DRAINAGE STATEMENT

We, the undersigned respectively a Registered Professional Engineer and the Owner or Owners of the land subdivided hereby or the duly authorized attorney of such owner or owners, state that to the best of our knowledge and belief the drainage of the surface waters will not be changed by the construction of such subdivision or any part thereof, or that if such surface water drainage is changed, reasonable provision has been made for the collection and diversion of surface waters into public areas, or drains which the subdivider or subdividers have a right to use, and that such surface waters will be planned for in accordance with the generally accepted engineering practices so as to reduce the likelihood of damage to the adjoining property because of the construction of the subdivision.
