant of a completed Home may use a single room within the Home as an office for conducting business as long as the business: (i) does not involve or require regular visitation of the Lot or Home by clients, customers, suppliers, service providers, or other business invitees, or door-to-door solicitation within the Community; (ii) does not include the manufacture or distribution of any products or goods in the Home or on or from the Community; (iii) is not apparent or detectable by sight, sound, or smell from outside the Home; (iv) complies with applicable land use and zoning requirements; (v) is consistent with the residential character of the Community and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of others within the Community, as determined from time to time in the Board's sole discretion; and (v) is not a daycare facility, child care facility, or assisted living/hospice facility. No signs shall be placed on any Home or Lot which identifies the Home or Lot as a place of business. For purposes of this Section, "**(B)usiness**" shall have its ordinary, customary, generally accepted meaning and shall include, without limitation, any occupation, work, trade, or activity undertaken from time to time or on an ongoing basis which involves providing goods or services to persons other than the family of the producer and for which the producer receives a fee, compensation, or other form of monetary or non-monetary consideration, regardless of whether: (A) such activity is engaged in full or part-time; (B) such activity is intended to or does generate a profit; or (C) a license is required. This Section shall not apply to restrict Declarant's or Declarant's affiliates' activities, nor shall it restrict the activities of persons or entities Declarant approves with respect to the development and marketing/sale of property within the Community. This Section also shall not apply to Association activities related to the provision of services or to operating and maintaining the Community, including the Community's recreational and other amenities. Leasing a Home is not a "business" within the meaning of this Section. Temporary uses of Lots by Declarant and its

affiliates or assigns (including Builders as may be designated by Declarant from time to time) for model homes, sales displays, parking lots, sales offices, and other offices or uses, or any one or combination of the foregoing, shall be permitted until permanent cessation of such uses takes place. No changes may be made in buildings or structures erected by Declarant or its affiliates (except if such changes are made by Declarant) without the consent of Declarant and the ARB as provided herein.

B. Owners shall be permitted to lease their Home, provided that such lease shall require the tenant thereunder to comply with the Governing Documents and the terms and conditions of the Rules and Regulations. "Short-Term Rentals" (as that term is defined below) of Homes are prohibited. For purposes of this Declaration, the term "**Short-Term Rentals**" shall mean and refer to the leasing or rental of any Home or Lot to a person or entity for a period of less than seven (7) consecutive months. Should an Owner enter into a lease or rental agreement, and said lease or rental agreement shall terminate or expire earlier than stated therein, then Owner may only enter into one more lease or rental agreement in the calendar year in which the previous lease or rental agreement terminated or expired. The subleasing or sub-renting of a Home is subject to the same requirements and limitations as are applicable to the leasing or renting thereof. If an Owner intending to lease or rent a Home is delinquent in the payment of Assessments, the Association shall be entitled, but not required, to prohibit the Owner from renting or leasing the Home until such delinquency is made current. From time to time, the Association may reserve the right to approve of any form of lease that an Owner wishes to use, or otherwise require inclusion in a lease of certain provisions that the Association may deem necessary or appropriate to assure the tenant's compliance with all the terms and provisions of the Governing Documents and the Rules and Regulations. The Association may charge a reasonable administrative fee not to exceed One Hundred and No/100 Dollars (\$100.00) for the required review of any lease or rental agreement, or other such amount as permitted by law from time to time. Homes shall be leased in their entirety, and no individual rooms may be leased.

C. No time sharing plan (as defined in Chapter 721, Florida Statutes, as may be amended from time to time), or any similar plan of fragmented or interval ownership of Homes shall be permitted. De facto timesharing of a Home shall not be permitted. By way of example but not limitation, de facto timesharing shall include use of a Home by multiple persons, such as siblings or business associates, who intend that they and their families would split occupancy of the Home into different periods for use during the year.

Section 10.28. Tree Removal and Landscaping. Except if done by Declarant, trees measuring six inches (6") or more in diameter at three feet (3') or more above ground level shall not be cut or removed without the prior written consent of the ARB; provided, however, if approved by the ARB, trees located within six feet (6') of the location of the Home may be removed, regardless of size, without prior approval of the ARB. More restrictive arbor ordinances or environmental laws shall control in the event of conflict herewith. There shall be no removal of trees or Lot clearing, other than clearing of underbrush, until the ARB has approved in writing a general, conceptual landscape plan that designates those existing trees to be retained and preserved on the Lot. All Lots shall have fully sodded front and side lawns using grass (i.e., *Stenotaphrum Secundatum* "Floratum" or a similar variety) except in approved landscape or retained natural areas, or as otherwise installed by Declarant or permitted by the ARB. All areas of each Lot not covered by building improvements or included within approved gardens and natural areas within

the Lot shall be sodded prior to occupancy of the Home on that Lot. Unless prohibited by Law, natural areas shall be finished by removal of underbrush and addition of mulch. Notwithstanding anything contained herein to the contrary and unless done so by Declarant, prior to Turnover no tree, regardless of size, shall be removed without prior written consent of the ARB.

Section 10.29. Homes.

A. No Home shall contain less than the minimum square footage required by the Local Government, nor greater than the maximum square footage permitted by the Local Government.

B. Each Home shall have an attached fully enclosed garage capable of housing not less than one (1) standard sized automobile, which shall not be enclosed for use as a living area.

C. Setbacks for Homes shall be as permitted by the Local Government.

D. No Home shall exceed two (2) stories in height.

E. No Home shall have exposed structural block on its front elevation.

F. All driveways shall be constructed of solid concrete or decorative pavers approved by the ARB.

G. Except as may otherwise be provided herein (if at all) with regard to central air conditioning compressor units, all oil tanks, soft water tanks, wood piles, water softeners, well pumps, sprinkler pumps, pool and spa equipment and heaters, and other or similar mechanical fixtures and equipment, shall be screened or located so as not to be visible from a Street or other Lot.

H. Unless installed by Declarant or the Association, the following fence materials are expressly prohibited: (a) metal, other than 4-5 foot black aluminum; (b) plastic, other than PVC which is tan in color; (c) fabric of any type; (d) wood of any type; (e) bamboo; or (f) chain link.

Section 10.30. Mailboxes.

A. Community mailboxes may be provided by the United States Postal Service (“**USPS**”) and individual mailboxes on each Lot shall be prohibited while community mailboxes are utilized by the U.S. Post Office. If community mailboxes are not provided, each Owner shall install a U.S. Postal Service-approved mailbox, the color, style and design of which shall be subject to approval by the ARB. All individual mailboxes shall be mounted on a 4” X 4” vertical post with a supporting bracket installed at a 45 degree angle to the post. Except for identifying numbers and letters, the mailbox shall be painted solid black and the post and support shall be painted solid white.

B. Notwithstanding the foregoing, in connection with the development of the Community, should: (a) the USPS require the use of cluster box units approved by the USPS (“**CBUs**”) for the purpose of centralized mail delivery by the USPS (“**Centralized Mail Delivery**”) to the Community or any part, Section, or phase thereof; (b) any other Governmental

Authority requires the use of CBUs for Centralized Mail Delivery to the Community or any part, Section, or phase thereof; or (c) Declarant, in its sole discretion, desires to develop the Community or any part, Section, or phase thereof with CBUs for Centralized Mail Delivery, then the Community or the applicable part, Section, or phase thereof shall be developed with concrete slabs on, as applicable, Common Property or Limited Common Property to accommodate the subject CBUs. Unless otherwise undertaken by the USPS from time to time, the Association, as determined necessary by the Board, and, as applicable, at Common Expense or Limited Common Property Expense, shall be responsible for the routine maintenance, repair, and replacement of the aforementioned concrete slabs and all CBUs, all in accordance with any applicable requirements, rules, policies, and guidelines of the USPS. Notwithstanding the foregoing, neither Declarant nor the Association shall ever be responsible for the safety or security of any CBUs or any mailboxes or parcel compartments contained therein. Each Owner and Member acknowledges and agrees that if at any time their Lot is or becomes serviced by CBUs, all mail delivery to said Lot by the USPS will be done via the mailboxes or parcel compartments contained within the CBUs, as opposed to individual, curbside mailboxes for said Lot.

Section 10.31. Exterior Lighting. Except as may be installed initially by Declarant and except for seasonal Christmas or holiday decorative lights, which may be displayed between three (3) days prior Thanksgiving and January 10 only, no spotlights, seasonal and special effect lighting, floodlights or similar high intensity lighting shall be placed or utilized upon any Lot which in any way will allow light to be reflected on any other Lot or the Improvements thereon or upon any Common Area, or any part thereof without the prior written approval of the ARB and in accordance with the Planning Criteria and the Rules and Regulations. Low intensity lighting which does not disturb the Owners or other occupants shall be permitted.

Section 10.32. Approved Builders. All development, construction, and reconstruction of any Home or other Improvements on or about a Lot shall be performed by a Builder approved by Declarant, or by another licensed residential building contractor approved by Declarant or the ARB (after Turnover). D.R. Horton, Inc. shall be deemed an Approved Builder for all purposes under this Declaration.

Section 10.33. Construction Requirement.

A. Construction and completion of any and all Improvements shall be performed and completed by Owner at its sole cost and expense in substantial conformance, in all material respects, with the plans approved by the ARB.

B. For purposes of this Section, “**Completion of Construction**” shall have occurred only upon the satisfaction of the following conditions: (i) the Improvements, including, without limitation, all equipment, fittings and fixtures and all exterior painting, landscaping, patios and driveways required to be installed pursuant to the approved Plans, shall have been substantially completed and installed in substantial conformance, in all material respects, with the approved Plans therefore, as certified by the architect, engineer, or architectural or engineering firm responsible for the creation of the approved Plans; (ii) permanent certificate(s) of occupancy for the Improvements shall have been issued by the appropriate governmental authorities to Owner, and a copy thereof delivered to Declarant, and all other certificates, licenses, permits, authorizations, consents and approvals necessary for the full use and occupancy of the

Improvements for their intended purposes shall have been issued by the appropriate Governmental Authority to Owner, and a copy thereof delivered to Declarant; and (iii) Owner shall have caused to be delivered to Declarant a written certificate from its architect or engineer (the “**Completion Certificate**”) to the effect that the construction of the Improvements, including, without limitation, all equipment, fittings and fixtures required to be installed pursuant to the approved Plans, have been substantially completed and installed in substantial conformance, in all material respects, with the approved Plans and in accordance with all applicable laws relating to the construction of the Improvements, and that direct connection has been made to all abutting public utilities (including water, electricity, storm and sanitary sewer and telephone).

C. For purposes of this Section, “**Commencement of Construction**” or “**Commence Construction**” shall mean that: (a) a building permit has been issued for the Home by the appropriate jurisdiction; (b) construction of the Home has physically commenced beyond site preparation; and (c) the Home’s slab and foundation have been inspected.

Section 10.34. Compliance with Documents. Each Owner and their family members, guests, and invitees shall be bound by and abide by the Governing Documents. The conduct of the foregoing parties shall be considered to be the conduct of the Owner responsible for, or connected in any manner with, such individual’s presence within the Community. Such Owner shall be liable to the Association and shall pay the cost of any maintenance, repair or replacement of any real or personal property located on the Property rendered necessary by his or her act, neglect or carelessness, or by that of any other of the foregoing parties as an Individual Assessment.

Section 10.35. Board’s Rule Making Power. The foregoing use restrictions shall not be deemed to be all inclusive nor restrict the right of the Association to adopt such reasonable rules and regulations governing the use of the Community as the Board may determine from time to time, provided that such rules and regulations: (i) are not in conflict with the provisions hereof; (ii) apply equally to all lawful residents of the Community without discriminating on the basis of whether a Home is occupied by an Owner or his or her lessee; and (iii) for so long as Declarant holds any Homes within the Community for sale in the ordinary course of its business, have the prior written approval of Declarant. Declarant has the right to approve any rule or modification thereof.

Section 10.36. No Implied Waiver. The failure of the Association or Declarant to object to an Owner’s or other party’s failure to comply with the covenants or restrictions contained herein or any other Governing Document (including the rules now or hereafter promulgated) shall in no event be deemed a waiver by Declarant or the Association or of any other party having an interest in the Property of its right to object to same and to seek compliance in accordance with the provisions of the Governing Documents.

Section 10.37. Declarant and Builder Exemption. Declarant and Builders plan to undertake the work of constructing Homes and Improvements upon the Property and may undertake the work of constructing other buildings upon adjacent land or other Property being developed or marketed by Declarant or its affiliates. The completion of that work and the sale, rental and other transfer of Homes is essential to the establishment and welfare of the Property as a

residential community. In order that such work may be completed and a fully occupied community established as rapidly as possible, neither the Owners, the Association, nor the ARB shall do anything to interfere with Declarant's and/or Builder's activities. The Declarant and Builder are exempt from the use restrictions provision, conditions and terms set forth in Sections 10.01, 10.02, 10.04, 10.05, 10.08, 10.09, 10.10, 10.13, 10.14, 10.15, 10.17, 10.18, 10.20, 10.22, 10.24, 10.28, 10.29(B), and 10.33(B) for any Lot which is subject Declarant or Builder construction activity related to the construction of Improvements on the Lots, or other Lots in the Community, and for any Lot or Home on any Lot which is being held for sale or used by Declarant or a Builder for any sales, marketing, construction or related Declarant or Builder activity

ARTICLE XI

DAMAGE OR DESTRUCTION TO ASSOCIATION PROPERTY

Damage to or destruction of all or any portion of the Association Property shall, notwithstanding any provision in this Declaration to the contrary, be handled as follows:

A. If insurance proceeds are sufficient to effect total restoration of damaged or destroyed Association Property, then the Association shall cause such Association Property to be repaired and reconstructed substantially as it previously existed.

B. If insurance proceeds are insufficient to effect total restoration, and the cost of restoration exceeds such proceeds by Twenty-Five Thousand Dollars (\$25,000.00) or less, then the Association shall cause the Association Property to be repaired and reconstructed substantially as it previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a Special Assessment proportionately against each of the Lots in accordance with the provisions of Articles VI and VII herein.

C. If the insurance proceeds are insufficient to effect total restoration and the cost of restoration of the Association Property exceeds said proceeds by over Twenty-Five Thousand Dollars (\$25,000.00), then by the written consent or vote of a majority of the voting interests, they shall determine whether: (a) to rebuild and restore either: (i) in substantially the same manner as the Improvements existed prior to the damage or destruction; or (ii) in a manner less expensive, and in the event of (i) or (ii) to raise the necessary rebuilding and restoration funds by levying pro rata restoration and construction Special Assessments against all Lots; or (b) to not rebuild and to retain available insurance proceeds. In the event it is decided that the damaged or destroyed Association Property shall not be rebuilt, the remains of any structure or structures shall be torn down and hauled away, so as not to be a safety hazard or visual nuisance, and the land shall be fully sodded with grass and landscaped or otherwise treated in an attractive manner. Notwithstanding anything contained herein to the contrary, any decision not to rebuild or to rebuild in a manner which would result in a change in the Improvements on the Association Property shall not be effective without the prior written approval of Declarant as long as Declarant owns any portion of the Property.

D. Each Owner shall be liable to the Association for any damage to the Association Property not fully covered or collected by insurance which may be sustained by reason of the

negligence or willful misconduct of said Owner or of his family, lessees, invitees and guests, both minors and adults.

E. In the event that the repairs and replacements were paid for by any Special Assessments as well as insurance proceeds and regular Assessments, then, if after the completion of and payment for the repair, replacement, construction or reconstruction there shall remain any excess in the hands of the Association, it shall be presumed that the monies disbursed in payment of any repair, replacement, construction and reconstruction were first disbursed from insurance proceeds and regular Assessments and any remaining funds shall be deemed to be the remaining Special Assessments which shall be returned to the Owners by means of a pro rata distribution in accordance with the collection of such Special Assessments.

ARTICLE XII

H. **Condemnation.** In the event the Association receives any award or payment arising from the taking of any Association Property or any part thereof as a result of the exercise of the right of condemnation or eminent domain, the net proceeds thereof shall first be applied to the restoration of such taken areas and Improvements thereon to the extent deemed advisable by the Board and approved by at least two-thirds (2/3) of the total voting interests, and the remaining balance thereof, if any, shall then be distributed pro rata to Owners and mortgagees of Lots as their respective interests may appear.

I. **Waiver of Subrogation.** As to each policy of insurance maintained by the Association which will not be voided or impaired thereby, the Association hereby waives and releases all claims against the Board, the Owners, the Declarant and the agents and employees of each of the foregoing, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement of said persons, but only to the extent that such insurance proceeds are received in compensation for such loss.

Section 12.02. Individual Insurance. Each Owner further covenants and agrees that in the event of a partial loss or damage resulting in less than total destruction of structures comprising its Lot, the Owner shall proceed promptly to repair or to reconstruct the damaged structure in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with this Declaration. Said Owner shall pay any costs of repair or reconstruction which is not covered by insurance proceeds. In the event that the structure is

totally destroyed, said Owner may decide not to rebuild or to reconstruct, in which case the Owner shall clear the Lot of all debris and return it to substantially the natural state in which it existed prior to the beginning of construction and thereafter the Owner shall continue to maintain the Lot in a neat and attractive condition consistent with the terms hereof, any Rules and Regulations, and all applicable law. Assessments shall still apply to and be levied against any Lot cleared and thereafter maintained pursuant to the provisions of this Section. Any such cleared Lot shall still, at all times, continue to be responsible for payment of full Assessments, regardless of the fact that the Lot and Owner may not benefit from maintenance and other services otherwise provided by the Association to occupied or improved Lots.

Section 12.03. Insurance Premiums. Premiums for all insurance obtained by the Association pursuant to this Article XII shall be at Common Expense. The Association, in its discretion, if permitted by law, may elect to self-insure against any risk.

ARTICLE XIII

ARTICLE XIV

AMENDMENT

Section 14.01. Amendment by Members

A. **Amendment by Written Instrument.** This Declaration may be amended (an "**Amendment**") at any time by the holders of two-thirds (2/3) of the votes in the Association (without regard to membership class) prevail at a meeting where a quorum has been obtained. Upon approval of an Amendment in accordance with the preceding sentence, the Board shall direct the appropriate Officer, agent or employee of the Association to have a written instrument prepared in recordable form which instrument shall set forth the text of the approved Amendment, and which Amendment shall also comply with all requirements of the Association Act. Upon execution of the Amendment by the holders of at least a simple majority of the votes in the Association (without regard to membership class), the Board shall direct the appropriate

Officer, agent or employee of the Association to record the Amendment in the Public Records. The Amendment will be deemed effective upon recording.

B. **Amendment by Vote at a Duly-Authorized Meeting.** An Amendment may be proposed by Declarant (before or after Turnover), the Association, or after Turnover, through a petition signed by ten percent (10%) of the Owners. If a proposed Amendment is to be adopted by a vote, a written copy of the proposed Amendment shall be furnished to each Owner at least thirty (30) days, but not more than ninety (90) days, prior to a duly-authorized meeting called to discuss the proposed Amendment. To pass, the proposed Amendment shall be approved upon the affirmative vote of at least a simple majority of the membership casting votes (either in person or by proxy) at a meeting duly called to consider the proposed Amendment. Upon the approval of an Amendment pursuant to this Section 14.01(B), the President and Secretary shall execute a written instrument in recordable form which shall set forth the text of the Amendment, the effective date of the Amendment, the date of the meeting of the Association at which such Amendment was adopted, the date that notice of such meeting was given, the total number of votes cast at the meeting (either in person or by proxy), the total number of votes necessary to adopt the Amendment, the total number of votes cast for the Amendment, and the total number of votes cast against the Amendment. The written Amendment executed by the President and Secretary shall be recorded in the Public Records. The Amendment will be deemed effective upon Recording.

C. **Amendment by Declarant.** Until such time as Turnover occurs, Declarant specifically reserves the absolute and unconditional right to alter, modify, change, revoke, rescind, amend, restate, or cancel all or any portion of this Declaration (or any of the other Governing Documents) or the restrictive covenants contained in this Declaration (or in any of the other Governing Documents); provided, however, that to be valid and enforceable, any such amendment by Declarant may not be arbitrary, capricious, or in bad faith; destroy the general plan of development of the community; prejudice the rights of existing non-declarant Members to use and enjoy the benefits of Common Property; or materially shift economic burdens from the Declarant to the existing non-declarant Members. Following Declarant's relinquishment of control of the Association, this Declaration may only be amended pursuant to the provisions of such Section 14.01(A) and Section 14.01(B) hereof.

Section 14.02. Restrictions on Amendments. Notwithstanding anything to the contrary contained in Section 14.01 hereof, no Amendment to this Declaration may: (i) remove, revoke, or modify any right or privilege of Declarant without the prior express written consent of Declarant or the assignee of any such right or privilege which consent may be granted, conditioned or denied in such party's absolute and sole discretion; (ii) impair the validity or priority of the lien of any Mortgage or impair the rights granted to mortgagees herein without the prior written consent of such mortgagees; (iii) to the extent that any provision of the Declaration has been included to satisfy a condition of approval of a planned development, preliminary subdivision plan, development order or a subdivision plat of the property, such provision shall not be changed, amended, modified or otherwise deleted or eliminated without the prior written consent of the applicable Governmental Authority; (iv) result in or facilitate a termination of the Association's obligation to maintain the Common Property; or (v) change, amend, modify, eliminate or delete the restrictions contained in this Section 14.02. Additionally, any proposed Amendment which would have the effect of materially altering the general plan of development

for the Development or which would materially prejudice the Owners' rights to use and enjoy the benefits of the Common Property, shall require the unanimous written consent of all Owners. No Amendment shall be permitted that would violate the Association Act.

ARTICLE XV

DURATION AND TERMINATION

This Declaration shall run with and bind and benefit the Property, and shall inure to the benefit of and be enforceable by Declarant, the Association and any Owner, and their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the Effective Date, after which time this Declaration and each Supplemental Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the commencement of any 10-year extension period an instrument properly executed and signed by the Owners of eighty percent (80%) of the Lots and agreeing to terminate this Declaration is recorded in the Public Records.

ARTICLE XVI

ENFORCEMENT

Section 16.01. Compliance by Owners. Every Owner and all guests, tenants, subtenants, occupants, licensees, and guests and invitees of any Member, shall comply with the restrictions and covenants set forth in this Declaration and any and all Rules and Regulations which from time to time may be adopted.

Section 16.02. Enforcement. Failure of an Owner or that Owner's tenants, subtenants, occupants, licensees, invitees and guests to comply with the restrictions and covenants set forth in this Declaration or the Rules and Regulations applicable to the Owner, the Lot, Home or the Property, shall be grounds for immediate action which may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof. The offending Owner shall be responsible for all costs and expenses of enforcement, including, but not limited to, pre-trial and trial attorneys' and paralegals' fees actually incurred and court costs, fees and expenses. If any person shall violate or attempt or threaten to violate the provisions of this Declaration, it shall be lawful for Declarant, any Owner, or the Association: (a) to prosecute proceedings for the recovery of damages against those so violating or attempting to violate the provisions of this Declaration; (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting or threatening to violate the provisions of this Declaration, for the purpose of preventing or enjoining all or any such violations or attempted or threatened violations; or (c) to maintain a proceeding for any other equitable or legal recourse or remedy available at law or in equity to address or prevent the violation or attempted or threatened violation of this Declaration. In addition, whenever there shall have been built or there shall exist on any Lot any structure, building, thing or condition which violates the provisions of this Declaration, Declarant or the Association (but not any Owner) shall have the right, but not the obligation, to enter upon the Lot where such violation exists and summarily abate and remove the same, all at the expense of the Owner of such Lot, which expense shall constitute an Individual Assessment, and such entry and abatement or removal shall not be

deemed a trespass or make Declarant, the Board, or Association, or the directors, officers, members, agents, employees, contractors or subcontractors of any of the foregoing, liable for any damages on account thereof. The remedies contained in this Section 16.02 shall be cumulative of all other remedies now or hereafter provided by law, in equity, or by virtue of this Declaration. The failure of Declarant, the Board, the Association, or an Owner to enforce any covenant, restriction, obligation, right, power, privilege or reservation contained in this Declaration, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto.

Section 16.03. Fines; Suspension. In addition to all other remedies, and to the maximum extent lawful, in the sole discretion of the Board, (A) a fine or fines may be imposed upon an Owner for failure of an Owner or that Owner's tenants, subtenants, occupants, licensees, invitees and guests to comply with any condition, covenant or restriction contained in this Declaration or any Rule or Regulation, and (B) the Association shall have the right to suspend for a reasonable period of time the rights of use of the Common Property and the facilities located thereon (except for vehicular and pedestrian ingress to and egress from the Lot, including, but not limited to, the right to park of defaulting Owners) provided that before imposing any fine or suspension, the following procedures are adhered to:

A. **Notice.** The Association shall notify the Owner of the alleged infraction or infractions. Included in the notice shall be the date and time of a hearing of a committee of at least three (3) Members who are appointed by the Board (the "**Committee**"), at which time the Owner may present reasons why a fine(s) or suspension should not be imposed. The members of the Committee shall not be Officers, Directors, or employees of the Association, or the spouse, parent, child, brother or sister of an Officer, Director, or employee of the Association. At least fourteen (14) days' notice of such meeting shall be given.

B. **Hearing.** The alleged non-compliance shall be presented to the Committee after which the Committee shall hear reasons why a fine(s) or suspension should not be imposed. A written decision of the Committee shall be submitted to the Owner by not later than twenty-one (21) days after the Committee's hearing. The Owner shall have a right to be represented by counsel and to cross examine witnesses. If the Committee does not approve a proposed fine or suspension by majority vote, it may not be imposed.

C. **Amounts.** The Board (if the Committee's findings are made against the Owner) may impose a suspension or a fine in the form of Special Assessments against the Lot owned by the Owner as follows:

(1) For each separate violation, a fine not exceeding One Hundred Dollars (\$100.00). Each day that there exists on any Lot any structure, thing or condition which violates this Declaration shall be considered a separate violation.

(2) Because Declarant intends that the Property be developed and occupied as a high-end residential development, it is important that the Association have the authority and leeway to enforce the covenants, conditions, and restriction set forth in the Governing Documents and the Rules and Regulations by meaningful fines. Therefore,

finest may exceed One Thousand and No/100 Dollars (\$1,000.00) in the aggregate and there shall be no limit on the aggregate amount of fines that may be levied for continuing violations of the covenants, conditions, and restriction set forth in the Governing Documents or in the Rules and Regulations.

D. **Payment and Collection of Fines.** Any Owner against whose Lot fines have been levied shall remit such fines to the Association within thirty (30) days of receiving notice of such fines from the Association. The Association may pursue legal and equitable remedies to recover such fines. Fines shall be treated as an Individual Assessment subject to the provisions for the collection of Individual Assessments, and the lien securing same, as set forth herein.

E. **Application of Proceeds.** All moneys received from fines shall be allocated as directed by the Board.

F. **Non-exclusive Remedy.** These fines and suspensions shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; provided, however, any fines paid by the offending Owner shall be deducted from or offset against any damages which the Association may otherwise be entitled to recover by Law from such Owner.

G. **CPI.** Unless limited by Law, specific dollar amounts stated in this Section 16.03 shall increase from time to time by application of a nationally recognized consumer price index chosen by the Board of Directors, using the year of the Effective Date as the base year. In the event no such consumer price index is available, the Board shall choose a reasonable alternative to compute such increases.

H. **Suspension of Voting Rights.** In accordance with Florida law, the Association may suspend the voting rights of a Member for the nonpayment of regular Annual Assessments that are delinquent in excess of ninety (90) days.

ARTICLE XVII

DECLARANT AND BUILDER RESERVATION

Section 17.01. Declarant and Builder Reservation. Any provision of this Declaration to the contrary notwithstanding, until Declarant has completed all of the contemplated Improvements and the Lots have been sold to Third Party Purchasers, neither the Owners nor the Association shall interfere with, or allow the interference with, the completion of Declarant's planned Improvements and the sale of the Lots. Declarant may make such lawful use of the unsold Lots and the Common Property, without charge, as may facilitate such completion and sale, including, but not limited to, maintenance of sales and construction trailers and offices, the showing of the Lots and the display of signs and the use of Lots for vehicular parking. Without limiting the generality of the foregoing, except only when the express provisions of this Declaration prohibit Declarant from taking a particular action, nothing in this Declaration shall be understood or construed to prevent or prohibit Declarant from any of the following:

A. Doing on any property or Lot owned or controlled by it, whatever it determines to be necessary, convenient or advisable in connection with the completion of the development of

the Property, including without limitation, the alteration of its construction plans and designs as Declarant deems advisable in the course of development (all models or sketches showing plans for future development of the Property, as same may be expanded, may be modified by Declarant at any time and from time to time, without notice); or

B. Erecting, constructing and maintaining on any property or Lot owned or controlled by Declarant, such structures as may be reasonably necessary for the conduct of its business of completing said development and establishing the Property as a community and disposing of the same by sale, lease or otherwise; or

C. Conducting on any property or Lot owned or controlled by Declarant, its business of developing, subdividing, grading and constructing Improvements in the Property and of disposing of Lots therein by sale, lease or otherwise; or

D. Determining in its sole discretion the nature of any type of Improvements to be initially constructed as part of the Development or the Property; or

E. Maintaining such sign or signs on any property or Lot owned or controlled by Declarant as may be necessary or desired in connection with the operation of any Lots owned by Declarant or the sale, lease, marketing or operation of the Lots; or

F. Recording Supplemental Declarations which modify or amend this Declaration, which add or withdraw Additional Property, or that otherwise allow or permit Declarant to effect any action which may be required of Declarant by the Local Government or any other Governmental Authority or quasi-governmental agency in connection with the development and continuing operation of the Property; or

G. Modifying, changing, re-configuring, removing or otherwise altering any Improvements located on the Common Property or utilizing all or portions of the Common Property for construction access or staging (provided that same does not impair existing platted access (as shown on any recorded Plats) or utility services to the Lots); or

H. Causing utilities to be available to all portions of the Property, including, but not limited to, the reserving or granting of easements and rights of way as may be necessary to locate, install and maintain facilities and connections.

Section 17.02. Amendment. This Article may not be suspended, superseded or modified in any manner by any amendment to this Declaration unless such amendment is consented to in writing by Declarant. This right of use and transaction of business as set forth herein and the other rights reserved by Declarant in the Association Documents may be assigned in writing by Declarant in whole or in part. For the purposes of this Section, the term “**Declarant**” shall include any “**Lender**” which has loaned money to Declarant to acquire or construct Improvements upon the Property, or its successors and assigns if such Lender, its successors or assigns, acquires title to any portion of the Property as a result of the foreclosure of any mortgage encumbering any portion of the Property securing any such loan to Declarant, or acquires title thereto by deed in lieu of foreclosure. The rights and privileges of Declarant as set forth in this Article, which are in addition to, and are no way a limit on, any other rights or privileges of Declarant under any of the Association Documents, shall terminate upon Declarant no longer owning any portion of the

Property (and having any equitable or legal interest therein) or upon such earlier date as Declarant shall notify the Association in writing of Declarant's voluntary election to relinquish the aforesaid rights and privileges.

ARTICLE XVIII

In the event of any conflict between the provisions hereof and the provisions of the Articles, Bylaws, or rules and regulations promulgated by the Association, the provisions of this Declaration shall supersede and control. Section 18.05. Disputes as to Use. In the event there is any dispute as to whether the use of the Property or any portion or portions thereof complies with the covenants, restrictions, easements or other provisions contained in this Declaration, such dispute shall be referred to the Board, and a determination rendered by the Board with respect to such dispute shall be final and binding on all parties concerned therewith. Notwithstanding anything to the contrary herein contained, any use by Declarant of the Property shall be deemed a use which complies with this Declaration and shall not be subject to a contrary determination by the Board.

Section 18.06. Delegation. The Association, pursuant to a resolution duly adopted by the Board, shall have the continuing authority to delegate all or any portion of its responsibilities for maintenance, operation and administration, as provided herein, to any managing agency or entity selected by the Board from time to time and whether or not related to Declarant.

Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot except as elsewhere herein provided does consent and agree to, and shall be conclusively deemed to have consented and agreed to, every limitation, restriction, easement, reservation, condition and covenant contained herein, whether or not any reference to these restrictions is contained in the instrument by which such person acquired an interest in such Property. Declarant shall not in any way or manner be held liable or responsible for any violation of this Declaration by any person other than Declarant.

Section 18.10. Security. The Association may, but shall not be obligated to, maintain or support certain activities within the Property designed to make the Property safer than it otherwise might be. If requested by Declarant, each Owner shall evidence his consent to a Modification in writing (provided, however, that any refusal to give such written consent shall not obviate the automatic effect of this provision). Further, each Owner, by reason of acceptance to such Owner's Lot, hereby agrees to execute, at the request of Declarant, any document and/or consent which may be required by any government agency to allow Declarant and/or its affiliates to complete the plan of development of the Community, as such plan may be hereafter amended, and each such Owner hereby further appoints Declarant as such Owner's agent and attorney-in-fact to execute, on behalf and in the name of each such Owner, any and all of such documents and/or consents. This power of attorney is irrevocable and is coupled with an interest. The provisions of this Section 18.15 may not be amended without Declarant's prior written consent.

ARTICLE XIX

DELINEATED AREAS PROGRAM

Section 19.01. Disclosure of Delineated Areas Program. Developer hereby discloses to all Owners and residents of the Property, that:

A. The Florida Department of Environmental Protection (the "FDEP") administers a program known as the Delineated Areas Program as authorized in Chapter 373, Florida Statutes

(F.S.), Part III, and the requirements of Chapter 62-524, Florida Administrative Code (F.A.C.), New Potable Water Well Permitting in Delineated Areas. According to the FDEP, the primary objectives of the Delineated Areas Program are to protect public health and groundwater resources, and to promote the cost-effective remediation of contaminated potable water supplies. The program objectives, FDEP indicates, are achieved through proper permitting of potable water wells constructed in delineated areas of known groundwater contamination, application of more stringent well construction requirements, mandatory well water testing, and clearance of the well for potable use.

B. As of September 2018, FDEP indicates that approximately 427,897 acres in 38 Florida counties have been delineated as areas of known groundwater contamination under the Delineated Areas Program. Of these areas, the majority are delineated for ethylene dibromide groundwater contamination, although some areas have been delineated for solvents and gasoline groundwater contamination. According to the Florida Department of Health (the "DOH"), ethylene dibromide historically was used in agricultural applications in Florida, including as an agricultural chemical applied to soils around citrus, peanuts and cotton plants. Other uses of ethylene dibromide, DOH indicates, were as a solvent for resins, gums and waxes, use in anti-knock gasoline mixtures, use in waterproofing products and use in making dyes and drugs.

C. Delineated areas of known groundwater contamination are adopted by rule under FDEP regulations, and typically the areas are drawn and mapped to include a protective setback distance from a contaminated well or site. The FDEP implements the Delineated Areas Program through a coordinated effort with the Florida regional water management districts ("WMDs"), the DOH and local county health departments ("CHD"). Within delineated areas, the WMDs or their delegated permitting authority are responsible for the permitting and inspection of all new potable water well construction, repair and abandonment. Under the Delineated Areas Program, new potable water wells constructed in delineated areas must be cleared for potable use by the DOH or the local CHD.

D. The Property is located within an area that has been delineated under the Delineated Areas Program as an area with ethylene dibromide groundwater contamination.

3.3. Special meetings (meetings other than the Annual Members' Meeting) of the Members shall be held at the office of the Association or at such other place within the County whenever called by the President or Vice President or by a majority of the Board. A

special meeting must be called by such President or Vice President upon receipt of a written request from Members having the right to vote at least one-third (1/3) of the total number of votes entitled to be cast by Members at any such special meeting.

3.4. Except as otherwise provided in the Articles, a written notice of each Members' meeting, whether an Annual Members' Meeting or a special meeting (collectively "Meeting"), shall be given to each Member entitled to vote thereat at his last known address as it appears on the books of the Association and shall be mailed or hand delivered to the said address or electronically transmitted to the location furnished by the Member for that purpose not less than fourteen (14) days nor more than forty-five (45) days prior to the date of the Meeting. Proof of such mailing, delivery or electronic transmission shall be given by the affidavit of the person giving the notice. Any notice given hereunder shall state the time and place of the Meeting and the purposes for which the Meeting is called. The notices of all Annual Members' Meetings shall, in addition, specify the number of Directors of the Association to be designated by Declarant and the number of Directors to be elected by the Members, if applicable. Notwithstanding any provisions hereof to the contrary, notice of any Meeting may be waived before, during or after such Meeting by a Member or by the person entitled to vote for such Member by signing a document setting forth the waiver of such notice.

3.5. The Members may, at the discretion of the Board, act by written response in lieu of a Meeting provided written notice of the matter or matters to be agreed upon is given to the Members or duly waived in accordance with the provisions of these Bylaws. Unless some greater number is required under the Governing Documents and except as to the election of Directors, which shall be accomplished by plurality vote, the decision of a majority of the votes cast by Members as to the matter or matters to be agreed or voted upon shall be binding on the Members provided a quorum is either present at such Meeting or submits a response if action is taken by written response in lieu of a Meeting, as the case may be. The notice with respect to actions to be taken by written response in lieu of a Meeting shall set forth the time period during which the written responses must be received by the Association.

3.6. (a) A quorum of the Members shall consist of Members entitled to cast twenty five percent (25%) of the total number of votes of the Members. A quorum of any class of Members shall consist of Class Members of such class entitled to cast twenty five percent (25%) of the total number of votes of the class. "Proxies" (as hereinafter defined in Paragraph 3.10) may be used to establish a quorum.

(b) When a quorum is present at any Meeting and a question which raises the jurisdiction of such Meeting is presented, the holders of a majority of the voting rights present in person or represented by written Proxy shall be required to decide the question. However, if the question is one upon which a vote other than the majority vote of a quorum is required by express provision of the Governing Documents or by law, then such express provision shall govern and control the required vote on the decision of such question.

3.7. At any Annual Members' Meeting when elections of Directors are to occur, written ballots are to be supplied to Members for such purposes. Members may vote for Directors in person or by Proxy. Members are not permitted to vote for Directors by absentee

ballot. Furthermore, at any Annual Members' Meeting at which Directors are to be elected, the "Chairman" (as hereinafter defined in Paragraph 6.2) shall appoint an "Election Committee" consisting of three (3) Members to supervise the election, count and verify ballots, disqualify votes if such disqualification is justified under the circumstances and certify the results of the election to the Board. The Election Committee shall be able to determine questions within its jurisdiction by plurality vote of all three (3) members, but matters resulting in deadlocked votes of the Election Committee shall be referred to the entire Board for resolution.

3.8. If a quorum is not in attendance at a Meeting, the Members who are present, either in person or by Proxy, may adjourn the Meeting from time to time until a quorum is present with no further notice of such adjourned Meeting being required unless otherwise determined by the Board.

3.9. Minutes of all Meetings shall be kept in a businesslike manner and be available for inspection by the Members and Directors at all reasonable times. The Association shall retain minutes for at least seven (7) years subsequent to the date of the meeting the minutes reflect.

3.10. Voting rights of Members shall be as stated in the Articles with respect to the election of all Boards other than the First Board. Such votes may be cast in person or by absentee ballot. Proxies may be used to vote on other agenda items at meetings at which Directors are to be elected, and may also be used to establish a quorum. "Proxy" is defined to mean an instrument containing the appointment of a person who is substituted in the place and stead of the person or authorized representative of an entity entitled to vote. Proxies shall be in writing signed by the person or authorized representative of an entity giving the same and shall be valid only for the particular Meeting designated therein and, if so stated in the Proxy, any adjournments thereof, provided, however, any proxy automatically expires ninety (90) days after the date of the meeting for which it was originally given. A Proxy must be filed with the Secretary of the Association before the appointed time of the Meeting in order to be valid. Any Proxy may be revoked prior to the time a vote is cast in accordance with such Proxy.

3.11. The voting on any matter at a Meeting shall be by secret ballot upon request of the holders of twenty percent (20%) of the votes represented at such Meeting and entitled to be cast on such matter, if such request is made prior to the vote in question.

Section 4. Board; Directors' Meetings

4.1. The business and administration of the Association shall be by its Board.

4.2. The election and, if applicable, designation of Directors shall be conducted in accordance with the Articles. Except for Declarant-appointed Directors, Directors must be Members or the parents, children or spouses of Members.

4.3. (a) Any person elected or designated as a Director shall have all the rights, privileges, duties and obligations of a Director of the Association.

(b) The term of a Director's service shall be as stated in the Articles and, if not so stated, shall extend until the next Annual Members' Meeting and thereafter until his/her successor is duly elected and qualified or until he/she resigns or is removed in the manner elsewhere provided.

4.4. The organizational meeting of a newly elected Board shall be held within ten (10) days of its election at such place and time as shall be fixed by the Directors at the meeting at which they were elected. Provided the organizational meeting is held directly following the Annual Members' Meeting, no further notice of the organizational meeting shall be necessary; if not, however, notice of the organizational meeting shall be given in accordance with Section 720.303(2) of the HOA Act.

4.5. Regular meetings of the Board may be held at such times and places at the office of the Association or at such other place in the County as shall be determined from time to time by a majority of the Directors. Special meetings of the Board may be called at the discretion of the President or the Vice President. Special meetings must be called by the Secretary at the written request of at least one-third (1/3) of the Directors. Any such special meeting may be held at the office of the Association or at such other place in the County at such time and place as determined by the Directors requesting such meeting or in such other place as all of the Directors shall agree upon.

4.6. Notice of the time and place of regular and special meetings of the Board, or adjournments thereof, shall be given to each Director personally, by mail, telephone or electronically transmitted if correctly directed to an electronic mail address at which the Director has consented to receive notice at least forty-eight (48) hours prior to the day named for such meeting unless such notice is waived before, during or after such meeting. Any Director may waive notice of the meeting in writing before, during or after a meeting and such waiver shall be deemed equivalent to the receipt of notice by such Director.

4.7. Notice of all Board meetings shall be given to the members in accordance with the HOA Act.

4.8. A quorum of the Board shall consist of the Directors entitled to cast a majority of the votes of the entire Board. Matters approved by a majority of the Directors present at a meeting at which a quorum is present shall constitute the official acts of the Board, except as may be otherwise specifically provided by law, by the Articles or elsewhere herein. If at any meeting of the Board there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time until a quorum is present. At any meeting that takes place on account of a previously adjourned meeting, any business which might have been transacted at the meeting as originally called may be transacted. In the case of the adjournment of a meeting, no further notice of the adjourned meeting need be given unless otherwise determined by the Board.

4.9. The presiding officer at all Board meetings shall be the President. In the absence of the President, the Directors shall designate any one of their number to preside.

4.10. Directors' fees, if any, shall be determined by the Members.

4.11. Minutes of all meetings of the Board shall be kept in a businesslike manner and be available for inspection by Members and Directors at all reasonable times.

4.12. The Board shall have the power to appoint an "Executive Committee(s)" of the Board consisting of not less than three (3) Directors. The Executive Committee(s) shall have and exercise such powers of the Board as may be delegated to such Executive Committee(s) by the Board.

4.13. Meetings of the Board shall be open to all Members. The Board may also hold closed meetings to the extent permitted by applicable law, including, by way of example but not by way of limitation, when the discussion at a meeting is governed by attorney-client privilege. Members shall have the right to participate in meetings with reference to all designated agenda items in accordance with the HOA Act and any rules and regulations promulgated by the Association. In the event a Member conducts himself or herself in a manner detrimental to the carrying on of the meeting, then any Director may expel said Member from the meeting by any reasonable means which may be necessary to accomplish said Member's expulsion. Also, any Director shall have the right to exclude from any meeting of the Board any person who is not able to provide sufficient proof that he or she is a Member or a duly authorized representative, agent or proxy holder of a Member, unless said person has been specifically invited by any of the Directors to participate in such meeting.

4.14. Any action required or permitted to be taken at a meeting of the Directors may be taken without a meeting if a consent in writing, specifically setting forth the action to be taken, shall be signed by all the Directors entitled to vote with respect to the subject matter thereof and such consent shall have the same force and effect as a unanimous vote of the Directors, provided, however, whenever assessments are to be considered, they may be considered only at a meeting of the Directors properly noticed in accordance with the HOA Act.

Section 5. Powers and Duties of the Board

5.1. All of the powers and duties of the Association shall be exercised by the Board. Such powers and duties of the Board shall include, but not be limited to, all powers and duties set forth in the Governing Documents, as well as all of the powers and duties of a director of a corporation not for profit not inconsistent therewith.

5.2. The Association may employ a manager to perform any of the duties, powers or functions of the Association. Notwithstanding the foregoing, the Association may not delegate to the manager the power to conclusively determine whether the Association should make expenditures for capital additions or improvements chargeable against the Association funds. The members of the Board shall not be personally liable for any omission or improper exercise by the manager of any duty, power or function delegated to the manager by the Association.

Section 6. Officers of the Association

6.1. Executive officers of the Association shall be the President, who shall be a Director, one or more Vice Presidents, a Treasurer and a Secretary, all of whom shall be elected annually by the Board. Any officer may be removed without cause from office by vote of the Directors at any meeting of the Board. The Board may, from time to time, elect such other officers and assistant officers and designate their powers and duties as the Board shall find to be required to manage the affairs of the Association. One person may hold any two offices simultaneously, except when the functions of such offices are incompatible, but no person shall hold the office of President and any of the following offices simultaneously: Vice President, Secretary or Assistant Secretary.

6.2. The President shall be the chief executive officer of the Association. He/She shall have all of the powers and duties which are usually vested in the office of the President of an association or a corporation not for profit, including, but not limited to, the power to appoint such committees from among the Members at such times as he/she may, in his/her discretion, determine appropriate to assist in the conduct of the affairs of the Association. If in attendance, the President ("Chairman") shall preside at all meetings of the Board and the Members; provided, however, that the President may appoint a substitute.

6.3. In the absence or disability of the President, the Vice President shall exercise the powers and perform the duties of the President. If there is more than one (1) Vice President, the Board shall designate which Vice President is to perform which duties. The Vice President(s) shall also generally assist the President and exercise such other powers and perform such other duties as shall be prescribed by the Board. In the event there shall be more than one Vice President elected by the Board, then they shall be designated as "First Vice President", "Second Vice President", etc., and shall exercise the powers and perform the duties of the presidency in such order.

6.4. The Secretary shall keep the minutes of all meetings of the Board and the Members, which minutes shall be kept in a businesslike manner and be available for inspection by Members and Directors at all reasonable times. The Secretary shall have custody of the seal of the Association and affix the same to instruments requiring such seal when duly authorized and directed to do so. The Secretary shall be custodian for the corporate records of the Association, except those of the Treasurer, and shall perform all of the duties incident to the office of Secretary of the Association as may be required by the Board or the President. The Assistant Secretary, if any, shall perform the duties of the Secretary when the Secretary is absent and shall assist the Secretary under the supervision of the Secretary.

6.5. The Treasurer shall have custody of all of the monies of the Association, including funds, securities and evidences of indebtedness. The Treasurer shall keep the assessment rolls and accounts of the Members and shall keep the books of the Association in accordance with good accounting practices and he/she shall perform all of the duties incident to the office of the Treasurer. The Assistant Treasurer, if any, shall perform the duties of the Treasurer when the Treasurer is absent and shall assist the Treasurer under the supervision of the Treasurer.

6.6. The compensation, if any, of the officers and other employees of the Association shall be fixed by the Board. This provision shall not preclude the Board from hiring a Director as an employee of the Association or preclude contracting with a Director or a party affiliated with a Director for the management or performance of contract services for all or any part of Charles Cove.

Section 7. Resignations

Any Director or officer may resign his/her post at any time by written resignation, delivered to the President or Secretary, which shall take effect upon its receipt unless a later date is specified in the resignation, in which event the resignation shall be effective from such date unless withdrawn. The acceptance of a resignation shall not be required to make it effective. The conveyance of all Homes owned by any Director or officer (other than appointees of Declarant) shall constitute a written resignation of such Director or officer.

Section 8. Accounting Records; Fiscal Management

8.1. The Association shall prepare financial reports and maintain accounting records in accordance with the HOA Act. The accounting records of the Association shall be open to inspection by Members and Institutional Mortgagees or their respective authorized representatives at reasonable times and in accordance with, but subject to the limitations of, the HOA Act. Such authorization as a representative of a Member must be in writing and signed by the person giving the authorization and dated within sixty (60) days of the date of the inspection. Such records shall include, but not be limited to: (i) a record of all receipts and expenditures; (ii) an account for each Lot within Charles Cove which shall designate the name and address of the Owner thereof, the amount of Individual Lot Assessments and all other Assessments, if any, charged to the Lot, the amounts and due dates for payment of same, the amounts paid upon the account and the dates paid, and the balance due; (iii) any tax returns, financial statements and financial reports of the Association; and (iv) any other records that identify, measure, record or communicate financial information.

8.2. The Board shall adopt a Budget (as defined and provided for in the Declaration) of the anticipated operating expenses for each forthcoming calendar year (the fiscal year of the Association being the calendar year) at a special meeting of the Board ("Budget Meeting") called for that purpose to be held during the month of November or December of the year preceding the year to which the Budget applies. Prior to the Budget Meeting, a proposed Budget for the operating expenses shall be prepared by or on behalf of the Board. Within thirty (30) days after adoption of the Budget, a copy thereof shall be furnished to each Member, upon request, and each Owner shall be given notice of the Individual Assessment applicable to his/her Home(s). The copy of the Budget, if requested, shall be deemed furnished and the notice of the Individual Assessment shall be deemed given upon its delivery or upon its being mailed to the Owner shown on the records of the Association at his/her last known address as shown on the records of the Association.

8.3. In administering the finances of the Association, the following procedures shall govern: (i) the fiscal year shall be the calendar year; (ii) any monies received by the Association in any calendar year may be used by the Association to pay expenses incurred in the same calendar year; (iii) there shall be apportioned between calendar years on a *pro rata* basis any expenses which are prepaid in any one calendar year for Operating expenses which cover more than such calendar year; (iv) Assessments shall be made quarterly in amounts no less than are required to provide funds in advance for payment of all of the anticipated current Operating expenses and for all unpaid Operating expenses previously incurred; and (v) items of Operating expenses incurred in a calendar year shall be charged against income for the same calendar year regardless of when the bill for such expenses is received. Notwithstanding the foregoing, the Assessments for Operating expenses and any periodic installments thereof shall be of sufficient magnitude to insure an adequacy and availability of cash to meet all budgeted expenses in any calendar year as such expenses are incurred in accordance with the accrual basis method of accounting.

8.4. Individual Assessments shall be payable as provided in the Declaration.

8.5. No Board shall be required to anticipate revenue from Assessments or expend funds to pay for Operating expenses not budgeted or which shall exceed budgeted items, and no Board is required to engage in deficit spending. Should there exist any deficiency which results from there being greater Operating expenses than monies from Assessments, then such deficits shall be carried into the next succeeding year's Budget as a deficiency or shall be the subject of a Special Assessment or an upward adjustment to the Individual Assessment.

8.6. The depository of the Association shall be such bank or banks as shall be designated from time to time by the Board in which the monies of the Association shall be deposited. Withdrawal of monies from such account shall be only by checks signed by such persons as are authorized by the Board.

8.7. A report of the accounts of the Association shall be made annually by an accountant and a copy of the report shall be furnished to each Member who requests same in writing no later than the first day of April of the year following the year for which the report is made. The report shall be deemed to be furnished to the Member upon its delivery or mailing to the Member at his/her last known address shown on the records of the Association.

Section 9. Rules and Regulations

The Board may at any meeting of the Board adopt rules and regulations or amend, modify or rescind then existing rules and regulations for the operation of Charles Cove; provided, however, that such rules and regulations are not inconsistent with the terms or provisions of the Governing Documents. Copies of any rules and regulations promulgated, amended or rescinded shall be mailed or delivered to all Members at the last known address for such Members as shown on the records of the Association at the time of such delivery or mailing and shall not take effect until forty-eight (48) hours after such delivery or mailing, or, in the event both forms of notification are used, whichever is later. Notwithstanding the foregoing, when rules and regulations are to regulate the use of a specific portion of the Property, same shall

be conspicuously posted and such rules and regulations shall be effective immediately upon such posting. Care shall be taken to insure that posted rules and regulations are conspicuously displayed and easily readable and that posted signs or announcements are designed with a view toward protection from weather and the elements. Posted rules and regulations which are torn down or lost shall be promptly replaced.

Section 10. Parliamentary Rules

The then latest edition of Robert's Rules of Order shall govern the conduct of all meetings of the Members and the Board; provided, however, if such rules of order are in conflict with any of the Governing Documents, Robert's Rules of Order shall yield to the provisions of such instrument.

Section 11. Roster of Owners

Each Owner shall file with the Association a copy of the deed or other document showing his or her ownership of a Lot in Charles Cove. The Association shall maintain such information. The Association shall also maintain the electronic mailing addresses and numbers designated by Owners for receiving notices sent by electronic transmission of those Owners consenting to receive notice by electronic transmission. The electronic mailing address and numbers provided by Owners to receive notice by electronic transmission shall be removed from Association records when consent to receive notice by electronic transmission is revoked. The Association may rely on the accuracy of such information for all purposes until notified in writing of changes therein. The Association may rely on the accuracy of such information for all purposes until notified in writing of changes therein.

Section 12. Amendment of the Bylaws

12.1. These Bylaws may be amended as hereinafter set forth in this Section 12.

12.2 After the Turnover Date, any Bylaw of the Association may be amended or repealed, and any new Bylaw of the Association may be adopted by either:

(i) a majority vote of the Members at any Annual Members' Meeting or any special meeting of the Members called for that purpose or by majority action of the Members who have acted by written response in lieu of a Meeting as permitted by these Bylaws; or

(ii) by the affirmative vote of a majority of the Directors then in office at any regular meeting of the Board or at any special meeting of the Board called for that purpose or by written instrument signed by all of the Directors as is permitted by these Bylaws, provided that the Directors shall not have any authority to adopt, amend or repeal any Bylaw if such new Bylaw or such amendment or the repeal of a Bylaw would be inconsistent with any Bylaw previously adopted by the Members.

12.3. Notwithstanding any of the foregoing provisions of this Section 12 to the contrary, until the Turnover Date, all amendments or modifications to these Bylaws and adoption

or repeal of Bylaws shall only be made by action of the First Board as described in the Articles, which First Board shall have the power to amend, modify, adopt and repeal any Bylaws without the requirement of any consent, approval or vote of the Members.

12.4. Notwithstanding the foregoing provisions of this Section 12, there shall be no amendment to these Bylaws which shall abridge, prejudice, amend or alter the rights of: (i) Declarant, without the prior written consent thereto by Declarant for so long as Declarant holds title to at least one (1) Home; or (ii) any Institutional Mortgagee without the prior written consent of such Institutional Mortgagee.

12.5. Any instrument amending, modifying, repealing or adding Bylaws shall identify the particular section or sections affected and give the exact language of such modification, amendment or addition or of the provisions repealed. A copy of each such amendment, modification, repeal or addition attested to by the Secretary or Assistant Secretary of the Association shall be recorded amongst the Public Records of the County.

Section 13. Mediation

Pursuant to the HOA Act, mandatory mediation before the Department of Business and Professional Regulation ("Department") shall be required prior to institution of court litigation for disputes involving certain actions or inactions, as described therein.

Section 14. Recall of Board Members and Election Disputes

Pursuant to the HOA Act, mandatory binding arbitration before the Department shall be required for election disputes and disputes involving the recall of any member of the Board. Any member of the Board may be recalled and removed from office as provided for and described in the HOA Act.

Section 15. Notice and Hearing Procedure.

In those instances which specifically provide an Owner the right of Notice and a hearing, the following procedures and provisions shall apply:

A. Notice. The Association shall notify the Owner in writing of the noncompliance and set forth the corrective action to be taken. A fine or suspension of use rights may not be imposed without notice of at least fourteen (14) days to the Owner sought to be fined or suspended and an opportunity for a hearing before a committee of at least three (3) members appointed by the Board who are not officers, directors, or employees of the Association, or the spouse, parent, child, brother or sister of an officer, director, or employee of the Association. If the committee, by majority vote, does not approve a proposed fine or suspension, it may not be imposed. At the Association's option, any fine may be levied on a daily basis in the event of a continuing violation without the necessity of a new hearing and without any limitation on the amount of such fine.

B. Hearing. Should the Owner still be in noncompliance, the noncompliance

shall be presented to the Board after which the Board shall hear reasons why a fine should or should not be imposed. A written decision of the Board shall be submitted to the Owner, as applicable, not later than twenty-one (21) days after said meeting.

C. Payment. A fine shall be paid not later than thirty (30) days after notice of the imposition of the fine.

D. Fines. An Owner shall be responsible for all Legal Fees incurred in connection with the collection of a fine whether or not an action at law to collect said fine is commenced. All monies received from fines shall be allocated as directed by the Board, subject always to the provisions of this Declaration. A fine of less than One Thousand and No/100 Dollars (\$1,000.00) may not become a lien against a Lot.

E. Failure to Pay Assessments. Notice and hearing as provided in Subparagraphs A and B above shall not be required with respect to the imposition of suspension of use rights or imposition of suspension of voting rights upon any Owner because of such Owner's failure to pay Assessments or other monetary obligations or charges which are due for more than ninety (90) days.

F. Access. Suspension of use rights to Association Property shall not impair the right of an Owner or tenant of a Home to have vehicular and pedestrian ingress to and egress from such Home, including, but not limited to, the right to park, nor to provide access to utility services provided to the Home.

Section 16. Interpretation

In the case of any conflict between the Articles and these Bylaws, the Articles shall control; and in the case of any conflict between the Declaration and these Bylaws, the Declaration shall control; and in the event of any conflict between the Articles and the Declaration, the Declaration shall control.
